Dear Sirs,

This is in continuation to our earlier letter dated November 17, 2017 wherein it was informed that, during the hearing of a writ petition bearing number 2026/ 2017 filed by the Company before the Hon'ble Bombay High Court (the “Court”) on November 13, 2017, the Directorate of Enforcement (“DoE”) had withdrawn its communication to RBI for not considering the compounding applications filed by the Company as it did not have any material/ reasons to form a view that the Company is suspected of engaging into any money laundering activities relating to the transactions which are subject matter of the compounding applications.

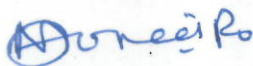

Now it is informed that the Company is currently evaluating whether the said writ petition ought to be amended so as to challenge another letter dated 1 December 2017 issued by DoE to RBI directing not to process the compounding applications filed by the Company in view of ongoing investigations against the Company under the Prevention of Money Laundering Act, 2002.

You are requested to take the same on record.

Thanking you

Yours faithfully,

For New Delhi Television Limited

Navneet Raghuvanshi
Company Secretary
