We Are Stronger Than Ever

Sceptics doubted our versatility, believing a national news giant couldn't master the art of regional reporting.

Pessimists underestimated our capacity for transformation, labelling our legacy systems as relics unable to evolve into advanced ecosystems.

Critics questioned our agility, doubting our ability to resonate with the digital consumer's viewing preferences.

And naysayers dismissed our proficiency for rejuvenation, to breathe new life into the treasures of yesteryears.

They were proven wrong.

We defied expectations with the triumphant launch of 'NDTV MP & Chhattisgarh', 'NDTV Rajasthan,' and 'NDTV Marathi' breaking new ground in regional broadcasting.

NDTV Profit made a grand comeback, resurrected as a comprehensive platform blending television, digital and audio experiences.

We embraced cutting-edge technology solutions, ensuring scalable infrastructure and readying ourselves for a future where adaptability is key.

Our digital transformation was bold and broad, introducing multilingual digital-first content that significantly widened our digital presence.

And through it all, our commitment to unbiased, insightful journalism only fortified the trust millions place in us.

Our achievements set in motion a bigger story.

A story of informing and empowering across languages, economic barriers, geographies and platforms.

A story of growing reach and wider presence.

A story of expanding impact and solidifying strength.

Our channels are not just about broadcasting content; it's about crafting experiences that resonate, inspire, and empower.

We are channelling substantial investments into bolstering our infrastructure and capabilities.

New-age technologies are being leveraged for revolutionising viewer engagement and experiences.

Our sights are set on aggressive regional expansion, promising to bring more voices, more stories into the fold.

This transformation of our infrastructure, capabilities, technology and outreach, all the while staying rooted to our foundational value of trust, positions us as an indomitable force in the media landscape.

Message from the Chairperson

Your Company remains focussed on expanding the NDTV brand across languages, geographies and platforms.

Dear Shareholders,

It is my privilege to present the Annual Report of NDTV for the financial year ended March 31, 2024. Aligned with its vision, your Company has made considerable progress in growing its reach and presence while deepening its credibility and trust. These achievements are a result of substantial investments in infrastructure, technology and resources.

While the global economic recovery remains uneven and uncertain, the Indian economy continues to demonstrate sturdy growth. Projections from both the National Statistical Office (NSO) and the Reserve Bank of India (RBI) suggest a GDP growth rate above 7% for FY 2023-24. This resilience is further underscored by the positive consumer sentiment prevailing in the country. In fact, India has emerged as one of the most optimistic markets globally, reflecting its potential for growth.

The optimistic outlook of India's young and diverse consumer demographic, combined with favourable macroeconomic conditions, heralds an exciting era for the Indian media and entertainment industry. Rapid technological advancement, facilitating widespread content consumption, is further opening up new opportunities for the sector. According to PwC's 'Global Entertainment & Media Outlook 2023-2027' report, the industry is projected to grow at a compound annual growth rate (CAGR) of 9.7% over the forecast period, reaching USD 73,560 million by 2027.

India is rapidly progressing towards becoming a digital economy through the Government's Digital India initiative. With a robust digital infrastructure, increased smartphone penetration and more affordable data packages, internet accessibility has significantly expanded nationwide. This digital-forward approach is propelling the performance of the digital media and entertainment segment, with content and data consumption experiencing solid growth. According to the recent

FICCI-EY report, the average mobile data usage per smartphone in India was 31GB per month in 2023, and is projected to grow at an annual rate of 16%, reaching 75GB by 2029. Moreover, India had 456 million digital news consumers, with more than 80% accessing news via their mobile phones.

Your Company has a clear purpose: to rank among the top news networks in India and to become the largest and most credible digital news destination with a significant global presence. This objective has outlined the focus areas for your Company, including restructuring the organisation to foster greater agility and nimbleness, accelerating the digital transformation journey, expanding both local and global audiences, strategically venturing into regional markets, and investing in cutting-edge technology. Your Company has made promising strides in addressing these priorities and remains committed to accelerating the pace of progress to truly leverage its brand strength in the market.

With its scale and capabilities, your Company recognises the role it can play in inspiring a positive change in communities. During the year, through the massive reach of its diverse campaigns, in partnership with NGOs and other corporates, your Company addressed societal needs in the areas of education, environment and community development.

ESG strategy is integral to your Company's organisational goals for a sustainable future. Implementation of energy-efficient technologies, waste reduction and recycling activities, initiatives for employee skill development, collaboration with ethical suppliers, and community welfare projects enable your Company to deliver shared and responsible value. The Board remains steadfast in upholding the highest standards of corporate governance, ensured by a robust internal framework of systems and controls. A diverse array of skills and experiences among its members, the majority of whom are independent directors, reinforces transparent and ethical business practices.

NDTV has long been synonymous with trustworthy and credible news, earning accolades for its exemplary journalism throughout its nearly four-decade-long journey.

NDTV has long been synonymous with trustworthy and credible news, earning accolades for its exemplary journalism throughout its nearly four-decade-long journey. In the 16th edition of the Exchange4media News Broadcasting Awards (ENBA), your Company continued its tradition of excellence by securing 43 awards, including 'Best English News Channel of the Year'. Additionally, NDTV received recognition at the NT Awards 2023, where it clinched several awards for 'Excellence in the News Media Landscape'.

I would like to take this opportunity to extend my sincere gratitude to each esteemed member of the Board for their invaluable contributions to NDTV's ongoing success. On behalf of the Board, I also commend the dedicated efforts of the NDTV team, whose outstanding skills, passion and commitment drive our ability to inform and engage diverse audiences with impactful stories. We are deeply grateful to our viewers for their unwavering support of truthful journalism. Lastly, I extend my heartfelt thanks to the Information and Broadcasting Ministry for their initiatives in modernising the media landscape and creating a conducive business environment through progressive policies.

Looking ahead, your Company remains focussed on expanding the NDTV brand across languages, geographies and platforms. The overarching vision to serve consumers in a more meaningful way will continue to form the cornerstone of all its endeavours.

Warm regards,

Upendra Kumar Sinha
Chairperson

Message from the Whole-time Director

We are driven to building an organisation for the future, one that consistently raises industry benchmarks.

Dear Shareholders,

In a rapidly changing landscape driven by evolving viewer preferences, increased internet accessibility and emerging technologies, the Indian entertainment and media industry is experiencing a transformative phase. Amidst these shifts, NDTV remains steadfast in its commitment to engaging diverse audiences across various platforms, keeping trust and credibility at the core of all its stories.

The past year marked significant milestones in line with our objective to expand our reach and presence nationwide. We successfully launched new regional channels, namely 'NDTV Madhya Pradesh & Chhattisgarh', 'NDTV Rajasthan' and 'NDTV Marathi'. Additionally, with a focus on meaningful expansion, we re-launched our business news channel, 'NDTV Profit'. As a result, the NDTV network now boasts a bouquet of six news channels, a notable increase from the two channels we had at the start of the financial year.

Our regional foray, after our established leadership in English and Hindi news genre, marks a decisive step towards our goal of delivering quality journalism irrespective of geographical and linguistic barriers. Our commitment extends to providing hyper-local content that resonates with our audiences. With expansion and growth remaining key priorities, we are poised to launch additional regional channels in the near future.

Our ambitious plans for channel and footprint expansion are underpinned by ongoing capital investment and strategic partnerships aimed at fostering sustainable growth and enhancing our market presence. In this regard, the establishment of a new broadcasting facility in Mumbai, equipped with state-of-the-art technologies, marks an exciting new chapter for our Company.

This facility empowers us to create and distribute top-quality audio-visual content while serving as a versatile space for diverse production needs. This facility also integrates our television and digital teams, fostering greater collaboration and synergy.

We will soon be operating out of our new office space in Noida. The facility is equipped with advanced technology and modern infrastructure, providing an environment conducive to driving enhanced productivity and efficiency. Furthermore, we strategically invested in content, marketing and distribution initiatives to capitalise on the brand value of NDTV and expand our viewership.

As digital becomes a way of life, there is a growing demand for content that is platform and screen-agnostic. Embracing this shift, we made significant progress on our digital transformation journey, prioritising the creation of digital-first content across diverse platforms and languages. We also launched digital platforms for our new regional channels and introduced the 'NDTV World Edition' page to expand our international presence.

Along with transformation of our external consumer-facing products, our digital strategy encompasses internal transformation. Our strong focus on embedding sophisticated infrastructure, advanced technology, simplified processes and a digital culture will ensure that we are well positioned for a digital future.

At NDTV, our team members - whether on-air, behind the scenes, or in pivotal supporting roles - are the bedrock of our success. It is their editorial excellence, creative prowess, technical acumen, and leadership abilities that collectively strengthens our viewership and credibility. To sustain our talent pool, various programmes aimed at skill enhancement and career

Our regional foray, after our established leadership in English and Hindi news genre, marks a decisive step towards our goal of delivering quality journalism irrespective of geographical and linguistic barriers.

advancement were introduced during the year.

We are driven to building an organisation for the future, one that consistently raises industry benchmarks. Although our foundation is robust, we understand the importance of agility and efficiency in a rapidly evolving and competitive environment. In the upcoming year, we will be restructuring the organisation to make it simpler, nimbler and leaner, reinforcing our commitment to smoothly navigating future industry dynamics. Additionally, we have acquired broadcast licenses for HD feeds of our national news channels: NDTV 24x7 HD, NDTV India HD, and NDTV Profit HD, slated to begin satellite transmission in the current year. This transformation of our channels will not only enhance viewer engagement but also expand our reach.

The Indian growth story is unfolding at a breath-taking pace, and our dedication to communicating this narrative to viewers in India and globally has never been greater. By expanding our channel network and digital offerings, while always upholding our values of trust and credibility, we are determined to reach more viewers and build a futuristic and agile organisation.

Thank you for your continued support and belief in NDTV as we put all our efforts into realising our goal.

Warm regards,

Sanjay Pugalia

THE STORIES OF THE YEAR

A narrative of growing strengths

In the past year, NDTV has surged with unstoppable momentum. By expanding, enhancing, upgrading, and connecting, we have made changes that truly matter.

We have broken new ground in regional news, dynamically overhauled our business channel, powered through a digital transformation, bolstered our infrastructure, made strategic acquisitions, and fostered positive community impact.

Our journey has been multifaceted. Every action has reinforced the trust of our stakeholders, enabling us to emerge stronger than ever in the media world.

REGIONAL FOOTPRINT

Stronger with our regional foray

The demand for news in local languages is on the rise. The launch of our regional channels marks a significant step towards disseminating credible news customised to the language preferences of our viewers, along with providing hyper-local stories that deeply resonate with local sensibilities.

Regional news channels are high in relevance as they penetrate smaller towns and rural areas, expanding the viewer base significantly. Recognising this, we have ventured into the regional news genre with the launch of NDTV Madhya Pradesh & Chhattisgarh, NDTV Rajasthan and NDTV Marathi

channels. Digital platforms were also launched for our regional channels to ensure that viewers can access content in the format of their choice.

With nearly four decades of pioneering credible news delivery through our national channels,

we bring a wealth of experience and expertise to regional journalism. Our regional channels enable us to leverage our strengths, delivering news and stories that meet the requirements of local audiences, thereby extending our coverage and impact.

Launch of NDTV Madhya Pradesh & Chhattisgarh

The channel was launched on August 21, 2023, with events held at The Raj Mahal in Bhopal and Courtyard by Marriot in Raipur. Various dignitaries, including honourable members of legislative assemblies from Madhya Pradesh and Chhattisgarh, graced the occasion. The channel gained significant traction on Twitter during the launch event, reaching the second position in trending topics.

Launch of NDTV Rajasthan

The channel was launched on September 5, 2023 at The Marriott Hotel, Jaipur. Honourable members of the Rajasthan Legislative Assembly and various other prominent figures were present at the event. NDTV Rajasthan gained significant attention on Twitter during the launch event, reaching the third position in trending topics.

Launch of NDTV Marathi

The channel was launched on May 1, 2023, coinciding with Maharashtra Day. With a steadfast focus on the forward-looking ethos of 'New Maharashtra', NDTV Marathi aims to deliver high-quality and uncluttered journalism, meeting the discerning needs of Maharashtrians. The launch event was attended by various dignitaries, including honourable members of the Maharashtra Legislative Assembly. Additionally, a unique campaign – 'Let's Start Up in Maharashtra' – was introduced on the occasion to unleash the entrepreneurial spirit among the state's youth.

NEWS AND CURRENT AFFAIRS

Stronger by delivering enriching stories

NDTV is known for its unbiased and in-depth coverage of news events. We bring stories that deeply matter to our viewers, always keeping integrity, and insights at the core of our reporting.

Audiences have more choice than ever. Yet, NDTV remains the trusted broadcaster that can cut through the clutter, connect audiences to stories that matter, and empower, enrich and enliven them. Our teams' prowess in insightful analysis and in-depth reporting was reflected across several stories covered by them, including impactful events such as the World Economic Forum 2024 at Davos, G-20 Summit at New Delhi, State Elections, and the Ayodhya Ram Mandir inauguration, among others.

In-depth coverage of the G-20 Summit

Our team of journalists conducted comprehensive interviews with senior ministers, government officials and political leaders, including Dr. S Jaishankar, Mr. Amitabh Kant, Mr. Hardeep Singh Puri, Mr. Jitendra Singh, and Mr. Rajeev Chandrasekhar, leading up to the G-20 Summit. 'Decoding G20', a mega conclave hosted by NDTV brought some of the biggest names behind India's G20 success on one stage. NDTV held an exclusive dialogue with Dr. S Jaishankar, offering profound insights into India's influential role in the G20 and how its presidency has enhanced India's stature on the global stage.

Comprehensive reporting on the Israel-Hamas conflict

Our reporters, Kadambini Sharma and Uma Shankar Mishra, were first on the ground during the Israel-Hamas war and secured major interviews, including a world exclusive with the former Israeli Prime Minister, among other notable figures. They were also the first to reach the closest proximity to the Gaza border as the Israeli army initiated its invasion.

Engaging programmes with premier content

We presented a series of engaging programmes characterised by their premier content and insightful perspectives. Highlights included a suite of nine documentaries commemorating nine years of Prime Minister Shri Narendra Modi's tenure, alongside a public opinion poll conducted by Centre for the Study of Developing Societies (CSDS) to gauge the nation's sentiment during this period. We also provided extensive coverage of the Prime Minister's visits to the United States, France, Egypt and the UAE, enriching the public's understanding of international relations.

Exclusive insights for state elections

In the assembly elections for Karnataka, Rajasthan, Madhya Pradesh, Telangana and Chhattisgarh, NDTV secured significant political interviews across various parties, achieving the distinction of being the first to conduct interviews with several Chief Ministers and their opposing candidates. Our comprehensive on-the-ground coverage received notable acclaim. Additionally, the opinion polls we conducted for these states garnered positive reception from our audience.

NEWS AND CURRENT AFFAIRS

Exclusive high-profile interviews

Our team conducted interviews with leading figures in politics and business, including Mr. Hardeep Singh Puri, Ms. Smriti Irani, Mr. Arvind Krishna, and the President of the World Economic Forum, Mr. Borge Brende, among others. Additionally, in honour of India's Independence Day, NDTV organised several significant events and interviews, featuring distinguished personalities like Mr. Himanta Biswa Sarma, Lieutenant Governor Manoj Sinha, and Mr. Harish Salve.

Inaugural Defence Summit and other marquee events

The year also marked the launch of NDTV's inaugural Defence Summit, a pioneering effort to explore India's defence capabilities and potential. Other significant events included the Healthcare Conclave and Real Estate Conclave, each aiming to address critical sectors with expert discussions and insights. We further celebrated excellence through Realty Awards in Dubai, NDTV Food Awards, and NDTV Indian of the Year.

BUSINESS NEWS

Stronger with our business channel relaunch

'NDTV Profit' successfully returned as a comprehensive hub integrating television, digital, and audio experiences. Powered by cutting-edge technology and bringing sharp insights, the revamped channel is well poised to cut through the clutter of business news and expand its audience base.

The NDTV Profit brand enjoys considerable equity and resonance with viewers. The relaunched channel – a multi-platform network backed by an integrated newsroom – serves as a one-stop destination for all financial and economic news and also showcases India's business prowess.

In today's digital landscape, media brands must evolve into dynamic platforms, engaging audiences with diverse and compelling storytelling.

Acknowledging the importance of wealth creation for India's ambitious and entrepreneurial youth, the new NDTV Profit introduces a forward-thinking programming blend. This mix caters to the sophisticated financial and investment interests

of a premium audience, spanning both TV and digital. It leverages state-of-the-art technology and next-generation studios equipped with advanced AR/VR capabilities, setting a new standard in media innovation.

Additionally, we have acquired a broadcast licence for HD feed of this national business news channel, expected to commence satellite transmission in the current year. With the resurrection of NDTV Profit and its ongoing technological transformation, we remain focussed on exceeding the content and quality needs of our viewers and expanding our footprint.

Indian business news universe reached by NDTV Profit from the first day of its relaunch, in addition to its coverage on OTT, social media, and podcast platforms.

NDTV Profit Re-Launch

A grand launch event, 'India Unlimited,' was organised at The St. Regis Hotel, Mumbai, attended by corporate leaders and business luminaries. The event featured a series of panel discussions with market stalwarts. Broadcast live across the NDTV network and various social and content platforms, the event celebrated the spirit of innovation and entrepreneurship, showcasing ground-breaking ideas and inspiring stories from visionary leaders across industries. This re-launch of ndtvprofit.com quickly restored over 4 million monthly users within just two months. Additionally, a nationwide 360-degree brand campaign, "We All Love Money," was widely praised for its innovative and engaging approach, capturing the essence of new India.

DIGITAL CAPABILITIES

Stronger with digital transformation

Digital transformation is key to maximising our reach and delivering an engaging, interactive and customised broadcast experience for our viewers. The acceleration of this journey is shaping our growing strengths.

Digital transformation entails transforming our products to adapt to changing viewing habits. It also involves reshaping how we work. This means transforming our internal systems, processes and behaviours to support a digital business model, fostering agility, efficiency and security, and ensuring our people have the digital tools necessary to drive the most effective workflows.

Enhancing the end-user experience

Audiences, especially younger generations, are increasingly drawn to social and immersive media experiences, consuming information on-the-go and favouring personalised content. Recognising this trend, we are harnessing contemporary digital technology to enrich the viewer experience and boost engagement across digital platforms. Continuous technological innovation by our technical team and creative content development by the editorial team have significantly bolstered our platforms' competitiveness. One of our greatest technological strengths lies in our ability to directly connect with viewers with digital analytics advancements providing real-time feedback on viewer preferences and content trends, guiding our content selection process.

Live streaming

Using latest technology and advanced tools like Distribution Management System (DMX) and Virtual Central Management System (VCMS) to provide seamless live streams and videos-on-demand (VODs) for all audience and platforms.

Social media dominance

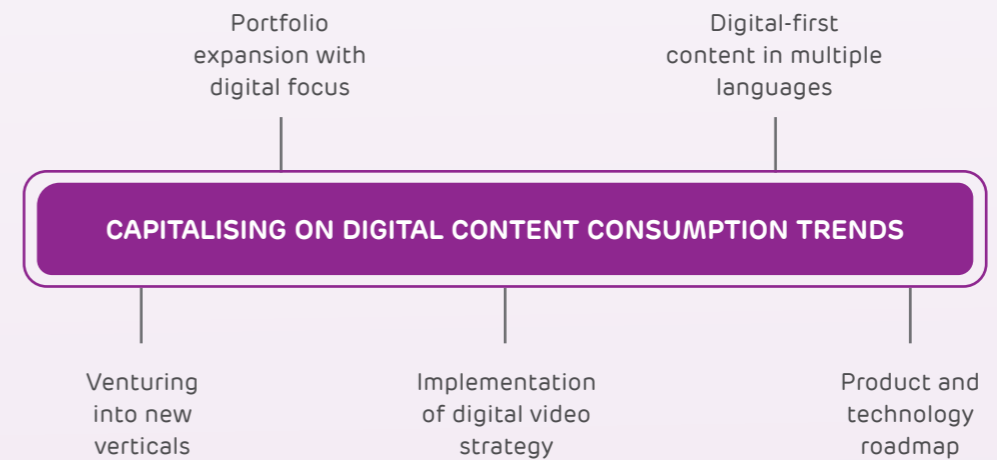

NDTV has over 75+ million strong social media presence across platforms, led by @NDTV on X where it is India's most followed English news handle.

Mobile apps

Developed news apps that provide seamless viewing experience on smartphones and tablets coupled with push notifications, offline viewing and personalised content.

Data-driven insights

Leveraging data analytics to gain insights into viewer behaviour and preferences, improve user experience on our digital platforms, and curate content relevant to viewers.

Augmenting our technological capabilities

Responding to consumer demand for superior viewing experiences, we have equipped ourselves with cutting-edge technology capable of capturing, processing and delivering content in high-resolution formats. Three high-definition (HD) channels: 'NDTV 24x7 HD', 'NDTV India HD' and 'NDTV Profit HD' are slated for launch in the current year. Additionally, the adoption of advanced digital equipment has bolstered our high-density readiness and capacity without disrupting workflows. Long-term contracts with technology vendors ensure support for 8-10 years post-purchase, laying a stable foundation for future growth.

Strengthening our cloud infrastructure

Through investments in Amazon Web Services (AWS), we have expanded our cloud computing capabilities, leveraging EC2 for scalable virtual servers, S3 for storage, and RDS for managed databases to accommodate growing user demands. Partnering with Akamai and other content delivery network (CDN) services ensures rapid access to our multimedia content. This integration of AWS with Akamai CDN streamlines storage, processing and content distribution, lowering infrastructure costs and improving scalability. Moreover, it facilitates remote production workflows, content management, and real-time collaboration, enhancing both flexibility and performance.

Embracing disruptive technologies

There are vast opportunities for leveraging AI, ML, and data processing in newsrooms to enhance news production, distribution and consumption. With our eyes on the future, we are actively exploring how these disruptive technologies can be used in collaboration with traditional news media practices, potentially leading to more efficient, accurate and innovative journalism. We are working to add artificial intelligence (AI) and machine learning (ML) in our newsroom system and media asset management.

DIGITAL CAPABILITIES

Launching digital properties

Staying at the forefront of digital innovation, we launched digital properties for our existing content, projects and campaigns. Each digital property is designed to amplify the impact of our initiatives and deepen our engagement with our audience.

BUSINESS SUSTAINABILITY

Stronger by serving everybody

We firmly believe that adopting responsible business practices is paramount in creating lasting value for our audiences, employees, shareholders and the broader community. Our commitment to sustainability is a core part of our identity, driving us towards a stronger future.

Embracing green operations

We prioritise eco-conscious practices, integrating energy-efficient technologies, waste reduction initiatives, and comprehensive recycling programmes. These efforts not only diminish our carbon footprint but also contribute to mitigating our environmental impact, aligning with our commitment to sustainable stewardship.

Promoting awareness on environmental sustainability

We provide continuous education on environmental sustainability to our employees, fostering a workplace culture deeply rooted in green practices and responsibility. Through curated content and initiatives, we aim to raise awareness and inspire action on environmental and social issues, driving positive change within and beyond our organisation.

Fostering employee engagement

We are committed to the holistic well-being of our employees by implementing policies that support work-life balance, physical and mental health, diversity, and inclusion. Additionally, we provide ample opportunities for skill development and career growth, ensuring that our employees feel valued, supported and empowered to thrive both personally and professionally within

our organisation. The key people-focussed initiatives launched during the year include:

- **#Iamthechange Initiative:** A pioneering engagement framework, fostering a sense of ownership and community among employees through festive, cultural and recognition events.
- **Quarterly Focus Group Discussions (FGDs):** Conducted to address challenges, listen to employee concerns, and enhance the overall experience, resulting in over 650 insights from more than 300 employees across our Noida, Delhi and Mumbai offices.
- **Learning Oriented Onboarding Programme (LOOP):** An induction programme designed to integrate new hires into our team,

providing essential knowledge on policies, processes and our corporate ecosystem.

- **POSH Awareness Workshops:** Conducted for Internal Committee (IC) members and employees, focussing on the Prevention, Prohibition and Redressal of Sexual Harassment at work, led by POSH certified expert Dr. Israel F Inbaraj.
- **PI Behaviour Assessment:** A specialised "Train the Trainer" workshop, aimed at selected employees to enhance leadership and interpersonal skills, facilitated by external trainers from The Predictive Strategy Group (TPSG).

- **Young Managers Programme (YMP):** A two-day workshop targeting young managers to bolster their effectiveness in team management, delegation, feedback delivery, and time management.
- **Chairman's Survey:** Your Voice Matters: An employee engagement survey inviting suggestions and feedback to inform actionable strategies for continuous improvement.

Undertaking community welfare projects

During the year, the NDTV Group, comprising NDTV, its subsidiary NDTV Convergence, and associate Red Pixels, undertook numerous initiatives aimed at enhancing the well-being of our community.

- **Partnering with Aarohan's 'Poshan' Project:** We supported NGO Aarohan in their initiative to provide balanced meals to children aged up to 13, meeting their nutritional needs. This aids in promoting healthy growth, boosting educational attendance, and facilitating successful school completion. The project benefits 350 marginalised children in Delhi and its vicinity.
- **Contribution to Adani Foundation's Educational Projects:** We partnered with Adani Foundation to enhance education in rural Kutch. This included supporting Smart Classroom technology and Bala Painting Projects in primary schools. The goal is to improve the learning environment, foster academic excellence, and ignite a passion for education among primary students.

- **Supporting Uday Foundation's Blanket Distribution Drive:** We partnered with Uday Foundation to provide high-quality warm blankets to around 6,445 underprivileged individuals, including those living on the streets, outstation patients and their caregivers outside government hospitals, and construction workers.
- **Supporting Friendicoes SECA Animal Welfare Project:** We provided financial assistance to Friendicoes SECA, the oldest animal hospital and shelter in Delhi. Our support goes towards dedicated veterinary help and care for stray dogs and cats rescued and housed at their shelters.
- **Contribution to Stray Care for Animal Welfare Services:** Recognising the vital connection between human and animal health, we support initiatives

providing care for stray animals in Delhi. Our contributions include providing cooked food to stray dogs, offering medical support, maintaining hygiene, and funding miscellaneous expenses to support the comprehensive care of stray animals.

Ensuring robust corporate governance

We enforce editorial guidelines and emphasise transparency and accountability in financial and business transactions, including related party transactions. Our board prioritises diversity, with a majority of Independent Directors, ensuring varied perspectives and balanced decision-making. Additionally, we implement rigorous risk management processes and adhere to BRSR Reporting standards to maintain accountability and transparency in our operations.

ANNEXURE - I

The following are the details of actions taken against the listed entity/ its promoters/ directors/ material subsidiaries either by the SEBI or by the Stock Exchanges (including under the Standard Operating Procedures issued by the SEBI through various circulars) under the aforesaid Acts/ Regulations and circulars/ guidelines issued thereunder: -

S. No	Actions Taken By	Details of Violation	Details of actions taken E.g.: Fines, warning letter, debarment, etc.	Observation/remarks of Practicing Company Secretary, if any
1.	The Securities and Exchange Board of India	SEBI issued notices dated March 14, 2018 inter alia to RRPR Holding Private Limited ("Promoter Entity") in relation to alleged violations of the SEBI Act, 1992 read with the SEBI (PFUTP) Regulations and Clause 36 of erstwhile Listing Agreement read with Section 21 of the Securities Contract (Regulation) Act, 1956 for alleged non-disclosure of the loan agreements entered into by: the Promoter Entity with ICICI Bank Limited, and the Promoter Entity and Former Promoters (Dr. Prannoy Roy and Mrs. Radhika Roy) with Vishvapradhan Commercial Private Limited, in the year 2008 – 10.	On June 14, 2019, SEBI ruled as follows: a) The Promoter Entity and the Former Promoters are restrained from accessing the securities market and are further prohibited from buying, selling or otherwise dealing in securities, directly or indirectly, or being associated with the securities market in any manner, whatsoever, for a period of two (2) years. It is also clarified that during the said period of restraint/ prohibition, the existing holding, including units of mutual funds, of the Promoter Entity and the Former Promoters shall remain frozen. b) The Former Promoters are restrained from holding or occupying any position as director or key managerial personnel in the Company for a period of two (2) years. c) The Former Promoters are restrained from holding or occupying any position as director or key managerial personnel in any other listed company for a period of one (1) year.	The Securities Appellate Tribunal vide order dated July 20, 2022 has set aside the SEBI order dated June 14, 2019. SEBI has filed an appeal challenging the SAT order before the Supreme Court, which is pending as on March 31, 2024.
2.	The Securities and Exchange Board of India	In January 2018, the Company received a show cause notice from SEBI alleging certain violations of the SEBI Act, 1992 and the SEBI (Substantial Acquisition of Shares and Takeovers) Regulations, 1997 ("Takeover Regulations")	SEBI has passed an order dated June 17, 2019 and imposed a penalty of ₹ 12,00,000/- (Rupees Twelve Lacs Only) on the Company under the provisions of Section 15A(b) of the SEBI Act, 1992.	SAT vide its interim order dated August 29, 2019 had directed NDTV to deposit ₹ 12 Lakhs with SEBI within 4 weeks, subject to outcome of appeal. However, in view of the judgement dated September 4, 2019 passed by the Bombay High Court, SAT vide its order dated October 9, 2019 directed that its order dated August 29, 2020 shall be kept in abeyance. As informed by the Company, in the hearing dated January 11, 2021 SAT has disposed of the appeal filed by NDTV as infructuous in light of the judgment dated September 4, 2019 passed by the Hon'ble Bombay High Court, which invalidated the Impugned Order. SEBI has filed SLP before Hon'ble Supreme Court against the Judgment dated September 4, 2019 passed by the Bombay High Court, which was pending as on March 31, 2024.

While the primary stand of the Company in the Civil Appeal is that the Judgment dated September 4, 2019 passed by the Bombay High Court has rendered the Impugned Order otiose and unenforceable, the Appeal has been filed to preserve its rights and remedies in relation to the Impugned Order and to seek interim relief in regard to the Notice of Demand dated November 22, 2019. As mentioned above, SEBI has also filed SLP before Hon'ble Supreme Court against the Judgment dated September 4, 2019. Both the matters are pending as on March 31, 2024.
4.	The Securities and Exchange Board of India	SEBI issued a notice dated September 5, 2018 inter alia to RRPR Holding Private Limited ("Promoter Entity") for the non-disclosure of Loan agreements with ICICI Bank and Vishvapradhan Commercial Private Limited to the public shareholders of NDTV. The notice alleges violation of: (a) Provisions of Section 12A (a) and (b) of the Securities and Exchange Board of India Act, 1992 (SEBI Act) read with Regulations 3 (a), (b), (c), (d) and 4 (1) of SEBI (Prohibition of Fraudulent and Unfair Trade Practices relating to Securities Market) Regulations, 2003 (b) Clause 49 (1) (D) of erstwhile Equity Listing Agreement read with Section 21 of the Securities Contracts (Regulation) Act, 1956.	SEBI vide its order dated December 24, 2020 imposed a penalty of ₹ 25 Crores inter alia on the Promoter Entity under Section 15HA of the SEBI Act, to be paid jointly and severally within 45 days of the receipt of the order.	The Securities Appellate Tribunal (SAT) vide order dated July 20, 2022 has partially allowed the appeal filed by the Promoter Entity challenging the SEBI order dated December 24, 2020 and reduced the penalty from ₹ 25 crores to ₹ 5 crores for violation of Clause 49(1)(D) of the listing agreement. The Promoter Entity have filed a Civil Appeal challenging the penalty of ₹ 5 crores upheld by SAT. Further, SEBI has also filed a Civil Appeal assailing the said SAT order. The matter is pending as on March 31, 2024.

5.	The Securities and Exchange Board of India	SEBI issued a notice dated August 20, 2018 to the Company, alleging violation of Clause 36 of erstwhile Listing Agreement for non-disclosure of loan agreements entered inter alia by the Promoter Entity with Vishvapradhan Commercial Private Limited. The notice was issued under Rule 4 of Securities Contracts (Regulation) (Procedure for Holding Inquiry and imposing Penalties by Adjudicating Officer) Rules, 2005.	SEBI vide its order dated December, 29, 2020 imposed a penalty of ₹ 5 Crores on the Company under Section 23E of the Securities Contracts (Regulation) Act, 1956 for non-disclosure of the said loan agreements.	The Securities Appellate Tribunal (SAT) vide order dated July 20, 2022 has partially allowed the appeal filed by the Company challenging the SEBI order dated December 29, 2020 and reduced the penalty from ₹ 5 Crores to ₹ 10 Lakhs. Without prejudice to its rights and contentions, the Company has paid the penalty of ₹ 10 Lakhs as directed by SAT. SEBI has filed an appeal before the Supreme Court challenging the said SAT order, which is pending as on March 31, 2024.
6.	The Securities and Exchange Board of India	SEBI issued a notice dated January 27, 2020 to the Company under Rule 4(1) of the Securities Contracts (Regulation) (Procedure for Holding Inquiry and Imposing Penalties) Rules, 2005 read with Section 23 I of the Securities Contracts (Regulation) Act, 1956 relating to alleged non-disclosure of the order dated June 26, 2018 passed by SEBI in the proceedings initiated against Vishvapradhan Commercial Private Limited (VCPL), whereby, SEBI had concluded that VCPL had indirectly acquired control in NDTV, by entering into a loan agreement and call option agreement on July 21, 2009 with the Former Promoters of NDTV and directed VCPL to make public announcement to acquire shares of NDTV in accordance with the provisions of the SEBI (Substantial Acquisition of Shares and Takeovers) Regulations, 1997 within a period of 45 days from the date of the said order.	In terms of rule 4(1) of the Securities Contracts (Regulation) (Procedure for Holding Inquiry and Imposing Penalties) Rules, 2005, the Company was called upon to show cause as to why an inquiry should not be held against the Company in accordance with rule 4 of the Adjudication Rules read with Section 23-I of the SCRA and why penalty, should not be imposed upon the Company under section 23E of the SCRA.	In a letter dated August, 19, 2019, the Company pointed out to the SEBI that it was not a party to the proceedings in the matter of VCPL and hence, no disclosure was required to be made by the Company. The hearing before SEBI was concluded and the matter has been reserved for orders.

 - b) Show Cause Notice dated August 20, 2015 for alleged non-disclosures/ delayed disclosures as required inter alia under Regulation 13(6) of the SEBI (Prohibition of Insider Trading) Regulations, 1992. A penalty of ₹ 10 lakh was imposed by SEBI on the Company and ₹ 12 lakh on the former Directors and KMPs vide order dated March 16, 2018. The Company assailed the order dated March 16, 2018 passed by SEBI before the

Securities Appellate Tribunal, wherein, the penalty of ₹ 2 lakh imposed on the former Compliance Officer was set aside and the other penalties were upheld vide order dated August 7, 2019.

- c) Show Cause Notice dated June 8, 2016 for alleged non-disclosures/ delayed disclosures as required under Regulations 7(3) and 8(3) of the SEBI (Substantial Acquisition of Shares and Takeover) Regulations, 1999. A penalty of ₹ 12 lakh was imposed by SEBI on the Company vide order dated June 17, 2019. The Company assailed the order dated June 17, 2019 passed by SEBI before the Securities Appellate Tribunal, wherein, the appeal was disposed of as infructuous vide order dated January 11, 2021 in light of the judgment dated September 4, 2019 passed by the Bombay High Court.

In order to avoid the prolonged litigation, the Company had also filed the settlement applications dated March 21, 2017 and July 24, 2017 under the SEBI (Settlement of Administrative and Civil Proceedings) Regulations, 2014 in regard to the aforesaid Show Cause Notices. The said settlement applications were rejected by SEBI vide orders dated August 23, 2017 and August 31, 2017.

The Company assailed the SEBI orders dated August 23, 2017 and August 31, 2017 before the Bombay High Court, wherein, the High Court vide judgment dated September 4, 2019 set aside the impugned orders passed by SEBI. The Bombay High Court further directed SEBI to decide the settlement applications filed by the Company on merits and held that if any order of adjudication has been passed after the filing of the settlement applications in respect of the Show Cause Notices, which are the subject matter of the said settlement applications, the same would be rendered invalid. Accordingly, the legal effect of the judgment dated September 4, 2019, which has nullified and invalidated any order of adjudication passed after filing of the settlement applications has the consequence of quashing the aforesaid penalties imposed by SEBI.

SEBI has filed a Special Leave Petition before the Supreme Court assailing the judgment dated September 4, 2019 passed by the Bombay High Court, which is currently pending.

3. SEBI issued a Show Cause Notice dated January 22, 2020 in regard to alleged violation of Regulation 30(1), 30(3), 30(4) and 30(6) of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 on account of alleged non-disclosure of the order dated June 26, 2018 passed by SEBI against Vishvapradhan Commercial Private Limited. The Company has filed its response to the Show Cause Notice denying the allegations made by SEBI. The hearing was concluded on September 1, 2021 and the matter has been reserved for orders.
4. The Income Tax Authority vide notice dated March 31, 2015 initiated the reassessment proceedings against the Company for AY 2008-09. The Company assailed the said notice, wherein, the Supreme Court vide order dated April 3, 2020 quashed the same. The Income Tax Authority initiated the second round of reassessment proceedings and issued another notice dated May 1, 2020 under Section 148 of the Income Tax Act, 1961 for the same AY 2008-09. The Company assailed the said notice before the Delhi High Court, wherein, the Delhi High Court vide order dated March 14, 2022 granted interim relief to the Company and held that no effect shall be given to any Assessment Order passed in the matter. On March 31, 2022, an Assessment Order was passed raising a demand of ₹ 353.36 crore, however, in light of the interim relief granted by the Delhi High Court, no effect has been given to the said Assessment Order.
5. The Company has filed an appeal before the Delhi High Court assailing the order dated June 16, 2020 passed by ITAT, whereby, the issue of transfer pricing adjustment on account of alleged corporate guarantee issued by the Company to enable its erstwhile subsidiary NNPLC to raise overseas funds was restored back to the file of Assessing Officer ("AO")/ Transfer Pricing Officer ("TPO") for AY 2008-09. The Delhi High Court vide order dated January 11, 2022 allowed the TPO to proceed with the remand proceedings, however directed the Assessing Officer to not pass any Assessment Order. The matter is currently pending before the Delhi High Court.

Subsequently, on January 28, 2023, the TPO passed an order under Section 92CA(3) read with Section 254 of the Income Tax Act, 1961, wherein, the Transfer pricing adjustment of ₹ 6,27,07,932/- was made. Pursuant to the order passed by TPO, the Assessing Officer issued a draft order dated March 29, 2023 under Section 143(3)/144C/254 of the Income Tax Act, 1961, thereby proposing to assess the income of Company at ₹ 5,73,88,657/-.

6. A Final Assessment Order dated February 21, 2014 was passed by the AO under Section 144 read with Section 144C(13) of the Income Tax Act, 1961, whereby the income of Company for AY 2009-10 was assessed at ₹ 838,33,37,197/- against the returned loss of ₹ 64,83,91,422/-.

The above Order was challenged in appeal before the Income Tax Appellate Tribunal ("ITAT"), New Delhi, both by the Company as well as by the Income Tax Department. The ITAT, thereafter, passed a consolidated order dated July 14, 2017 granting partial relief to the Company and inter alia, remanded certain issues back to the lower authorities for fresh adjudication.

Against the order of the ITAT, the Company had already preferred appeal before the Delhi High Court, which is currently pending adjudication.

In the meanwhile, the AO vide order dated July 26, 2017 passed under Section 254/144C(13) of the Act giving piecemeal effect to the above order of the ITAT, raised a demand of ₹ 428,93,32,540/-.

The Company filed a Writ Petition before the Delhi High Court challenging the aforesaid partial appeal effect order dated July 26, 2017 passed by the AO. The Delhi High Court vide order dated August 1, 2017, inter-alia, granted ad-interim stay on the demand raised thereby directing that no coercive action could be undertaken for recovery.

In the set-aside proceedings on the issues remanded by the ITAT, the AO passed a Draft Appeal effect Order dated December 27, 2019 under Section 254 /144C of the Act, thereby proposing to assess the income of Company at ₹ 578,83,55,331/-.

Against the above order of the AO, the company filed objections before the DRP, which was disposed off by DRP vide order dated January 29, 2021.

Thus, the Company filed a Writ Petition before the Delhi High Court assailing the order dated January 29, 2021 passed by DRP, under Section 144C(5) of the Income-tax Act, 1961, for Assessment Year 2009-10. The DRP vide Impugned Order had rejected the Company's objection to the draft assessment order framed on December 27, 2019 being barred by limitation in terms of Section 153 of the Income-tax Act, 1961.

During the pendency of Writ Petition, the Company had received a final assessment order dated March 30, 2021 passed by the Assessing Officer under Section 144C read with Section 254 of the Income Tax Act, 1961, whereby the income of the Company was assessed at ₹ 578,83,55,331/- against the returned loss of ₹ 64,83,91,422/- for A.Y. 2009 - 10. However, in accordance with the interim relief granted by the Delhi High Court, no effect was given to the assessment order dated March 30, 2021.

The Delhi High Court vide its order dated May 20, 2024 allowed the Writ Petition filed by the Company assailing the order dated January 29, 2021 passed by DRP and held that the Assessing Officer stands barred in law from passing any further orders of final assessment pertaining to AY 2009-10 and the Company shall be entitled to all consequential reliefs.

Directors' selection, appointment and tenure:

The Directors of the Company are appointed / re-appointed by the Board on the recommendation of the Nomination and Remuneration Committee and approval of the Shareholders at the General Meeting(s) or through means of Postal Ballot. In accordance with the Articles of Association of the Company and provisions of the Act, two-third of the Directors, except the Independent Directors, of the Company, are liable to retire by rotation at the Annual General Meeting ("AGM") each year and, if eligible, offer their candidature for re-appointment.

The Executive Directors on the Board have been appointed as per the provisions of the Act and serve in accordance with the terms of employment with the Company.

As regards the appointment and tenure of Independent Directors, following is the policy adopted by the Board:

- The Company has adopted the provisions with respect to appointment and tenure of Independent Directors which are consistent with the Act and SEBI Listing Regulations.
- The Nomination and Remuneration Committee ("NRC") of the Company, screens and selects the suitable candidates based on the defined criteria, their qualification, positive attributes, area of expertise, and makes recommendations to the Board on the induction of new Directors. The Board considers the NRC's recommendation and takes an appropriate decision. The appointment of the Director is subject to the Shareholders' and Ministry of Information & Broadcasting's approval.

None of the Independent Director(s) of the Company resigned during the year before the expiry of their tenure.

In compliance with Section 165 of the Act and Regulation 17A of the SEBI Listing Regulations, none of the Directors is a Director of more than 20 (twenty) companies, including 10 (ten) public companies or acts as an independent director in more than 7 (seven) listed companies. Further, in compliance with Regulations 26 of the SEBI Listing Regulations, none of the Directors on the Company's Board are the members of more than 10 (ten) committees and chairperson of more than 5 (five) committees (committees being audit committee and stakeholders' relationship committee) across all the companies in which he/she is a Director. All the Directors have made necessary disclosures regarding committee positions held by them in other companies.

Any person who becomes Director or Key Managerial Personnel shall be covered under the Directors' and Officers' Liability Insurance Policy. The Company has provided insurance cover in respect of legal action against its Directors and Key Managerial Personnel under the Directors' and Officers' Liability Insurance.

Independent Directors

The Independent Directors are the Board members who are required to meet the baseline definition and criteria on 'independence' as set out in Regulation 16 of the SEBI Listing Regulations, Section 149(6) of the Act read with rules and Schedule IV thereto and other applicable regulations. In terms of Regulation 25(8) of the SEBI Listing Regulations, the Independent Directors of the Company have confirmed that they are not aware of any circumstances or situation, which exist or may be

reasonably anticipated, that could impair or impact their ability to discharge their duties.

Accordingly, based on the declarations received from all the Independent Directors, the Board has confirmed that the Independent Directors of the Company fulfill the conditions specified in the Act and the SEBI Listing Regulations and are independent of the management. Further, the Independent Directors have confirmed that they have enrolled themselves in the Independent Directors' Databank maintained by the Indian Institute of Corporate Affairs. As mentioned earlier in this report, the Board includes 4 (four) Independent Directors as on March 31, 2024.

The terms and conditions of the appointment of Independent Directors are available on the Company's website at <https://www.ndtv.com/convergence/ndtv/corporatepage/images/TermsandconditionsofappointmentofIndependentDirectors.pdf>

Board Meetings and Procedure

Meetings Schedule and Agenda

The schedule of the Board meetings and Board Committee meetings are finalised in consultation with the Board members and communicated to them in advance. The Board Calendar for the financial year 2024-25 has been disclosed later in this report.

Additional meetings are called, when necessary, to consider the urgent business matters.

The Audit Committee meetings for deliberation on the financial performance of the Company, are held on the same dates as Board meetings. To ensure an immediate update to the Board, the Chairperson of the respective committee briefs the Board in detail about the proceedings of the respective committee meetings. All committee recommendations placed before the Board during the year under review were unanimously accepted by the Board.

The Board devotes its significant time in evaluation of current and potential strategic issues and reviews the Company's business plans, corporate strategy and risk management issues based on the markets it operates in and in light of global industry trends and developments to help achieve its strategic goals.

The Chief Financial Officer and other Senior Management members are invited to the Board and Committee meetings to present updates on the items being discussed at the meeting.

Availability of information to the Board

The Board has complete and unfettered access to all relevant information within the Company, to the Senior Management and all the auditors of the Company. The Board meetings are governed by a structured agenda. All the major agenda items are backed by a comprehensive background information to enable the Board to take informed decisions. The Company Secretary prepares the detailed agenda for the meetings, in consultation with the Senior Management.

Agenda papers and Notes on Agenda are circulated to the Directors, in advance, in the defined Agenda format. All material information is circulated along with Agenda papers for facilitating meaningful and focused discussions at the meeting. Where it is not practicable to attach any document to the Agenda, the same is presented before the meeting with specific reference to this effect in the Agenda. In special and exceptional circumstances, additional or supplementary item(s) on the Agenda are permitted. In order to transact some urgent business, which may come up after circulation of the agenda papers, the same is placed before the Board by way of a supplementary agenda. Frequent and detailed deliberation on the agenda provides the strategic roadmap for the future growth of the Company.

Minimum 4 (four) pre-scheduled Board meetings are held every year. Apart from the above, additional Board meetings are convened by giving appropriate notice to

address the specific needs of the Company. In case of business exigencies or urgency of matters, resolutions are also passed by way of circulation.

Detailed presentations are made at the Board / Committee meetings covering finance and operations of the Company, terms of reference of the Committees, business environment, all the business areas of the Company including business opportunities, business strategy and the risk management practices before taking on record the quarterly / half yearly / annual financial results of the Company.

The required information as enumerated in Part A of Schedule II to the SEBI Listing Regulations is made available to the Board of Directors for discussions and consideration at every Board Meeting. The Board periodically reviews compliance reports of all laws applicable to the Company as required under Regulation 17(3) of the SEBI Listing Regulations.

The important decisions taken at the Board / Committee meetings are communicated to departments concerned promptly.

During the year under review, Board met 7 (seven) times on:

01	May 01, 2023	02	May 17, 2023	03	July 27, 2023	04	September 20, 2023
05	October 23, 2023	06	December 09, 2023	07	January 30, 2024		

The Board meets at least once in every quarter to review the Company's operations and financial performance. The maximum gap between two meetings is not more than 120 days. The necessary quorum was present in all the meetings.

The attendance of the Board members at the Board Meetings and the Annual General Meeting of the Company held during FY 2023-24, is as follows:

During the year, the Board of Directors accepted all the recommendations of the Committees of the Board, which were statutory in nature and required to be recommended by the Committee and approved by the Board of Directors. Hence, the Company is in compliance with the conditions of Clause 10 (j) of Schedule V of the SEBI Listing Regulations.

Meeting of Independent Directors:

The Independent Directors meet at least once in a year, without the presence of Executive Directors or Management representatives.

The Independent Directors met once during the Financial Year 2023-24, on March 31, 2024. The Independent

Directors inter alia discuss the issues arising out of the Committee Meetings and Board discussion including the quality, quantity and timely flow of information between the Company management and the Board that is necessary for the Board to effectively and reasonably perform its duties.

Statutory Auditors also have an independent access to the members of the Audit Committee to discuss internal audit effectiveness, control environment and their general feedback. The Independent Directors also have access to Secretarial Auditor, Cost Auditor and the management for discussions and questions, if any.

Directors' Induction and Familiarisation

The Board Familiarisation Program comprises of the following:

- Induction Program for Directors including Non-Executive Directors
- Immersion sessions on business and functions; and
- Strategy sessions

All new directors are provided with necessary documents /presentations, reports, and internal policies to enable them to familiarise with the Company's procedures and practices. Periodic presentations are made by the senior executives at the Board and Committee meetings.

Key aspects that are covered in these presentations include:

- Industry / market trends
- Overview of the Company's operations including those of major subsidiaries
- Growth Strategy

During the Financial Year 2023-24, 4 (four) events of Board familiarization program were conducted on May 17, 2023, September 20, 2023, December 9, 2023 and January 30, 2024. Key Codes, Policies and Frameworks

Code of Conduct:

The Board has laid down a Code of Conduct (the "Code") for all the Board Members and Senior Management of the Company. The Code is available on the website of the Company www.ndtv.com. All the Board Members and the Senior Management Personnel have affirmed compliance with the Code. A declaration signed by Whole-time Director to this effect is attached to this report.

Whistle Blower Policy

The Company has adopted a Whistle Blower Policy and has established the necessary vigil mechanism for employees and directors to report concerns about unethical or improper activities and financial irregularities. No person has been denied access to the chairperson of the Audit Committee. The Audit Committee monitors and reviews the investigations of the whistle blower complaints. The said policy is uploaded on the website of the Company at https://www.ndtv.com/convergence/ndtv/corporate/page/images/VigilMechanism_New.pdf

During the year under review, no cases were reported under the whistle blower policy.

Code on prohibition of Insider Trading

In compliance with the SEBI (Prohibition of Insider Trading) Regulations, 2015 ("PIT Regulations"), the Company has formulated the Code of Conduct for Prevention of Insider Trading ("Code") to regulate and monitor trading by Designated Persons ("DPs") and their immediate relatives.

The Code, inter alia, lays down the procedures to be followed by DPs while trading/ dealing in the Company shares and while sharing Unpublished Price Sensitive

Information (UPSI). The Code includes the obligations and responsibilities of DPs, obligation to maintain the structured digital database, mechanism for prevention of insider trading and handling of UPSI, process to familiarise with the sensitivity of UPSI, transactions which are prohibited and manner in which permitted transactions in the securities of the Company shall be carried out etc.

A report on insider trading, covering trading by the DPs and various initiatives/ actions taken by the Company under the PIT Regulations is also placed before the Audit Committee on a quarterly basis.

The Company quarterly circulates the informatory e-mails on Insider Trading Code to the DPs to familiarize them with the provisions of the Code.

Policy on Related Party Transactions

The Company has adopted the Policy on Related Party Transactions ("RPTs") in line with the requirements of the Act and the SEBI Listing Regulations, as amended from time to time, which is available on the website of the Company at https://www.ndtv.com/convergence/ndtv/corporatepage/images/NDTV_Revised_RPT_Policy_wef_1_04_2019.pdf

The Policy intends to ensure that proper reporting, approval, disclosure processes are in place for all transactions between the Company and related parties. This Policy specifically deals with the review and approval of Material RPTs, keeping in mind the potential or actual conflicts of interest that may arise because of entering into these transactions. All RPTs by the Company and RPTs by the subsidiary companies, exceeding their respective standalone turnover, were placed before the Audit Committee for review and prior approval. Prior omnibus approval is obtained for RPTs on a yearly basis, for the transactions which are of repetitive nature and/ or entered in the ordinary course of business and are at arm's length. All RPTs entered during the year were in the ordinary course of business and on an arm's length basis.

The Company had also obtained the prior approval of shareholders for the material RPTs to be entered into during the Financial Year 2024-25.

Risk Management Framework

The Company has established an Enterprise Risk Management ("ERM") framework to optimally identify and manage risks, as well as to address operational, strategic and regulatory risks. In line with the Company's commitment to deliver sustainable value, this framework aims to provide an integrated and organised approach to evaluate and manage risks. Risk assessment monitoring is included in the Company's annual

Internal Audit programme and reviewed by the Audit Committee / Risk Management Committee at regular intervals. In compliance with Regulation 17 and 21 of the SEBI Listing Regulations, the Board of Directors has formulated a Risk Management Policy for framing, implementing and monitoring the risk management plan for the Company.

The Board is periodically updated on the key risks, steps and processes initiated for reducing and, if feasible, eliminating various risks. Business risk evaluation and management is an ongoing process within the Company.

Detailed update on risk management framework has been covered under the risk section, forming a part of the Annual Report.

Policy on Material Subsidiary

The Company has adopted a Policy on Material Subsidiary in line with the requirements of the SEBI Listing Regulations. The objective of this Policy is to lay down criteria for identification and dealing with material subsidiaries and to formulate a governance framework for subsidiaries of the Company. The Policy on Material Subsidiary is available on the website of the Company at https://www.ndtv.com/convergence/ndtv/corporatepage/images/Material_Subsubsidiary_Policy.pdf

Apart from above, the Company has adopted many other mandatory policies, which are available on the Company's website at <https://www.ndtv.com/convergence/ndtv/corporatepage/Policy.aspx>

Management Discussion & Analysis

Global Economic Overview

The global economy demonstrated remarkable resilience in 2023, marked by a steady but slow recovery with regional variations. According to the International Monetary Fund (IMF), the global economy grew at a modest rate of 3.2% in 2023. Despite ongoing geopolitical challenges, including the Russia-Ukraine war, the Israel-Hamas conflict and the Red Sea crisis, global economic growth has decelerated but not halted. Higher inflation, volatility in energy and food markets, higher-for-longer interest rates and sluggish recovery in China have contributed to the moderation in global economic growth.

Global inflation is receding at a faster pace than anticipated. It declined from 8.7% in 2022 to 6.8% in 2023. While headline inflation has sustained a decline from its unprecedented peaks, core inflation has proven to be sticky. The conjunction of tumbling inflation and steadfast growth has raised hopes that the ongoing disinflationary trend may lead to further relaxation of financial conditions. The prospect of decreasing interest rates has prompted an upswing in equity markets, although uncertainty persists regarding the timing of interest rate reductions. Financial market sentiments have been fluctuating, with evolving perspectives on an early pivot by central banks in advanced economies (AEs). Central banks are exercising caution as premature easing of financial conditions could reignite inflationary pressures.

Region-wise growth (%)

(Source: International Monetary Fund)

Economic growth in several emerging markets and developing economies (EMDEs) has exceeded expectations in 2023. The US economy has experienced the strongest recovery among major economies. A tight labour market, rising wages and healthy consumer spending have supported economic growth. The European Union has demonstrated resilience navigating through unprecedented shocks from the prolonged Russia-Ukraine war and higher interest rates. Although its GDP growth contracted from 3.6% in 2022 to 0.1% in 2023, the European Union

managed to avoid the recession in 2023. The slower economic growth recovery in China in 2023 is attributed to a prolonged downturn in the real estate market and subdued demand. China's central banks announced cutting the reserve requirement ratio (RRR) for all banks by 50 basis points (bps) as part of a slew of measures to support the fragile economy. Japan's economic growth is bolstered by pent-up demand, a surge in inbound tourism, accommodative policies and a rebound in auto exports that had earlier been held back by supply chain issues.

Performance of major economies

	GDP Growth 2023	GDP Growth 2022
United States	2.5%	1.9%
China	5.2%	3.0%
United Kingdom	0.1%	4.3%
Japan	1.9%	1.0%
Germany	0.3%	1.8%

Global Outlook

The global economy is expected to sustain its resilience in 2024. The Reserve Bank of India's Monetary Policy Committee (MPC) projects global growth to remain steady in 2024. The IMF forecasts a global growth of 3.2% in both 2024 and 2025. The global economic outlook for 2024 will be impacted by higher interest rates, carrying the risk of a resurgence in inflation due to persistent core inflation and shifts in the anticipated monetary stance. The withdrawal of fiscal support amid high debt levels weighing on economic activity, and low underlying productivity growth, contribute to economic uncertainties. Furthermore, the prolonged Russia-Ukraine conflict has the potential to dampen the overall economic outlook of the European Union. The escalation of the conflict in the Middle East has raised uncertainty as disruptions in the Red Sea route are pushing up logistics costs. Heightened geopolitical unrest could elevate energy and commodity prices, raise the risks of supply disruptions and pose downside risks to the global economy. However, with faster disinflation and steady growth, the possibility of a severe economic downturn has diminished, and risks to global economic expansion are broadly balanced.

Global headline inflation is expected to decrease to 5.9% in 2024 and 4.5% in 2025. Positive factors contributing to the outlook include the stronger-than-expected economic performance of the US and several large emerging markets and developing economies, economic stimulus in China, the resilience of Europe, easing of supply chain bottlenecks, and faster disinflation. Following rapid expansion in 2023, the Asia-Pacific (APAC) region is expected to be the fastest-growing region in the world economy in 2024, driven by robust domestic demand in East Asia and India.

Indian Economic Overview

The Indian economy is shining as a beacon of hope and emerged as a top performer in FY 2023-24 despite the global economic slowdown, higher inflation, elevated

interest rates and setbacks in the export market. It is the fifth-largest economy in the world and is poised to retain its position as the world's fastest-growing major economy. As per the Second Advance Estimates of National Income, 2023-24, India's real GDP is expected to grow by 7.6% in FY 2023-24 as against 7.0% in FY 2022-23, driven by robust domestic demand, moderate inflation, a stable interest rate environment, and strong investment activity. An accelerated pace of economic reforms and increased capital expenditure facilitated construction activities and created extensive employment opportunities across the country. Moreover, India's 2023 G20 presidency has demonstrated India's capability to cater to global needs and provided a platform to address global concerns.

Growth of the Indian Economy

Real GDP growth (%)	9.1	7.0	7.6

(E- Estimates)

(Source: Ministry of Statistics & Programme Implementation)

As per the Second Advance Estimates of National Income, 2023-24, a double-digit growth rate of 10.7% in the Construction sector and an 8.5% growth rate in the Manufacturing sector have contributed to the GDP growth in FY 2023-24. Furthermore, India's Index of Industrial Production (IIP) recorded a growth of 5.9% during April-February in FY 2023-24, an increase from 5.6% in the corresponding period of the previous year. The Electricity sector recorded a growth of 6.9%. The Mining and Manufacturing sectors also recorded a higher growth of 8.2% and 5.4% respectively during the same period.

Gross Direct Tax collections (provisional) for FY 2023-24 stood at ₹ 23.37 lakh crores registering an 18.48% Y-o-Y growth. Net collections amounted to ₹ 19.58 lakh crore, compared to ₹ 16.64 lakh crores in FY 2022-23, representing an increase of 17.70%.

(Source: Ministry of Finance)

The growth in gross value added (GVA) at Basic (2011-12) Prices is pegged at 6.9% in FY 2023-24 as against 6.7% in FY 2022-23. The Real GDP or GDP at Constant (2011-12) Prices in FY 2023-24 is estimated to reach ₹ 172.90 lakh crore, compared to the GDP of ₹ 160.71 lakh crores in FY 2022-23. Furthermore, India's per capita disposable income is expected to reach ₹ 2.14 lakh in FY 2023-24, achieving remarkable growth of 8.0%. Rising levels of disposable income have led to an upswing in household consumption in both urban and rural areas, thereby stimulating demand across various sectors.

Despite a subdued external environment, India's merchandise trade deficit improved by 9.33% to USD 240.17 billion compared to USD 264.90 billion in the previous fiscal year. Total merchandise exports declined by 3.10% to USD 437.06 billion in FY 2023-24 compared to USD 451.07 billion in FY 2022-23. Electronic Goods, Drugs & Pharmaceuticals, Engineering Goods, Iron Ore, Cotton Yarn/Fabric/made-ups, Handloom products, etc. and Ceramic products & glassware were major contributors to export growth.

(Source: Ministry of Commerce & Industry)

A positive trend is observed in CPI inflation, which has been on a downward trajectory and eased to 4.85% in March 2024. According to the Reserve Bank of India (RBI), CPI inflation is estimated at 5.4% for FY 2023-24. The RBI maintains the policy repo rate at 6.50% and stays prepared to implement effective measures to reach the 4% inflation target while supporting economic growth.

India's world-class digital public infrastructure (DPI) and expanded internet access bolstered the adoption of technology nationwide, supporting sustainable development goals. Furthermore, the BharatNet initiative, which aims to bridge the digital divide and strengthen India's digital prowess has been providing access to broadband connectivity to rural regions. So far, 2,10,190 Gram Panchayats are connected through the BharatNet project. Additionally, 9,24,693 Fibre-To-The-Home (FTTH) connections are commissioned and 1,04,675 Wi-Fi hotspots are installed as of March 18, 2024 to ensure last-mile connectivity. The rapid adoption of 5G services is enabling the next phase of growth and transformation in India's digital landscape, aligning with the government's vision to transform the country into a digitally-empowered society and knowledge-based economy.

A conducive domestic policy environment will continue to improve the business environment, promote industrial activity, accelerate manufacturing, create economies of scale, and make India an integral part of the global value chain. 'Make in India' has made significant achievements and is now focussing on 27 sectors under 'Make in India 2.0' to make India a manufacturing hub. India has reported meteoric improvement in Ease of Doing Business and ranked 63rd among 190 countries. As part of the Reducing Compliance Burden exercise, over 3,600 compliances have been decriminalised and more than 41,000 compliances have been reduced to promote Ease of Doing Business and increase competitiveness. Government initiatives aimed at reforming the Foreign Direct Investment (FDI) policy, permitted 100% FDI in most sectors through the automatic route.

Indian Economic Outlook

India's economic outlook remains positive as it reaps the benefits of demographic dividend, physical and digital infrastructure enhancements, increased capital expenditure and the government's proactive policy measures such as Production Linked Incentive (PLI) Schemes. According to the IMF, the Indian economy is expected to advance steadily at 6.8% in 2024 and 6.5% in 2025. However, the RBI's forecast is more optimistic, projecting a higher GDP growth of 7.0% for FY 2024-25. As per the Reserve Bank of India's forecast, CPI inflation is expected to decline to 4.5% in FY 2024-25. However, volatile food prices hinder the trajectory of disinflation and obscure the inflation forecast.

India's economic outlook faces potential risks stemming from headwinds from geopolitical tensions, volatility in international financial markets, and geoeconomic fragmentation. Domestically, weather shocks have the potential to rekindle inflation and trigger further food export restrictions. However, the Indian economy has withstood recent geopolitical upheavals and is well-positioned to navigate forthcoming uncertainties. Its advantageous geopolitical position will help it capitalise on supply chain diversification and reshoring, increase its global competitiveness and boost exports. India is striving to achieve sustainability goals through decarbonisation and leveraging growing investment and trade opportunities through enhanced technology transformation and improved governance to ensure inclusive development.

Interim Budget FY 2024-25

The Interim Budget 2024-25 sets the foundation for the vision of a 'Viksit Bharat' (Developed India) by 2047. It outlines a multi-pronged economic management strategy, including infrastructure development, digital public infrastructure, taxation reforms and proactive inflation management. The government continued with its robust spending on capital expenditure, which grew by 11.1% to ₹ 11.1 lakh crores for FY 2024-25. The primary focus has been on enhancing the country's infrastructure. The implementation of economic railway corridor programmes under the PM GatiShakti scheme is anticipated to bolster connectivity and logistical capabilities. Furthermore, the budget places a strong emphasis on sustainable development, aligning with the target of achieving 'net zero' emissions by 2030. A substantial sum of ₹ 8,500 crores has been earmarked

for the development of solar power grid infrastructure. At the heart of the energy drive in the Interim Budget lies the Pradhan Mantri Suryodaya Yojana (PMSY), aimed at installing rooftop solar power systems in one crore households. This initiative will enable these households to obtain up to 300 units of free electricity each month. These measures will foster the development of a robust ecosystem for renewable energy, marking a significant stride towards sustainable and inclusive growth.

Industry Overview

Global advertising sector overview

The global advertising market size reached USD 647.3 billion in 2023 and is expected to grow at a compound annual growth rate (CAGR) of 4.6% during the year 2024-32, reaching a market size of USD 978.5 billion by 2032. The main types of advertising agencies are TV, print, radio, outdoor, and others.

Global advertising expenditure is estimated to increase by 4.4% in 2023 and is projected to accelerate by 6.9% in 2024 and 4.8% in 2025, reaching nearly USD 1 trillion in advertising spending by 2025. North America is expected to continue to provide the biggest contribution to advertising growth between 2023 and 2025 with advertising expenditure growing USD 53 billion, representing 41% of total advertising spend during the period. Growth in Asia-Pacific is expected to remain strong with a 4.9% increase. Advertising growth in Western Europe is forecasted to grow by 3.5%, and Latin American ad spend is forecast to grow by 4.5%, indicating sustained growth.

Indian advertising sector overview

The Indian advertising market size is estimated to be ₹ 1,135 billion in 2023, reflecting a y-o-y growth of 7%. It is projected to further grow by 10% to reach ₹ 1,252 billion in 2024. However, the growth in the advertising sector lagged the growth of the Indian GDP. The deceleration of India's nominal GDP growth to 9% in 2023, following two years of double-digit increases, had an impact on advertising, which only grew by 7%.

Digital advertising has exceeded traditional methods and is poised to drive sectoral growth going forward. Factors such as the expansion of 5G, increasing per capita income among Indians, and the expanding base of SME advertisers are fuelling expenditures on digital ads. However, trends in traditional print, radio, and cinema advertising also suggest robust growth in the foreseeable future. Advertising is anticipated to maintain a robust

CAGR of 9%, with digital media expanding at 14% and traditional media at 5% by 2026.

Growth drivers:

- Increase in India's per capita income from USD 2,564 in 2024 to ~USD 3,000 by 2025, and reduction of income inequalities due to direct subsidy transfers, employment guarantee schemes, and investment in infrastructure are key factors driving the growth of the advertising sector
- Growth in rural regions, the burgeoning middle-class and evolving consumer aspirations will boost consumption and propel the growth of the advertising sector
- The growing SME advertiser base will increasingly spend on advertising in pursuit of India's USD 5 trillion GDP ambition

Indian television advertising sector overview

Television advertising sector revenue is estimated to grow from ₹ 297 billion in 2023 to ₹ 330 billion in 2026, growing at a CAGR of 3.6%. However, television advertising experienced a 6.5% decline from 2022, due to a slowdown in spending by gaming and Direct-to-Customer (D2C) brands, affecting revenues for premium properties. The Hindi Speaking Market (HSM) also showed signs of weakness, leading to a 3% decline in overall ad volume. Subscription revenue witnessed growth after three consecutive years of decline, driven by price adjustments, despite a decrease of two million pay-TV households. Linear viewership expanded by 2% compared to 2022, while the number of smart TVs connected to the internet reached ~19 to 20 million weekly, up from ~10 million in 2022.

In 2024, television advertising, particularly in news TV, is anticipated to experience a resurgence due to the occurrence of general elections, which historically stimulate advertising expenditure. Additionally, the robust performance of regional channels, where advertising rates remain steady due to sustained demand for local language content, will contribute to the growth. Moreover, increased investments in sports, fuelled by a revival in funding for D2C brands following the general elections, are expected to bolster advertising revenues. Furthermore, brand extensions by large Indian corporations and the launch of international brands will further drive demand for television advertising, as India progresses towards achieving a position among the top three economies globally.

Risk factors impacting the growth of the Indian advertising sector encompass the absence of a new driver sector to offset the decline in advertising revenue from sectors like gaming and crypto. Additionally, the ongoing proliferation of free digital platforms like YouTube poses a threat, especially if recent entertainment content and films become available on these platforms. Moreover, the escalating usage of social media and short video platforms further exacerbates the challenges faced by the sector.

Traditional vs. Digital Advertising Mix

(EY-estimates)

The Indian Media and Entertainment (M&E) sector continued its upward trend, growing at 8.1% to reach ₹ 2.32 trillion in 2023. Despite being 21% higher than its pre-pandemic levels, television, print, and radio remained below their 2019 levels. Although television maintained its status as the largest segment, digital media is expected to surpass it in 2024. The M&E sector is projected to grow at 10.2%, reaching ₹ 2.55 trillion by 2024, and further maintain a CAGR of 10%, reaching ₹ 3.08 trillion by 2026.

Segment Growth 2023 vs. 2022

₹ in billion (gross of taxes) | EY-estimates

(Source: FICCI, EY Report-Reinvent India's media & entertainment sector is innovating for the future March 2024)

Except for television, all segments within the M&E industry experienced growth in 2023. The increase of ₹ 173 billion marked a slowdown compared to the growth of ₹ 371 billion observed in 2022, primarily attributed to challenges in advertising during the first half of the year. New media platforms such as digital and online gaming saw the most substantial growth, accounting for ₹ 122 billion of the total growth. Consequently, their contribution to the M&E sector increased from 20% in 2019 to 38% in 2023. Meanwhile, the share of traditional media (including television, print, filmed entertainment, live events, out-of-home advertising, music, and radio) decreased to 57% of M&E sector revenues in 2023, down from 76% in 2019. Experiential segments, encompassing activities outside the home and interactive platforms sustained robust growth throughout 2023. Consequently, online gaming, filmed entertainment, live events, and out-of-home media segments collectively grew by 18%, contributing 48% to the total growth.

The Indian M&E sector will grow at a CAGR of 10% and add ₹ 763 billion in three years. New media will contribute 61% of this growth, followed by animation and VFX (9%) and television (9%). Considering that video, audio, text and experiences are accessible across almost all segments, the M&E sector is redefining itself across these four verticals: Video – TV, video OTT, short video, social; Experiential – Online gaming, cinemas, events, OOH; Textual – print, online news; and Audio – radio, music, audio OTT.

Video remained the highest-earning segment in 2023, given its simplicity and ease of consumption. Although experiential revenues were affected by the pandemic in 2020 and 2021, they have since recovered, with their share expected to continue expanding in tandem with the growth of India's per capita income. While the decline in print circulation may have led to a permanent loss for text mediums, they are projected to maintain relative stability in terms of advertising and subscription growth, albeit at a slower pace compared to other media. Furthermore, revenue models for audio platforms remain largely supported by digital advertising.

Indian digital media sector overview

India recorded 1.19 billion telecom subscriptions, reflecting a stable digital infrastructure landscape. Although 5G proliferated, with 130 million subscriptions, 4G continues to dominate the market. Connected TV saw a 50% growth as internet penetration continues to rise. The broadband market is also expanding with subscriptions numbers recording 904 million. The proliferation of smartphone users has inevitably led to an increase in average usage time. Despite a high volume of app downloads reaching 26.4 billion, India has not fully leveraged this potential, with users spending half of their time on social media apps. Video viewership progressed, while content platforms are increasingly focussing on localisation, particularly in popular genres such as drama, action and thrillers. Enhanced digital engagement led to different patterns in content consumption and advertising. In 2023, digital advertising spending surged by 15%, primarily driven by search and social media platforms. By 2026, the digital segment is projected to expand to ₹ 955 billion, representing a CAGR of 13.5%.

Digital advertising is poised to grow at a CAGR of 13.5%, reaching ₹ 842 billion, buoyed by enhanced governance measures. Within this, SME and long-tail advertising, encompassed in the aforementioned figure, are projected to increase from ₹ 208 billion in 2023 to ₹ 304 billion by 2026. E-commerce advertising is expected to demonstrate the fastest growth, reaching ₹ 150 billion by 2026, while advertising on entertainment and sports on OTT platforms is forecasted to range between ₹ 80 - ₹ 90 billion. However, news OTT and music ad revenues are anticipated to face challenges unless they cultivate a loyal, app-based audience. Subscription revenues are estimated to grow at a CAGR of 13%, reaching ₹ 114 billion in 2026, influenced by the emphasis on ad-supported platforms. The number of paid video subscriptions is projected to rise to 138 million across 65 million households by 2026. Additionally, music subscriptions are expected to double to ~15 million by 2026, with a shift in content mix towards tentpole properties and low-cost content.

Budgetary allocations

- The government's emphasis on infrastructure development with an 11.1% increase in capital expenditure to ₹ 11.1 lakh crores and an allocation of ₹ 80,671 crores for Pradhan Mantri Awas Yojana (PMAY) in the Interim Budget 2024-25, will not only expand the housing and other real estate segments but also facilitate the development of modern infrastructure, including digital infrastructure. This initiative will create new opportunities for the media and entertainment sector.
- The government's focus on 'Yuva' and 'Mahila', along with going deeper into the country through the aspirational district programme, Udaan, etc. has the potential to boost the M&E sector and generate employment within it.
- The proposal of a corpus of ₹ 1 lakh crores 50-year interest-free loan will boost private investment in sunrise technologies and create unprecedented opportunities for innovation and employment in the M&E sector. This initiative will encourage the industry to leverage Deep Tech such as AI to catalyse growth.

With the economy expected to grow at a solid pace of 6.5-7% next fiscal year, advertising spending is anticipated to rise across industries.

Company Overview

Established in 1988, New Delhi Television Limited ("NDTV"), is a pioneering news television and digital journalism company in India. It is a subsidiary of AMG Media Networks Limited, an Adani Group company.

Media and entertainment business

The Company's channels, including NDTV 24x7 (English), NDTV India (Hindi), and NDTV Profit (Business) uphold the highest standards of journalism through innovative programming and unwavering integrity.

Combining insight and innovation, the channels focus on delivering credible, true, and fast news to the global Indian community. NDTV 24x7 is the sole English News Channel from India broadcasted in the UK, USA, Canada, South Africa, Middle East, Australia, New Zealand, Mauritius and the majority of the SAARC countries, ensuring outreach to the Indian Diaspora worldwide.

NDTV has launched new regional channels viz. 'NDTV Madhya Pradesh & Chhattisgarh' and 'NDTV Rajasthan' and has also re-launched its business channel 'NDTV Profit' during the financial year 2023-24. Additionally, 'NDTV Marathi' is launched on May 1, 2024. NDTV has further expanded its global footprint with the introduction of the NDTV World page that caters to the global audience.

Outlook

The prospects of NDTV seem promising, fuelled by strategic initiatives and investments tailored to the evolving media landscape. The focus on digital-first content and a robust digital strategy primes NDTV to leverage the increasing trend of digital consumption. With projections indicating growth in Unique Viewers (UVs) to 311 million by 2028, NDTV is poised for an expanded digital audience base. The Company's international expansion further solidifies its commitment to catering to a global audience. Recognitions through awards underscore the quality of NDTV's content and its unwavering commitment to journalistic excellence. Technological advancements provide NDTV with an edge to swiftly adapt to changing consumer preferences and emerging media trends.

Strategic initiatives such as hiring prominent figures, global content creation, and enhancing on-screen presence position NDTV as a market leader. The steadfast emphasis on perception, credibility, and trust cements NDTV's reputation in the industry. Its ambitious targets for market rankings within specific timeframes demonstrate a clear strategy for impactful market penetration and reporting excellence. Marketing efforts

aimed at enhancing on-screen aesthetics and brand image contribute to immediate visibility and recognition. NDTV's adaptive approach to business, including portfolio expansion, digital innovation, and talent acquisition, ensures readiness to navigate future industry dynamics seamlessly.

Key Strengths

- **Technological Prowess:** NDTV's strength lies in its ability to directly engage with viewers through television and digital content. Advanced digital analytics offer real-time feedback on viewer preferences, influencing content selection. Ongoing innovation by both technical and editorial teams enhances competitiveness.
- **Strategic Investments:** NDTV strategically invests in digital equipment to enhance capacity and workflow efficiency, supported by long-term contracts. Investments in equipment compatible with 4G and 5G networks future-proof the Company's operations.
- **Digital Infrastructure:** Leveraging Amazon Web Services enables scalable virtual servers and storage solutions. Utilisation of Akamai and other CDN services ensures rapid access to multimedia content across various locations. The integration of AWS with CDN services enhances scalability, flexibility, and overall performance.
- **Future-Readiness:** AI technologies hold the potential to assist journalists in various tasks such as writing articles, transcribing interviews, and detecting misinformation. NDTV is exploring the potential of AI and machine learning applications in collaboration with news media.

Brands and Segments

Other than its flagship channels NDTV 24x7 and NDTV India in English and Hindi, NDTV runs vibrant and fast-growing digital platforms for its consumers through www.ndtv.com and www.ndtv.in in English and Hindi, respectively. NDTV has further expanded its global footprint with the introduction of the NDTV World page that caters to the global audience. NDTV digital experienced robust growth in traffic with total site visits for NDTV Group and page views increased by 32% each. NDTV's YouTube channels in English and Hindi have a combined subscriber base of 32.25 million.

NDTV has launched new regional channels viz. 'NDTV Madhya Pradesh & Chhattisgarh' and 'NDTV Rajasthan' and has also re-launched its business channel 'NDTV Profit' during the financial year 2023-24. 'NDTV Marathi' was also launched on May 1, 2024. Additionally, there

are special interest verticals on digital platforms in the areas of Business, Technology, Food, Movies, Sports, Health, and Lifestyle for the Company.

In order to expand its offering and bring new audiences to its platforms, the Company will continue to invest in offering Business News TV and expand in regional languages to leverage the strength of the brand and business acumen.

NDTV Convergence Limited ("Convergence")

During the year, the Group's digital arm, NDTV Convergence declared a Net Profit of ₹ 15 million.

The total income from operations of the Company decreased by 22.11% to ₹ 1,578.29 million as compared to the total income of ₹ 2,026.35 million during the previous year.

Convergence, on account of its credibility in the digital news space was chosen to be part of the Google News Initiative to build a trust index to drive and support responsible content creation that can be trusted by users, which was rolled out in June 2023. NDTV has also partnered with Single Id technology provider Enigmatic Smile to launch a one-of-a-kind NDTV Big Bonus property, India's first ever card-linked-offer App. NDTV has been acknowledged and given accolades as their founding user-facing partner in India.

Human Resources

NDTV recognises the pivotal role of its workforce as the source of its competitive advantage. The Company values its employees and acknowledges their diverse experiences across various sectors and industries, as well as their specialised technological knowledge and expertise. NDTV's HR philosophy is firmly grounded in a commitment to innovation and progress, constantly challenging traditional norms to maintain its competitiveness in the industry. The Company consistently makes employee-centric decisions that prioritise the professional and personal aspirations of its workforce. NDTV promotes a healthy work-life balance, fosters a sense of pride and belonging among its employees, and supports their growth and development.

The NDTV Human Resources effort this year ensured:

1. The health and safety of every employee;
2. Medical attention and supervision for all employees;
3. Maintaining world-class practices including highly specialised deep cleaning of all studios and office spaces;
4. Crèche facility at the office with trained attendants.

On March 31, 2024, there were 671 employees on the rolls of the Company.

Risk Management and Mitigation

The Board diligently employs risk management processes, reinforced by internal controls, to ensure that the Company achieves its strategic objectives and remains safeguarded against unforeseen circumstances.

At NDTV, the focus is on becoming a sustainable business entity by acknowledging potential risks and establishing robust risk management policies. The effectiveness of the Company's strategy directly correlates with its ability to withstand unforeseen incidents. Consistency is a key aspect of the risk management approach, prioritising long-term business sustainability over short-term profitability in the corporate strategy. This ensures a clear understanding of feasible and non-feasible actions within the operational framework of the Company, involving all stakeholders.

The Company confirms that there is an extensive risk management framework in place including policy, procedures and evaluation methods to help the Company review organisational risks. The thoroughness

of the process has improved corporate sustainability. Hence, risk management plays an important part of corporate management in the distant future.

Areas of special attention for Risk Mitigation

1. **Core IT operations** – The two primary services provided are email and Intranet applications:
 - a. NDTV email is hosted and run on the cloud via Microsoft and there is no risk of outage other than those covered under standard SLA by Microsoft.
 - b. NDTV intranet servers are regularly and on schedule backed up at Veeam backup solution on LTO tapes & HOT DR disaster recovery has been implemented to mitigate any possible risk associated with physical servers on-premises.
2. **Broadcast television** – Entire operations are managed and run in-house, inclusive of Studio, PCR and Transmission.

In order to mitigate any risk of outage of TV channels following is the plan for business continuity:

- a. **Teleport:** The entire equipment chain is built in a manner that 1:1 redundancy is ensured, which means there is one chain for use and another entire equipment chain for backup. It also provides backup for teleport. Furthermore, the Company has multiple levels of power backup. Two DG sets of 1.5 MW & 0.750 MW serve as main and backup to each other in case of any electricity failures in supply. Then the next level of backup in case these DG sets also fail, is in the form of UPS that can provide support up to 1 hour for safe power to all Studio/PCR equipment. This UPS again has main and backup in terms of battery bank. In addition, NDTV has tied up with Indo-Teleport as Disaster Recovery Site (a backup site that has the licence and facility to carry out the transmission of NDTV Channels) which could be brought up within short notice of 6–12 hours in case of any natural calamity such as earthquake, flood or fire where NDTV's facilities cannot provide back-up for transmission. Recorded programmes can be played on the channel till the entire setup resumes and the processes for this are in place.
- b. **Studio/PCR:** The Company operates five fully functional studios in Delhi, each serving a specific channel: NDTV 24x7, NDTV India, NDTV MPCG, and NDTV Rajasthan. Additionally, the fifth studio, equipped with a PCR

facility, functions as a backup for any of the channels when necessary. This studio is also utilised for recording large-scale events and audience-based shows due to its extensive size.

The Company also has three functional studios in Mumbai, each serving a specific channel: NDTV Profit and NDTV Marathi. Additionally, the third studio, equipped with a PCR facility, functions as a backup for any of the channels when necessary.

In the event of a failure at the physical location, recorded shows can be seamlessly played out while the studio and PCR facility are rebuilt from scratch at a predetermined location. The Company has trained its editorial, production, and technology teams to efficiently handle this process within a 24-48 hour timeframe. To facilitate this, the Company has identified several alternative locations, including those where telethons have been conducted in the past. These locations have already served as successful backup sites during the COVID period.

3. **Digital arm of the Company** – Both the content management system and the user-facing websites are hosted on Amazon AWS cloud, which mitigates the risk of non-availability of the site. Further Akamai's CDN services are used to handle any huge traffic surges, ensuring uninterrupted access to the Company's digital platforms.

26. Overview of the entity's material responsible business conduct issues

Please indicate material responsible business conduct and sustainability issues pertaining to environmental and social matters that present a risk or an opportunity to your business, rationale for identifying the same, approach to adapt or mitigate the risk along-with its financial implications, as per the following format

S. No.	Material issue identified	Indicate whether risk or opportunity (R/O)	Rationale for identifying the risk/ opportunity	In case of risk, approach to adapt or mitigate	Financial implications of the risk or opportunity (Indicate positive or negative implications)
1	Financial prudence	Risk	Failure to identify potential financial risks and challenges could impact the company's long-term sustainability.	<ul style="list-style-type: none"> The Management ensures that expenses are dynamic and mapped to revenue on a quarterly basis. Cash flow is scrutinized every month. Sales targets versus actuals are measured on a monthly basis. Expenses are sanctioned and incurred on the basis of the above reviews. 	Negative
2	Large advertising deals	Risk	Large advertising deals often involve working with a limited number of major clients or brands. Advertising budgets can be sensitive to changes in the overall economy or specific industry trends. The media industry is highly competitive, and media companies must continually adapt to changing market dynamics. Large advertising deals may be subject to renegotiation or non-renewal as market conditions evolve.	<ul style="list-style-type: none"> Annual advertising deals for flagship programs guarantee that a portion of the Company's annual income is ensured at the beginning of the financial year. Large campaigns focusing on societal issues and public awareness that set NDTV apart from other broadcasters are renewed annually to ensure continuity of revenue. Flagship news events are highlighted for special Sales deals and are monetized as such. The Company sells digital plus tv together to ensure maximum leverage in a crowded market and its Social Media strength is fast emerging as a USP. 	Negative
3	Safety of Employees	Risk	Failure to ensure the health, safety and well-being of the employees of the Company can impact productivity. This can consequently affect our business operations, customer satisfaction and profitability	<ul style="list-style-type: none"> Regular reviews are held, including by Internal Auditors, to ensure the Company is compliant with all regulations applicable to employees. A creche is operated on the premises of the Company to help working mothers. It is staffed with a doctor and trained attendants. Shuttle services are provided at early and late hours to ensure women commute safely in Company-supervised transport. Two doctors monitor all employees who are sick, and a daily report is generated on this and reviewed by Management and concerned HODs. Offices are thoroughly sanitized and cleaned so as to ensure the well-being of the employees. 	Negative

S. No.	Material issue identified	Indicate whether risk or opportunity (R/O)	Rationale for identifying the risk/ opportunity	In case of risk, approach to adapt or mitigate	Financial implications of the risk or opportunity (Indicate positive or negative implications)
4	Cyber security	Risk	<p>Cyber security risks encompass the potential for unauthorized access, breaches, or theft of sensitive information, including customer data, intellectual property, or financial records.</p> <p>There is a need to take proactive cybersecurity measures, risk management, and continuous monitoring to safeguard sensitive data, protect operations, comply with regulations, and maintain stakeholder trust.</p>	<ul style="list-style-type: none"> The NDTV network is shielded from the outside world via Sonicwall firewall with best practice policies. Desktop/laptop communication on the network is protected via best-in-class Cisco Umbrella end-point security. All computers, including Servers on the network also have McAfee EDR (Endpoint detection and response) protection with real-time threat detection. Employees can access NDTV's internal network from home through Sonicwall's VPN (virtual private network). VPN is enabled with MFA (Multifactor authentication). NDTV's email is hosted on Microsoft Office 365 cloud services and also protected with MFA. We also have provision of auto-patching any security updates which are rolled out by Microsoft Windows Security System. Entire finance system has also been migrated to the Oracle Cloud, which is one of the safest systems from Cyber security / threat point of view. 	Negative
5	Technology	Risk	<p>Technology risk involves potential for any technology failure to disrupt a business. This cyber risk can come in many forms, including inefficiencies, theft, and malware. However, the primary threats revolve around software architecture, tooling, and delivery and maintenance.</p>	<p>Core IT Operations</p> <ul style="list-style-type: none"> NDTV email is hosted and run on the cloud via Microsoft and there is no risk of outage other than those covered under standard SLA by Microsoft. NDTV intranet servers are regularly and on schedule backed up at Veeam backup solution on LTO tapes & HOT DR disaster recovery has been implemented to mitigate any possible risk associated with physical servers on-premises. <p>Broadcast Television</p> <ul style="list-style-type: none"> Entire operations are managed and run in-house, inclusive of Studio, PCR & Transmission. <p>Digitalization</p> <ul style="list-style-type: none"> Both the content management system and the user facing websites are hosted on Amazon AWS cloud, which mitigate the risk of non-availability of the site. 	Negative

S. No.	Material issue identified	Indicate whether risk or opportunity (R/O)	Rationale for identifying the risk/ opportunity	In case of risk, approach to adapt or mitigate	Financial implications of the risk or opportunity (Indicate positive or negative implications)
6	Compliance and Governance	Risk	Regulatory compliance and good corporate governance practices form the foundation of our Company and non-compliance in any form can severally impact our business, brand name as well as credibility.	The Company has a team of professionals who regularly review the applicable laws and regulations, keeps track of the regulatory changes applicable on the Company and ensure timely compliances by monitoring the same through a compliance management tool.	Negative
7	Digital Media Consumption	Opportunity	With the increasing penetration of smartphones, affordable internet connectivity, and changing consumer preferences, there has been a significant shift towards digital media consumption. This presents an opportunity for the Company to expand its digital platforms, engage with a wider audience, and deliver content through innovative digital channels. By leveraging this opportunity, the Company can enhance its reach, brand visibility, and revenue streams.	NA	Positive
8	Training and Development	Opportunity	Equipping Company workforce with the requisite technical and behavioural skills, through regular training, helps the Company raise the bar on quality of its offering and become increasing future-ready.	NA	Positive

Independent Limited Assurance Statement to New Delhi Television Limited on their Business Responsibility and Sustainability Report FY2023-24

To the Management of
New Delhi Television Limited,
New Delhi, India

Introduction

Intertek India Private Limited ("Intertek") was engaged by New Delhi Television Limited ("NDTV") to provide an independent limited assurance on its BRSR (Business Responsibility & Sustainability Report) for FY2023-24 ("the Report"). The scope of the Report comprises the reporting periods of FY2023-24. The Report is prepared by NDTV based on SEBI's (Securities and Exchange Board of India) BRSR guidelines. The assurance was performed in accordance with the requirements of International Federation of Accountants (IFAC) International Standard on Assurance Engagements (ISAE) 3000 (Revised), Assurance Engagements Other than Audits or Reviews of Historical Financial Information.

Objective

The objectives of this limited assurance exercise were, by review of objective evidence, to confirm whether any evidence existed that the sustainability related disclosures, as declared in the Report, were not accurate, complete, consistent, transparent and free of material error or omission in accordance with the criteria outlined below.

Intended Users

This Assurance Statement is intended to be a part of the Annual Report of NDTV.

Responsibilities

The management of NDTV is solely responsible for the development of the Report and its presentation. Management is also responsible for the design, implementation and maintenance of internal controls relevant to the preparation of the Report so that it is free from material misstatement, whether due to fraud or error.

Intertek's responsibility, as agreed with the management of NDTV, is to provide assurance and express an opinion on the data and assertions in the Report based on our verification following the assurance scope and criteria given below. Intertek does not accept or assume any responsibility for any other purpose or to any other person or organization. This document represents Intertek's independent and balanced opinion on the content and accuracy of the information and data held within.

Assurance Scope

The assurance has been provided for selected sustainability performance disclosures presented by NDTV in its Report. The assurance boundary included data and information for the operations in Archana and W-17 sites of NDTV in accordance with SEBI's BRSR guidelines. Our scope of assurance included verification of data and information on selected disclosures reported as summarized in the table below:

Section A: General Disclosures

- Total number of permanent and other than permanent employees
- Total number of female employees.
- Total number of differently abled employees (permanent and other than permanent)
- Turnover rate for permanent employees.
- Corporate Social Responsibility (CSR) Details (Total Expenditure)

Principle 3 (Businesses should respect and promote the well-being of all employees, including those in their value chains)

- Number and percentage of employees covered under health insurance, accident insurance, maternity benefits, paternity benefits, and day care facilities.
- No. of employees covered as a percentage of total employees under the benefits of Provident Funds (PF), Gratuity and Employee State Insurance (ESI)
- Return to work and retention rates of permanent employees that took parental leave.
- Performance and career development reviews of employees.
- Safety data (fatalities, loss time injuries and recordable work-related injuries).
- Number of complaints made by employees on working conditions and Health and Safety.
- Number and percentage of employees covered under training on health and safety related measures and skill upgradation.

Principle 5: Businesses should respect and promote human rights

- Number and percentage of employees covered under training on human rights policy and issues.
- Minimum wage paid to employees, percentage of plants assessed for child labour, forced labour, sexual harassment, discrimination at workplace and wages.

Principle 6 (Businesses should respect and make efforts to protect and restore the environment)

- Total energy consumption and energy intensity
- Total water withdrawn and consumption.

Assurance Criteria

Intertek conducted the assurance work in accordance with requirements of 'Limited Assurance' procedures as per the following standard:

- International Standard on Assurance Engagements (ISAE) 3000 (revised) for 'Assurance Engagements other than Audits or Reviews of Historical Financial Information'.

A limited assurance engagement comprises of limited depth of evidence gathering including inquiry and analytical procedures and limited sampling as per professional judgement of assurance provider. A materiality threshold level of 10% was applied. Assessment of compliance and materiality was undertaken against the stated calculation methodology and criteria.

Methodology

Intertek performed assurance work using risk-based approach to obtain the information, explanations and evidence that was considered necessary to provide a limited level of assurance. The assurance was conducted by desk review & stakeholder interviews with regard to the reporting and supporting records for the fiscal year 2024. Our assurance task was planned and carried out during Feb-May 2024. The assessment included the following:

For Intertek India Pvt. Ltd.

Sumit Chowdhury, Verifier
Senior Manager-Sustainability

Elizabeth Mielbrecht, Reviewer
Project Director

May 22, 2024

No member of the verification team (stated above) has a business relationship with New Delhi Television Ltd. stakeholders beyond that is required of this assignment. No form of bribe has been accepted before, throughout and after performing the verification. The verification team has not been intimidated to agree to do this work, change and/or alter the results of the verification. The verification team has not participated in any form of nepotism, self-dealing and/or tampering. If any concerns or conflicts were identified, appropriate mitigation measures were put in place, documented and presented with the final report. The process followed during the verification is based on the principles of impartiality, evidence, fair presentation and documentation. The documentation received.

- Review of the Report that it was prepared in accordance with the SEBI's BRSR guidelines.
- Review of processes and systems used to gather and consolidate data.
- Examined and reviewed documents, data and other information made available digitally.
- Conducted virtual interviews with key personnel responsible for data management.
- Assessment of appropriateness of various assumptions, estimations and thresholds used by NDTV for data analysis.
- Review of BRSR disclosures on sample basis for the duration from April 1, 2023 to March 31, 2024 for NDTV was carried out remotely.
- Appropriate documentary evidence was obtained to support our conclusions on the information and data reviewed.

Conclusions

Intertek reviewed selected BRSR disclosures provided by NDTV in its Report. Based on the data and information provided by NDTV, Intertek concludes with limited assurance that there is no evidence that the sustainability data and information presented in the Report is not materially correct. The report provides a fair representation of BRSR disclosures and is in accordance with the SEBI's BRSR guidelines to the best of our knowledge.

Intertek's Competence and Independence

Intertek is a global provider of assurance services with a presence in more than 100 countries employing approximately 43,500 people. Intertek maintains complete impartiality towards any people interviewed.

Independent Auditor's Report

To the Members of New Delhi Television Limited

Report on the Audit of the Standalone Financial Statements

Opinion

We have audited the accompanying standalone financial statements of **New Delhi Television Limited** ("the Company"), which comprise the Balance Sheet as at March 31, 2024, and the Statement of Profit and Loss (including Other Comprehensive Income), Statement of Changes in Equity and Statement of Cash Flows for the year then ended, and notes to the standalone financial statements, including a summary of material accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under Section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2024, and its loss and total comprehensive loss, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under Section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("the ICAI") together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

Sr. No.	Key audit matters	How our audit addressed the key audit matter
1.	<p>Litigation with Enforcement Directorate</p> <p>See note 35 to the standalone financial statements.</p> <p>During the year ended March 31, 2016, the Company and its certain executive directors had received a show cause notice from Directorate of Enforcement ('ED') on account of certain contraventions under the Foreign Exchange Management Act, 1999 ("FEMA") and regulations made thereunder in respect of investments in Indian subsidiaries made by overseas subsidiaries of the Company. Based on the legal advice obtained from an external firm of lawyers, the Company had filed a compounding application with the Reserve Bank of India ('RBI') in respect of alleged contraventions and further filed writ petition before the Bombay High Court since RBI refused to consider the Company's compounding application. Provision for ₹ 74 million was recognised on account of compounding fee during the year ended March 31, 2017.</p>	<p>In view of the significance of the matter we applied the following audit procedures in this area, among others to obtain sufficient appropriate audit evidence:</p> <ul style="list-style-type: none"> Obtaining and inspecting the board minutes, correspondence with regulators and confirmations from the Company's legal counsel and enquiring with the Company's legal team to understand the status and potential updates on these matters. Involving our specialists for assessing the possible outcome of the matters and challenging the assumptions used in estimation of the provision for compounding fee based on their knowledge and experience of the application of local legislation by the relevant authorities and courts.

During the year ended March 31, 2019, the Company and its certain executive directors had received another show cause notice from Directorate of Enforcement ('ED') on additional matters in respect of the above investments in Indian subsidiaries made by overseas subsidiaries of the Company. Based on the legal advice obtained from an external firm of lawyers, the Company will be filing a compounding application with the RBI in respect of additional alleged contraventions based on the outcome of primary matter and a provision for ₹ 40 million was recognised on account of estimated compounding fee during the previous years.

We have identified the above as key audit matter because of the significance of the amounts, significant judgment and estimation involved in assessing the outcome of the matters and the related amount of outflow required for settlement as at March 31, 2024.

2. Assessment of the provision arising from ongoing tax litigations

See note 35 to the standalone financial statements.

The Company is subject to a number of ongoing litigations with direct tax authorities involving significant amounts. These direct tax litigations are at various stages, ranging from preliminary discussions with tax authorities through to tax tribunal or court proceedings and resolution of these matters can take extended time. There is inherent uncertainty and significant judgment involved in assessing the outcome and consequentially whether or not any provision and / or disclosures are required for these tax matters.

In view of the above we have identified ongoing tax litigations as a key audit matter.

- Assessing the adequacy of the provision recognised for these litigations.
- Assessing the adequacy of the disclosures for provision recognised and contingent liability in the standalone financial statements as per the relevant accounting standards in particular the disclosure of the estimation of uncertainty.

In view of the significance of the matter we applied the following audit procedures in this area, among others to obtain sufficient appropriate audit evidence:

- Understanding judgments and estimates made by the Company with respect to direct tax litigation.
- Involving our tax specialists for evaluating the Company's assessment of the possible outcome of the matters and analysing and challenging the assumptions used in estimation of tax provisions based on their knowledge and experiences of the application of local legislation by the relevant authorities and courts.
- Assessing the adequacy of provision for ongoing direct tax litigations where required.
- Assessing the adequacy of the Company's disclosures in respect of ongoing direct tax litigations as per the relevant accounting standards.

Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Business Responsibility and Sustainability Report, Corporate Governance and Shareholder's Information, but does not include the consolidated financial statements, Standalone Financial Statements and our auditor's report thereon.

Our opinion on the Standalone Financial Statements does not cover the other information and we do not express any form of assurance conclusion thereon. In connection with our audit of the Standalone Financial Statements, our responsibility is to read the other

information and, in doing so, consider whether the other information is materially inconsistent with the Standalone Financial Statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the financial

position, financial performance, total comprehensive income, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards specified under Section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, the management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain

audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system with reference to standalone financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of Section 143 of the Act, we give in the Annexure A, a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
 - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - (c) The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, Statement of Changes in Equity and the Statement of Cash Flows dealt with by this Report are in agreement with the books of account.
 - (d) In our opinion, the aforesaid standalone financial statements comply with the Indian Accounting Standards specified under Section 133 of the Act.
 - (e) On the basis of the written representations received from the directors as on March 31, 2024 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2024 from being appointed as a director in terms of Section 164(2) of the Act.
 - (f) With respect to the adequacy of the internal financial controls with reference to standalone financial statements of the Company and the

operating effectiveness of such controls, refer to our separate Report in Annexure B.

- (g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of Section 197(16) of the Act, as amended, in our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of Section 197 of the Act.
- (h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company has disclosed the impact of pending litigations on its financial position in its standalone financial statements – Refer Note 35 to the standalone financial statements.
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.
 - iv. (a) The management has represented that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other persons or entities, including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.

- (b) The management has represented that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been received by the Company from any persons or entities, including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
- (c) Based on the audit procedures that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material misstatement.
- v. The Company has not declared or paid any dividend during the year and has not proposed final dividend for the year.
- vi. Based on our examination which included test checks, the Company has used accounting softwares for maintaining its

books of account for the financial year ended March 31, 2024 which has a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the softwares. Further, during the course of our audit we did not come across any instance of audit trail feature being tampered with.

As proviso to Rule 3(1) of the Companies (Accounts) Rules, 2014, as amended is applicable for the Company only with effect from April 01, 2023, therefore, reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014, as amended, on preservation of audit trail as per the statutory requirements for record retention is not applicable for financial year ended March 31, 2024.

to the Independent Auditor's Report

(Referred to in paragraph 1 under 'Report on Other Legal and Regulatory Requirements' section of the Independent Auditor's Report of even date to the members of **New Delhi Television Limited** on the standalone financial statements as of and for the year ended March 31, 2024)

- (i) (a) (A) The Company has maintained proper records showing full particulars, including quantitative details and situation of property, plant and equipment.
- (B) The Company has maintained proper records showing full particulars of intangible assets.
- (b) The Company has a regular program of physical verification of its property, plant and equipment under which property, plant and equipment are verified in a phased manner over a period of three years, which, in our opinion, is reasonable having regard to the size of the Company and the nature of its assets. In accordance with this program, certain property, plant and equipment were verified during the year and according to the information and explanations given to us, no material discrepancies were noticed on such verification.
- (c) According to the information and explanations given to us and based on the examination of the registered sale deed / transfer deed / conveyance deed provided to us, we report that, the title deeds of all the immovable properties (which are included under the head 'Property, plant and equipment' and 'Investment property') (other than properties where the Company is the lessee and the lease agreements are duly executed in favour of the lessee) are held in the name of the Company. However, original title deeds of the buildings, with gross carrying amount and net carrying amount of ₹ 55.39 million and ₹ 38.58 million respectively, could not be made available for our verification, which we have verified from the copy of title deeds certified by the Registrar.
- (d) The Company has not revalued its property, plant and equipment (including right-of-use assets) and intangible assets during the year, being under cost model. Accordingly, the provisions of clause 3(i)(d) of the Order are not applicable.
- (e) There are no proceedings which have been initiated or are pending against the Company for holding benami property under the Benami

Transactions (Prohibition) Act, 1988 (45 of 1988) (as amended in 2016) and Rules made thereunder.

- (ii) (a) According to the information and explanations given to us, the Company does not have any inventory. Accordingly, the provisions of clause 3(ii)(a) of the Order are not applicable.
- (b) According to the information and explanations given to us, during the year, the Company has not been sanctioned any working capital, from banks or financial institutions on the basis of security of current assets. Accordingly, the provisions of clause 3(ii)(b) of the Order are not applicable.
- (iii) According to the information and explanations given to us, during the year, the Company has not made investments in, provided any guarantee or security or granted any loans or advances in the nature of loans, secured or unsecured to companies, firms, Limited Liability Partnerships (LLPs) or any other parties. Accordingly, the provisions of clause 3(iii)(a) to (f) of the Order are not applicable.
- (iv) According to the information and explanations given to us, the Company has not entered into any transaction covered under Section 185. However, in our opinion, the Company has complied with the provision of Section 186 of the Act in respect investment, guarantee and security, the Company has not granted any loans covered under Section 186 of the Act.
- (v) According to the information and explanations given to us, the Company has neither accepted any deposits nor the amounts which are deemed to be deposits during the year and further the Company had no unclaimed deposits at the beginning of the year within the meaning of Sections 73 to 76 of the Act and the Companies (Acceptance of Deposits) Rules, 2014 (as amended). Accordingly, the provisions of clause 3(v) of the Order are not applicable.
- (vi) The maintenance of cost records has been specified by the Central Government under Section 148(1) of the Companies Act, 2013 in respect of Company's products/ services. We have broadly reviewed the books of account maintained by the Company pursuant to the Companies (Cost Records and Audit) Rules, 2014, as amended, prescribed by the Central Government for the maintenance of cost records under sub-section (1) of Section 148 of the Act in respect of Company's products/services and are of the opinion that, prima facie, the prescribed accounts and records have been made and maintained by the Company. However, we have not made a detailed examination of the cost records with a view to determine whether they are accurate or complete.

- (vii) (a) In our opinion and according to the information and explanations given to us, the Company is regular in depositing undisputed statutory dues including goods and services tax, provident fund, employees' state insurance, income-tax, duty of customs, cess and other material statutory dues, as applicable, to the appropriate authorities. Further, no undisputed amounts payable in respect thereof were outstanding at the year-end for a period of more than six months from the date they become payable.
- (b) According to the information and explanations given to us, there are no statutory dues referred to in sub-clause (a) that have not been deposited with the appropriate authorities on account of any dispute except for the following cases:

Annexure B

to the Independent Auditor's Report

(Referred to in paragraph 2(f) under 'Report on Other Legal and Regulatory Requirements' section of the Independent Auditor's Report of even date to the members of **New Delhi Television Limited** on the standalone financial statements as of and for the year ended March 31, 2024)

Independent Auditor's report on the Internal Financial Controls under Clause (i) of sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls with reference to standalone financial statements of **New Delhi Television Limited** ("the Company") as of March 31, 2024 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal financial control with reference to standalone financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the 'Guidance Note') issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of the Company's business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls with reference to standalone financial statements based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by the Institute of Chartered Accountants of India ("the ICAI") and deemed to be prescribed under Section 143(10) of the Act, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the ICAI. Those Standards and the

Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to standalone financial statements were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system with reference to standalone financial statements and their operating effectiveness. Our audit of internal financial controls with reference to standalone financial statements included obtaining an understanding of internal financial controls with reference to standalone financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the standalone financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system with reference to standalone financial statements.

Meaning of Internal Financial Controls with reference to Standalone Financial Statements

A Company's internal financial controls with reference to standalone financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of standalone financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial controls with reference to standalone financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of standalone financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorizations of management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Company's assets that could have a material effect on the standalone financial statements.

Inherent Limitations of Internal Financial Controls with reference to Standalone Financial Statements

Because of the inherent limitations of internal financial controls with reference to standalone financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to standalone financial statements to future periods are subject to the risk that the internal financial controls with reference to standalone financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, adequate internal financial controls system with reference to standalone financial statements and such

internal financial controls with reference to standalone financial statements were operating effectively as at March 31, 2024, based on the internal financial control with reference to standalone financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note issued by the ICAI.

Notes to the standalone financial statements

for the year ended March 31, 2024

(All amounts in ₹ millions, unless otherwise stated)

Reporting entity

New Delhi Television Limited (the Company) is a public limited Company incorporated in India under the provisions of the Companies Act, 1956 with its registered office at W-17, 2nd Floor, Greater Kailash – I, New Delhi-110048, Delhi, India. Its shares are listed on the National Stock Exchange of India Limited (NSE) and Bombay Stock Exchange Limited (BSE) in India.

The Company is in the business of television media and currently operates five channels (NDTV 24x7, NDTV India, NDTV Profit, NDTV MPCG and NDTV Rajasthan, NDTV Marathi)."

Note 1 Basis of preparation

a. Statement of compliance

These financial statements have been prepared in accordance with Indian Accounting Standards (IndAS) as notified by Ministry of Corporate Affairs Pursuant to section 133 of the Companies Act, 2013 ("Act") read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 as amended and other relevant provisions of the Act.

The financial statements were authorised for issue by the Company's Board of Directors on April 26, 2024.

b. Functional and presentation currency

The financial statements are presented in Indian Rupees (₹), which is the functional and presentation currency of the Company. All amounts have been rounded-off to the nearest million, unless otherwise indicated.

c. Basis of measurement

The financial statements have been prepared on the historical cost basis except for the following items:

Items	Measurement basis
Certain financial assets	Fair value
Net defined benefit (asset)/ liability	Fair value of plan assets less present value of defined benefit obligations

d. Use of estimates and judgements

In preparing the financial statements, management has made judgements, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, income and expenses. Actual results may differ from these estimates.

Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised prospectively.

i. Judgements

The preparation of financial statements requires the use of accounting estimates which, by definition, will seldom equal the actual results. Management exercise judgement in applying the Company's accounting policies.

This note provides an overview of the areas that involved a higher degree of judgement or complexity, and of items which are more likely to be materially adjusted due to estimates and assumptions turning out to be different than those originally assessed. Detailed information about each of these estimates and judgements is included in relevant notes together with information about the basis of calculation for each affected line item in the financial statements.

ii. Assumptions and estimation uncertainties

The areas involving critical estimates are:

- Recognition and measurement of provisions and contingencies;
- Estimation of defined benefit obligation;
- Estimated useful life of tangible and intangible assets;
- Fair value of barter transaction;
- Impairment test of non-financial assets; and
- Impairment of trade receivables and other financial assets.

Estimates and judgements are continually evaluated. They are based on historical experience and other factors, including expectations of future events that may have a financial impact on the Company and that are believed to be reasonable under the circumstances.

Notes to the standalone financial statements

for the year ended March 31, 2024

e. Current versus non-current classifications

The Company presents assets and liabilities in the Balance Sheet based on the current/non current classification.

All assets and liabilities have been classified as current and non-current as per the Company's normal operating cycle. Based on the nature of services rendered to customers and time elapsed between deployment of resources and the realisation in cash and cash equivalents of the consideration for such services rendered, the Company has considered an operating cycle of 12 months. The statement of cash flows has been prepared under indirect method, whereby profit or loss is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and items of income or expense associated with investing or financing cash flows. The cash flows from operating, investing and financing activities of the Company are segregated. The Company considers all highly liquid investments that are readily convertible to known amounts of cash and are subject to an insignificant risk of changes in value to be cash equivalents.

f. Measurement of fair values

A number of the accounting policies and disclosures require the measurement of fair values, for both financial and non-financial assets and liabilities.

The Company has an established control framework with respect to the measurement of fair values. This includes a finance team that has overall responsibility for overseeing all significant fair value measurements, including Level 3 fair values, and reports directly to the Chief Financial Officer.

When measuring the fair value of an asset or a liability, the Company uses observable market data as far as possible. If the inputs used to measure the fair value of an asset or a liability fall into different levels of the fair value hierarchy, then the fair value measurement is categorised in its entirety in the same level of the fair value hierarchy as the lowest level input that is significant to the entire measurement.

(All amounts in ₹ millions, unless otherwise stated)

The Company recognise transfers between levels of the fair value hierarchy at the end of the reporting period during which the change has occurred.

Further the information about the assumptions made in measuring fair values is included in the respective notes:

- investment property; and
- financial instruments.

Note 2 Material accounting policies

This note provides a list of the material accounting policies adopted in the preparation of financial statements. The accounting policies adopted are consistent with those of the previous financial year, except if mentioned otherwise

a. Financial instruments

Financial instrument is any contract that gives rise to a financial asset of the entity and a financial liability or equity instrument of another entity.

i. Recognition and initial measurement

Trade receivables and debt securities issued are initially recognised when they are originated. All other financial assets and financial liabilities are initially recognised when the Company becomes a party to the contractual provisions of the instrument.

A financial asset or financial liability is initially measured at fair value plus, for an item not at fair value through profit and loss (FVTPL), transaction costs that are directly attributable to its acquisition or issue.

ii. Classification and subsequent measurement

Financial assets

On initial recognition, a financial asset is classified as measured at:

- amortised cost;
- FVTPL

Financial assets are not reclassified subsequent to their initial recognition, except if and in the period the Company changes its business model for managing financial assets.

Notes to the standalone financial statements

for the year ended March 31, 2024

(All amounts in ₹ millions, unless otherwise stated)

III. Derecognition

Financial assets

The Company derecognises a financial asset when the contractual rights to the cash flows from the financial asset expire, or it transfers the rights to receive the contractual cash flows in a transaction in which substantially all of the risks and rewards of ownership of the financial asset are transferred or in which the Company neither transfers nor retains substantially all of the risks and rewards of ownership and does not retain control of the financial asset.

If the Company enters into transactions whereby it transfers assets recognised on its Balance Sheet, but retains either all or substantially all of the risks and rewards of the transferred assets, the transferred assets are not derecognised.

Financial liabilities

The Company derecognises a financial liability when its contractual obligations are discharged or cancelled, or expire.

The Company also derecognises a financial liability when its terms are modified and the cash flows under the modified terms are substantially different. In this case, a new financial liability based on the modified terms is recognised at fair value. The difference between the carrying amount of the financial liability extinguished and the new financial liability with modified terms is recognised in profit or loss.

b. Property, plant and equipment

i. Recognition and measurement

Items of property, plant and equipment are measured at cost, which includes capitalised borrowing costs, less accumulated depreciation and accumulated impairment losses, if any.

Cost of an item of property, plant and equipment comprises its purchase price, including import duties and non-refundable purchase taxes, after deducting trade discounts and rebates, any directly attributable cost of bringing the item to its working condition for its intended use and estimated costs of dismantling and removing the item and restoring the site on which it is located.

A financial asset is measured at amortised cost if it meets both of the following conditions and is not designated as at FVTPL:

- the asset is held within a business model whose objective is to hold assets to collect contractual cash flows; and
- the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Financial assets: Subsequent measurement and gains and losses

Financial assets at FVTPL	These assets are subsequently measured at fair value. Net gains and losses, including any interest or dividend income, are recognised in profit or loss.
Financial assets at amortised cost	These assets are subsequently measured at amortised cost using the effective interest method. The amortised cost is reduced by impairment losses, if any. Interest income, foreign exchange gains and losses and impairment are recognised in profit or loss. Any gain or loss on derecognition is recognised in profit or loss.

Financial liabilities: Classification, subsequent measurement and gains and losses

Financial liabilities are classified as measured at amortised cost or FVTPL. A financial liability is classified as at FVTPL if it is classified as held-for-trading, or it is a derivative or it is designated as such on initial recognition. Financial liabilities at FVTPL are measured at fair value and net gains and losses, including any interest expense, are recognised in profit or loss. Other financial liabilities are subsequently measured at amortised cost using the effective interest method. Interest expense and foreign exchange gains and losses are recognised in profit or loss. Any gain or loss on derecognition is also recognised in profit or loss.

Notes to the standalone financial statements

for the year ended March 31, 2024

(All amounts in ₹ millions, unless otherwise stated)

The cost of a self-constructed item of property, plant and equipment comprises the cost of materials and direct labour, any other costs directly attributable to bringing the item to working condition for its intended use, and estimated costs of dismantling and removing the item and restoring the site on which it is located.

If significant parts of an item of property, plant and equipment have different useful lives, then they are accounted for as separate items (major components) of property, plant and equipment.

Any gain or loss on disposal of an item of property, plant and equipment is recognised in profit or loss.

ii. Subsequent expenditure

Subsequent expenditure is capitalised only if it is probable that the future economic benefits associated with the expenditure will flow to the Company.

iii. Capital Work in Progress

Expenditure related to and incurred during implementation of capital projects to get the assets ready for intended use is included under "Capital Work in Progress". The same is allocated to the respective items of property plant and equipment on completion of construction/ property plant and equipment. The cost of asset not ready for its intended use before the year end & capital inventory are disclosed under capital work in progress.

iv. Depreciation

Depreciation is calculated on cost of items of property, plant and equipment less their estimated residual values over their estimated useful lives using the straight-line method, and is recognised in the Statement of Profit and Loss. Freehold land is not depreciated.

The useful lives as estimated for tangible assets are in accordance with the useful lives as indicated in Schedule II of the Companies Act, 2013 except for the following classes of assets where difference useful lives have been used:

Asset class	Useful life (in years)
Buildings	40-60
Vehicles	5-8
Computers	3-6

Depreciation method, useful lives and residual values are reviewed at each financial year-end and adjusted if appropriate. Based on technical evaluation and consequent advice, the management believes that its estimates of useful lives as given above best represent the period over which management expects to use these assets.

Depreciation on additions (disposals) is provided on a pro-rata basis i.e. from (upto) the date on which asset is ready for use (disposed off).

c. Intangible assets

i. Recognition and measurement

Intangible assets including those acquired by the Company in a business combination are initially measured at cost. Such intangible assets are subsequently measured at cost less accumulated amortisation and any accumulated impairment losses.

ii. Subsequent expenditure

Subsequent expenditure is capitalised only when it increases the future economic benefits embodied in the specific asset to which it relates. All other expenditure, including expenditure on is recognised in profit or loss as incurred.

iii. Amortisation

Amortisation is calculated to write off the cost of intangible assets less their estimated residual values over their estimated useful lives using the straight-line method, and is included in depreciation and amortisation in Statement of Profit and Loss.

The estimated useful lives are as follows:

Asset class	Useful life (In years)
Computer software	6
Website	6

Amortisation method, useful lives and residual values are reviewed at the end of each financial year and adjusted if appropriate.

d. Investment property

Investment property is property held either to earn rental income or for capital appreciation or for both, but not for sale in the ordinary course of business, use in the production or supply of goods or

Notes to the standalone financial statements

for the year ended March 31, 2024

(All amounts in ₹ millions, unless otherwise stated)

In all cases, the maximum period considered when estimating expected credit losses is the maximum contractual period over which the Company is exposed to credit risk.

Presentation of allowance for expected credit losses in the Balance Sheet

Loss allowances for financial assets measured at amortised cost are deducted from the gross carrying amount of the assets.

Write-off

The gross carrying amount of a financial asset is written off (either partially or in full) to the extent that there is no realistic prospect of recovery. This is generally the case when the Company determines that the debtor does not have assets or sources of income that could generate sufficient cash flows to repay the amounts subject to the write-off. However, financial assets that are written off could still be subject to enforcement activities in order to comply with the Company's procedures for recovery of amounts due.

f. Employee benefits

i. Short-term employee benefits

Short-term employee benefit obligations are measured on an undiscounted basis and are expensed as the related service is provided. A liability is recognised for the amount expected to be paid e.g., under short-term cash bonus, if the Company has a present legal or constructive obligation to pay this amount as a result of past service provided by the employee, and the amount of obligation can be estimated reliably.

ii. Defined contribution plan

A defined contribution plan is a post-employment benefit plan under which an entity pays fixed contributions into a separate entity and will have no legal or constructive obligation to pay further amounts. The Company makes specified monthly contributions towards Government administered provident fund scheme. Obligations for contributions to defined contribution plans are recognised as an employee benefit expense in profit or loss in the periods during which the related services are rendered by employees.

services or for administrative purposes. Upon initial recognition, an investment property is measured at cost. Subsequent to initial recognition, investment property is measured at cost less accumulated depreciation and accumulated impairment losses, if any.

Based on technical evaluation and consequent advice, the management believes a period of 40 to 60 years as representing the best estimate of the period over which investment properties (which are quite similar) are expected to be used. Accordingly, the Company depreciates investment properties over a period of 40-60 years on a straight-line basis.

Any gain or loss on disposal of an investment property is recognised in profit or loss.

e. Impairment

i. Impairment of financial instruments

The Company recognises loss allowances for expected credit losses on:

At each reporting date, the Company assesses whether financial assets carried at amortised cost are credit-impaired. A financial asset is 'credit-impaired' when one or more events that have a detrimental impact on the estimated future cash flows of the financial asset have occurred.

The Company measures loss allowances at an amount equal to lifetime expected credit losses, except for the following, which are measured as 12 month expected credit losses:

- debt securities that are determined to have low credit risk at the reporting date; and
- other debt securities and bank balances for which credit risk (i.e. the risk of default occurring over the expected life of the financial instrument) has not increased significantly since initial recognition.

Lifetime expected credit losses are the expected credit losses that result from all possible default events over the expected life of a financial instrument.

12-month expected credit losses are the portion of expected credit losses that result from default events that are possible within 12 months after the reporting date (or a shorter period if the expected life of the instrument is less than 12 months).

Notes to the standalone financial statements

for the year ended March 31, 2024

iii. Defined benefit plan

A defined benefit plan is a post-employment benefit plan other than a defined contribution plan. The Company's net obligation in respect of defined benefit plans is calculated separately for each plan by estimating the amount of future benefit that employees have earned in the current and prior periods, discounting that amount and deducting the fair value of any plan assets. In respect of gratuity, the Company funds the benefits through contributions to the Life Insurance Corporation of India (LIC). Under this scheme, LIC assumes the obligation to settle the gratuity payment to the employees to the extent of the funding including accumulated interest.

The calculation of defined benefit obligation is performed annually by a qualified actuary using the projected unit credit method taking into consideration the various determination of the discount rate, future salary increases and mortality rate. When the calculation results in a potential asset for the Company, the recognised asset is limited to the present value of economic benefits available in the form of any future refunds from the plan or reductions in future contributions to the plan ('the asset ceiling').

Remeasurements of the net defined benefit liability, which comprise actuarial gains and losses, the return on plan assets (excluding interest) and the effect of the asset ceiling (if any, excluding interest), are recognised in OCI. The Company determines the net interest expense (income) on the net defined benefit liability (asset) for the period by applying the discount rate used to measure the defined benefit obligation at the beginning of the annual period to the then-net defined benefit liability (asset), taking into account any changes in the net defined benefit liability (asset) during the period as a result of contributions and benefit payments. Net interest expense and other expenses related to defined benefit plans are recognised in profit or loss.

When the benefits of a plan are changed or when a plan is curtailed, the resulting change in benefit that relates to past service ('past service cost' or 'past service gain') or the gain or loss on curtailment is recognised immediately in profit or

(All amounts in ₹ millions, unless otherwise stated)

loss. The Company recognises gains and losses on the settlement of a defined benefit plan when the settlement occurs.

iv. Termination benefits

Termination benefits are expensed at the earlier of when the Company can no longer withdraw the offer of those benefits and when the Company recognises costs for a restructuring. If benefits are not expected to be settled wholly within 12 months of the reporting date, then they are discounted.

v. Other Employee Benefits

Other employee benefits comprise of compensated absences/leaves. The actuarial valuation is done as per projected unit credit method. Remeasurements as a result of experience adjustments and changes in actuarial assumptions are recognised in the Statement of Profit and Loss effective from April 01, 2023.

g. Provisions

A provision is recognised if, as a result of a past event, the Company has a present legal or constructive obligation that can be estimated reliably, and it is probable that an outflow of economic benefits will be required to settle the obligation. In case the time value of money exist in a contract, provisions if required are determined by discounting the expected future cash flows (representing the best estimate of the expenditure required to settle the present obligation at the Balance Sheet date) at a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability only if it is material. The unwinding of the discount is recognised as finance cost. Expected future operating losses are not provided for.

h. Revenue from contracts with customers

The Company earns revenue primarily from advertisement, events, subscription, programme production and shared service.

The Company assesses the services promised in a contract and identifies distinct performance obligations in the contract. The Company also enters into certain multiple element revenue arrangements for performance of multiple services including free/

Notes to the standalone financial statements

for the year ended March 31, 2024

bonus spots along with paid spots. In all cases, the total transaction price for a contract is allocated amongst the various performance obligations based on their relative stand-alone selling prices.

In case the performance obligation in a contract is performed over a period, then revenue is recognized "over the period of contract". In case the performance obligation in the contract has been performed at a time, revenue is recognized at a "point in time".

Revenue is recognised upon transfer of control of promised services to customers in an amount that reflects the consideration which the Company expects to receive in exchange for those services.

- Advertisement revenue from broadcasting is recognised when advertisements are displayed. The revenue with regards to the contracts where drop slots/ bonus slots are offered to its customers is deferred.
- Revenue from events and shared services are recognised as the services are provided.
- Subscription revenue from direct-to-home satellite operators and other distributors for the right to distribute the channels is recognised when the service has been provided as per the terms of the contract.
- Revenues from production arrangements are recognised when the contract period begins and the programming is available for telecast pursuant to the terms of the agreement. Typically the milestone is reached when the finished product has been delivered or made available to and accepted by the customer.

Revenue is measured based on the transaction price, which is the consideration, adjusted for volume discounts and incentives, if any, as specified in the contract with the customer. Revenue also excludes taxes collected from customers.

Contract assets are recognised when there is excess of revenue earned over billings on contracts. Contract assets are classified as unbilled receivables (only act of invoicing is pending) when there is unconditional right to receive cash, and only passage of time is required, as per contractual terms.

(All amounts in ₹ millions, unless otherwise stated)

Contract liabilities primarily relate to the consideration received from customers in advance for the Company's performance obligations which is classified as advance from customers and deferred revenue which is recognised when there is billings in excess of revenues.

Significant judgements

- The Company's contracts with customers could include promises to transfer multiple services to a customer. The Company assesses the services promised in a contract and identifies distinct performance obligations in the contract. Identification of distinct performance obligation involves judgement to determine the deliverables and the ability of the customer to benefit independently from such deliverables.
- The Company uses judgement to determine an appropriate standalone selling price for a performance obligation. The Company allocates the transaction price to each performance obligation on the basis of the relative standalone selling price of each distinct service promised in the contract. Where standalone selling price is not observable, the Company uses the expected cost plus margin approach or the residual approach to allocate the transaction price to each distinct performance obligation.
- The Company exercises judgement in determining whether the performance obligation is satisfied at a point in time or over a period of time. The Company considers indicators such as how customer consumes benefits as services are rendered or who controls the asset as it is being created or existence of enforceable right to payment for performance to date and alternate use of such service, transfer of significant risks and rewards to the customer, acceptance of delivery by the customer, etc.

i. Barter transactions

The Company enter in arrangements for sale of advertisement space on various platforms in exchange of non cash consideration. Revenue from such services is recognised at a point in time on actual performance of the contract to the extent of performance completed by the Company against its part of contract and is measured at standalone selling price of the services of the Group or if

Notes to the standalone financial statements

for the year ended March 31, 2024

the same cannot be measured reliably, then the fair value of the services rendered, as estimated by management. The total transaction price for a contract is allocated amongst the various performance obligations based on their relative stand-alone selling prices and are being recorded at transaction price/fair value.

j. Leases

The Company assesses whether a contract contains a lease, at the inception of the contract. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration.

The Company recognises a right-of-use asset and a lease liability at the lease commencement date. The right-of-use asset is initially measured at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or before the commencement date, plus any initial direct costs incurred and an estimate of costs to dismantle and remove the underlying asset or to restore the site on which it is located, less any lease incentives received.

Certain lease arrangements include the option to extend or terminate the lease before the end of the lease term. The right-of-use assets and lease liabilities include these options when it is reasonably certain that the option will be exercised.

The right-of-use asset is subsequently depreciated using the straight-line method from the commencement date to the earlier of the end of the useful life of the right-of-use asset or the end of the lease term. In addition, the right-of-use asset is periodically reduced by impairment losses, if any, and adjusted for certain re-measurements of the lease liability.

The lease liability is initially measured at the present value of the lease payments that are not paid at the commencement date, discounted using the interest rate implicit in the lease or, if that rate cannot be readily determined, the Company's incremental borrowing rate. Generally, the Company uses its incremental borrowing rate as the discount rate.

The lease liability is subsequently measured at amortised cost using the effective interest method. It is remeasured when there is a change in future

(All amounts in ₹ millions, unless otherwise stated)

lease payments arising from a change in an index or rate, if there is a change in the Company's estimate of the amount expected to be payable under a residual value guarantee, or if there is a change in the lease payments or a change in the assessment of an option to purchase the underlying asset.

Lease payments have been classified as financing activities in Statement of Cash Flow.

The Company has elected not to recognise right-of-use assets and lease liabilities for short term leases that have a lease term of less than or equal to 12 months with no purchase option and assets with low value leases. The Company recognises the lease payments associated with these leases as an expense in statement of profit and loss over the lease term. The related cash flows are classified as operating activities.

k. Recognition of interest income or expense

Interest income or expense is recognised using the effective interest method.

The 'effective interest rate' is the rate that exactly discounts estimated future cash payments or receipts through the expected life of the financial instrument to:

- the gross carrying amount of the financial asset; or
- the amortised cost of the financial liability.

In calculating interest income and expense, the effective interest rate is applied to the gross carrying amount of the asset (when the asset is not credit-impaired) or to the amortised cost of the liability. However, for financial assets that have become credit-impaired subsequent to initial recognition, interest income is calculated by applying the effective interest rate to the amortised cost of the financial asset. If the asset is no longer credit-impaired, then the calculation of interest income reverts to the gross basis.

l. Income tax

Income tax comprises current and deferred tax. It is recognised in profit or loss except to the extent that it relates to a business combination or to an item recognised directly in equity or in other comprehensive income.

Notes to the standalone financial statements

for the year ended March 31, 2024

(All amounts in ₹ millions, unless otherwise stated)

in value, and bank overdrafts. Bank overdrafts are shown within borrowings in current liabilities in the Balance Sheet.

o. Earnings per share

i. Basic earnings per share

Basic earnings per share is calculated by dividing:

- the profit/(loss) attributable to owners of the Company
- by the weighted average number of equity shares outstanding during the financial year, adjusted for bonus elements in equity shares issued during the year.

p. Contingent liabilities

Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non occurrence of one or more uncertain future events not wholly within the control of the Group or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle or a reliable estimate of the amount cannot be made.

q. Recent accounting pronouncements

Ministry of Corporate Affairs ("MCA") notifies new standards or amendments to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time. For the year ended March 31, 2024, MCA has not notified any new standards or amendments to the existing standards applicable to the Company.

Current tax

Current tax comprises the expected tax payable or receivable on the taxable income or loss for the year and any adjustment to the tax payable or receivable in respect of previous years. The amount of current tax reflects the best estimate of the tax amount expected to be paid or received after considering the uncertainty, if any, related to income taxes. It is measured using tax rates (and tax laws) enacted or substantively enacted by the reporting date.

Current tax assets and current tax liabilities are offset only if there is a legally enforceable right to set off the recognised amounts, and it is intended to realise the asset and settle the liability on a net basis or simultaneously.

m. Borrowing costs

Borrowing costs are interest and other costs incurred in connection with the borrowing of funds. Borrowing costs directly attributable to acquisition or construction of an asset which necessarily take a substantial period of time to get ready for their intended use are capitalised as part of the cost of that asset. Other borrowing costs are recognised as an expense in the period in which they are incurred.

n. Cash and cash equivalents

Cash and cash equivalents includes cash on hand, deposits held at call with financial institutions, other short-term, highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes

B. Measurement of fair values

The fair value of investment property has been determined is based on the valuation by a registered valuer as defined under rule 2 of Companies (Registered Valuers and Valuation) Rules, 2017, by external, independent property valuers, having appropriate recognised professional qualifications and recent experience in the location and category of the property being valued.

The methodology adopted for valuation is Composite Rate Method under Market Approach, and the fair value is arrived at is based on similar comparable transactions or asking rates by the sellers of similar properties in the market. The rates are then adjusted for the various attributes affecting the valuation like floor, size, view etc. The methodology falls in the Level 2 input hierarchy as specified in Ind AS 113, where the comparables were adjusted for various attributes.

The Company holds certain investment properties in its name and has recorded the same at cost in its financial statements in accordance with the transitional provision of IND AS 101. These investment properties are in the nature of residential flats taken on lease or freehold and commercial shops. The Company has carried out fair valuation of Investment properties through an external valuer.

B. Rights, preferences and restrictions attached to equity shares

The Company has a single class of equity shares. Accordingly, all equity shares rank equally with regard to dividends and share in the Company's residual assets. The equity shares are entitled to receive dividend as declared from time to time. The voting rights of an equity shareholder on a poll (not on show of hands) are in proportion to its share of the paid-up equity capital of the Company. Voting rights cannot be exercised in respect of shares on which any call or other sums presently payable have not been paid. Failure to pay any amount called up on shares may lead to forfeiture of the shares. On winding up of the Company, the holders of equity shares will be entitled to receive the residual assets of the Company in proportion of the number of equity shares held.

The financial assets carried at fair value by the Company are mainly investments in publicly traded equity shares. Accordingly, any material volatility is not expected. The fair value of these assets is marked to an active market.

Financial assets carried at amortised cost is in the form of cash and cash equivalents, bank deposits and earmarked balances with banks. The cash and cash equivalents are held with bank and financial institution counterparties, which are rated AA- to AAA, based on renowned rating agencies.

Notes to the standalone financial statements

for the year ended March 31, 2024

(All amounts in ₹ millions, unless otherwise stated)

Fair values are categorised into different levels in a fair value hierarchy based on the inputs used in the valuation techniques as follows

Level 1: quoted prices (unadjusted) in active markets for identical assets or liabilities.

Level 2: inputs other than quoted prices included in Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices).

Level 3: inputs for the asset or liability that are not based on observable market data (unobservable inputs).

There has been no transfers between Level 1, Level 2 and Level 3 for the years ended March 31, 2024 and March 31, 2023.

Valuation technique used to determine fair value

Specific valuation techniques used to value financial instruments include:

the fair value of investment in quoted investment in equity shares is based on the current bid price of respective investment as at the Balance Sheet date.

B. Financial risk management

The Company has exposure to the following risks arising from financial instruments:

- Credit risk
- Liquidity risk ;
- Market Risk - Foreign currency
- Market Risk - Interest rate

(i) Risk management framework

The Company's key management has overall responsibility for the establishment and oversight of the Company's risk management framework. The Company's risk management policies are established to identify and analyse the risks faced by the Company to set appropriate risks limits and controls and to monitor risks and adherence to limits. Risk management policies are reviewed regularly to reflect changes in market conditions and the Company's activities. The Company through its training and management standards and procedures, aims to maintain a disciplined and constructive control environment in which employees understand their roles and obligations.

(ii) Credit risk

The maximum exposure to credit risks is represented by the total carrying amount of these financial assets in the Balance Sheet

Particulars	As at March 31, 2024	As at March 31, 2023
Investments	1,223.45	1,070.20
Trade receivables	1,098.33	652.66
Cash and cash equivalents	49.30	58.83
Bank balances other than cash and cash equivalents mentioned above	79.50	108.06
Security deposits	77.09	29.58
Other financial assets	83.83	76.87
	2,611.50	1,996.20

Credit risk is the risk of financial loss to the Company if a customer or counter-party fails to meet its contractual obligations. Credit risk encompasses both, the direct risk of default and the risk of deterioration of credit worthiness as well as concentration of risks.

Credit risk on cash and cash equivalents and bank deposits is limited as the Company generally deals with banks with high credit ratings assigned by domestic credit rating agencies. Investments primarily include investment in subsidiaries, joint venture and associates. The loans primarily represents interest free security deposits refundable on the completion of the term as per the contract. The credit risk associated with such deposits is relatively low.

Notes to the standalone financial statements

for the year ended March 31, 2024

(All amounts in ₹ millions, unless otherwise stated)

The Company based upon past trends determine an impairment allowance for loss on receivables.

Trade receivables as at year end includes ₹ 191.98 million (March 31, 2023: ₹ 185.05 million) as amount recoverable from related parties and ₹ 1078.73 million (March 31, 2023: ₹ 647.93 million) recoverable from others.

The Company believes that amount receivable from related parties is collectible in full, based on historical payment behaviour and hence no loss allowance has been recognized on the same. The Company based upon past trends determine an impairment allowance for loss on receivables from others.

The movement in the allowance for impairment in respect of trade receivables (including barter receivables) is as follows:

Particulars	As at March 31, 2024	As at March 31, 2023
Balance as at beginning of the year	255.22	226.77
Loss allowance created	0.05	40.07
Less :adjusted against provision	-	(11.62)
Amounts written back during the year	(82.89)	-
Balance as at the end of the year	172.38	255.22

The impairment provisions for financial assets disclosed above are based on assumptions about risk of default and expected loss rates. The Company uses judgement in making these assumptions and selecting the inputs to the impairment calculation, based on the Company's past history, existing market conditions as well as forward looking estimates at the end of each reporting period.

(iii) Liquidity risk

Liquidity risk is the risk that the Company will encounter difficulty in meeting the obligations associated with its financial liabilities that are settled by delivering cash or another financial asset. The Company's approach to manage liquidity is to ensure, as far as possible, that it will have sufficient liquidity to meet its liabilities when they are due, under both normal and stressed conditions, without incurring unacceptable losses or risking damage to the Company's reputation.

The Company aims to maintain the level of its cash and cash equivalents and other highly marketable equity investments at an amount in excess of expected cash outflows on financial liabilities (other than trade payables) over the next six months. The Company also monitors the level of expected cash inflows on trade receivables and loans together with expected cash outflows on trade payables and other financial liabilities.

Exposure to liquidity risk

The following are the remaining contractual maturities of financial liabilities at the reporting date. The contractual cash flow amounts are gross and undiscounted.

As at March 31, 2024	Carrying amount	Less than one year	Between one and three years	More than three years	Contractual cash flow

(iv) Market risk

Market risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises two types of risk namely: currency risk and interest rate risk. The objective of market risk management is to manage and control market risk exposures within acceptable parameters, while optimising the return.

(a) Interest rate risk

Interest rate risk is the risk that the future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Company's exposure to the risk of changes in market interest rates relates primarily to the Company's borrowings with floating interest rates.

Exposure to interest rate risk

The Company's interest rate risk arises majorly from borrowings carrying floating rate of interest. These borrowings exposes the Company to cash flow interest rate risk. The exposure of the Company's borrowing to interest rate changes as reported to the management at the end of the reporting period are as follows:

Variable rate instruments	As at March 31, 2024	As at March 31, 2023
Loan from banks, financial institution and related parties	1,031.05	30.40
Working capital loan from bank	-	-
Total	1,031.05	30.40

Interest rate sensitivity analysis

A reasonably possible change of 0.50 % in interest rates at the reporting date would have affected the profit or loss by the amounts shown below.

Variable rate instruments	Statement of Profit and Loss	
	Increase by 0.50%	Decrease by 0.50%
Increase/ (decrease) in interest on borrowings		
For the year ended March 31, 2024	(5.16)	5.16
For the year ended March 31, 2023	(0.15)	0.15

The analysis is prepared assuming the amount of the borrowings outstanding at the end of the year was outstanding for the whole year.

Notes to the standalone financial statements

for the year ended March 31, 2024

(All amounts in ₹ millions, unless otherwise stated)

(b) Currency risk

Currency risk is the risk that the future cash flows of a financial instrument will fluctuate because of changes in foreign exchange rates. The Company is exposed to the effects of fluctuation in the prevailing foreign currency exchange rates on its financial position and cash flows. Exposure arises primarily due to exchange rate fluctuations between the functional currency (₹) and other currencies (GBP and USD) from the Company's operating, investing and financing activities.

Unhedged exposure to foreign currency risk

The Company's exposure in respect of foreign currency denominated financial liabilities not hedged by derivative instruments or others as follows-

Currency	As at March 31, 2024			As at March 31, 2023		
	Amount in foreign currency	Exchange rate	Amount in ₹	Amount in foreign currency	Exchange rate	Amount in ₹
GBP	0.16	105.20	17.09	0.09	101.47	9.14
USD	0.02	83.35	1.83	0.01	82.15	0.65

The Company's exposure in respect of foreign currency denominated financial assets not hedged by derivative instruments or others as follows-

Currency	As at March 31, 2024			As at March 31, 2023		
	Amount in foreign currency	Exchange rate	Amount in ₹	Amount in foreign currency	Exchange rate	Amount in ₹
GBP	0.23	105.20	24.38	0.11	101.47	11.58
USD	0.48	83.35	40.06	0.33	82.15	27.39

Sensitivity analysis

A reasonably possible strengthening (weakening) of the Indian Rupee against below currencies at March 31, 2024 and March 31, 2023 would have affected the measurement of financial instruments denominated in foreign currency and affected Statement of Profit and Loss by the amounts shown below. This analysis is performed on foreign currency denominated monetary financial assets and financial liabilities outstanding as at the year end. This analysis assumes that all other variables, in particular interest rates, remain constant.

Deficit of gratuity plan	115.75	103.81

Notes to the standalone financial statements

for the year ended March 31, 2024

(All amounts in ₹ millions, unless otherwise stated)

The Company has a defined benefit gratuity plan in India, governed by the Payment of Gratuity Act, 1972. Plan entitles an employee, who has rendered at least five years of continuous service, to gratuity at the rate of fifteen days wages for every completed year of service or part thereof in excess of six months, based on the rate of wages last drawn by the employee concerned.

(b) Assumptions:

1. Economic assumptions

Particulars	As at March 31, 2024	As at March 31, 2023
Discount rate	7.15%	7.40%
Salary growth rate	5%	5%

The discount rate is based on the prevailing market yields of government bonds as at the balance sheet date for the estimated term of the obligations.

The salary escalation rate is based on estimates of salary increases, which takes into account inflation, promotion and other relevant factors.

2. Demographic assumptions:

Particulars	As at March 31, 2024	As at March 31, 2023
Withdrawal rate, based on age		
Upto 30 years	7.50%	7.50%
31- 44 years	5.00%	5.00%
Above 44 years	2.50%	2.50%
Mortality rate (% of IALM 12-14)	100%	100%
Retirement age (years)	58	58

(c) Plan assets comprise the following:

Particulars	As at March 31, 2024	As at March 31, 2023
Funds managed by the insurer	100%	100%

(d) Sensitivity analysis

Reasonably possible changes at the reporting date to one of the relevant actuarial assumptions, holding other assumptions constant, would have affected the defined benefit obligation by the amounts shown below.

Particulars	Change in assumption		Increase in assumption		Decrease in assumption	
	As at March 31, 2024	As at March 31, 2023	As at March 31, 2024	As at March 31, 2023	As at March 31, 2024	As at March 31, 2023
Discount rate	1.00%	1.00%	(7.96)	(7.37)	8.89	8.24
Salary growth rate	1.00%	1.00%	7.01	6.50	(6.70)	(6.14)
Attrition rate	50.00%	50.00%	1.64	1.92	(1.90)	(2.19)
Mortality rate	10.00%	10.00%	0.06	0.06	(0.06)	(0.07)

Although the analysis does not take account of the full distribution of cash flows expected under the plan, it does provide an approximation of the sensitivity of the assumptions shown.

Notes to the standalone financial statements

for the year ended March 31, 2024

(All amounts in ₹ millions, unless otherwise stated)

(e) The actuarial liability for compensated absences as at the year ended March 31, 2024 is ₹ 6.03 million (March 31, 2023 ₹ nil).

(f) Expected Contribution during the next annual reporting period

Particulars	As at March 31, 2024	As at March 31, 2023
The Company's best estimate of Contribution during the next year	124.28	120.09

(g) Maturity Profile of Obligations

The weighted average duration of the defined benefit plan obligation at the end of the reporting period is 8 years (March 31, 2023: 8 years). The expected maturity analysis of gratuity benefits is as follows :

Particulars	As at March 31, 2024	As at March 31, 2023
1 year	6.74	6.19
2 to 5 years	48.55	38.33
6 to 10 years	75.83	74.43
More than 10 years	81.05	78.85

Note 35: Contingent liabilities and commitments

1. Contingent liabilities

(1) The Company had filed a suit for recovery of ₹ 66.86 million being the principal debt together with interest thereon against Doordarshan (DD) in the High Court of Delhi in February 1998 for various programmes produced and aired between 1994 and 1996. In its rejoinder, DD has admitted debts of ₹ 35.61 million only but has disputed the balance claim of ₹ 31.2 million and interest claimed. On the contrary, DD has claimed ₹ 82.56 million - ₹ 55.49 million towards telecast fee etc. against various programmes and ₹ 27.07 million as interest thereon, which has not been accepted by the Company.

The amount represents the best possible estimate arrived at on the basis of available information. The uncertainties and possible reimbursements are dependent on the outcome of the legal process and therefore cannot be predicted accurately. The Company has engaged reputed professional advisors to protect its interest and has been advised that it has strong legal positions against such disputes.

(2) Bank guarantees issued for ₹ 100.10 million (March 31, 2023: ₹ 20.20 million). These have been issued in the ordinary course of business and no liabilities are expected.

(3) The Company has received legal notices of claims / lawsuits filed against it relating to infringement of copyrights, trademarks and defamation suits in relation to the programmes produced by it. In the opinion of the management supported by legal advice, no material liability is likely to arise on account of such claims/law suits. The Company has been advised that there is no merit in the case/demand.

(4) In February 2014, the Company had received a demand for income tax, amounting to ₹ 4,500 million based on an assessment order for assessment year 2009-10 issued by the income tax department. Following a writ petition filed by the Company in the Delhi High Court, the demand has been kept in abeyance. The demand had earlier been stayed by the Income Tax Appellate Tribunal on deposit of ₹ 50 million which has been shown as recoverable. More likely than not it would be decided in favour of the Company.

In July 2017, the Company had received an order from Income Tax appellant Tribunal (ITAT) for Assessment Year 2009-10, wherein ITAT dismissed the appeal of the Company. The ITAT, vide Impugned Order, after admitting the additional evidence filed by the Revenue, upheld the addition made by the AO under

Notes to the standalone financial statements

for the year ended March 31, 2024

Section 69A of the Act amounting to ₹ 6,425.42 million, albeit on different grounds. The ITAT set aside various issues back to the file of the AO/TPO for fresh adjudication. Pursuant to the above said order, the Assessing Officer passed a partial appeal effect order and raised a demand of ₹ 4,289.33 million. The Company has filed Writ Petition in Delhi High Court against the partial appeal effect order. The Hon'ble High Court stayed the demand till the disposal of writ petition. The matter had been posted in regular list, which will come for hearing in due course. Further, the Company had also filed two appeals in Delhi High Court against the order passed by the ITAT, which are also posted in regular list. The Company has been advised by expert counsel that there is no merit in the case/demand.

In December 2019, the Company received Draft appeal effect order for AY 2009-10 passed under section 254/144C of Income Tax Act 1961 in pursuance to ITAT order passed in July 2017, wherein Assessing officer recomputed taxable income at ₹ 5788.36 million. Being draft order, there was no fresh tax demand raised against the Company. The Company filed objection against the said draft appeal effect order before Dispute Resolution Panel (DRP) in January 2020.

On January 29, 2021, the Company received the directions passed by the Dispute Resolution Panel (DRP), under Section 144C(5) of the Income-tax Act, 1961. The Company had filed a writ petition before the Hon'ble Delhi High Court assailing the order of DRP. Hon'ble Delhi High Court granted interim relief to the Company and held that while the Assessing Officer can continue with the process of passing the Assessment Order pursuant to the Impugned Order, no effect will be given to any such order till the next date of hearing. The matter heard and order reserved.

On March 31, 2021, the Company received the final assessment order dated March 30, 2021 passed by the Assessing Officer under Section 144C read with Section 254 of the Income Tax Act, 1961 in pursuance to DRP order, whereby the income of the Company has been assessed at ₹ 5788.36 million against the returned loss of

(All amounts in ₹ millions, unless otherwise stated)

₹ 648.39 million for Assessment Year 2009-10, and raised the demand to ₹ 4,953.65 million (net of amount adjusted for ₹ 432.76 million). The Company has been advised that there is no merit in the case/demand.

- (5) In January 2018, the Company has received a demand amounting to ₹ 4,368.00 million being penalty on income tax demand imposed at the rate of 200% by the income tax department on the addition confirmed by the ITAT under Section 69A of the Income tax Act, 1961. The Company has filed an appeal against the said order before CIT (A) and also filed a stay application before the assessing officer. CIT in its order directed the Company to pay a sum of ₹ 1,080.40 million in three instalments. The Company has filed a writ petition in Delhi High Court against the said order. The matter had posted in regular list, which will come for hearing in due course. Also the Hon'ble High Court stayed the demand till the disposal of writ petition. More likely than not it would be decided in favour of the Company.
- (6) In March 2016, the Company received a demand for income tax of ₹ 472.67 million, based on a reassessment order for the assessment year 2007-08, which was further enhanced in September 2016 by ₹ 127.15 million on account of a mistake in the computation of tax on total income. The Company has filed an appeal against the order before CIT (Appeals). Further the demand to the extent of ₹ 374.59 million has been adjusted against the refunds due to the Company and the remaining demand has been stayed by assessing officer till 30/06/24 or passing of order by CIT(A), whichever is earlier. More likely than not it would be decided in favour of the Company.
- (7) In March 2016, the Company received a demand of ₹ 93.74 million on account of penalty on income tax imposed by the Income Tax department for the assessment year 2008-09. The Company has filed an appeal against the order with CIT(Appeals). Further the demand has been adjusted from the refunds due to the Company. In view of the favourable order of Hon'ble ITAT dated June 16, 2020, the amounts on which penalty was levied stands deleted or set aside to AO/TPO, consequently the demand liable to be substantially reduced.

Notes to the standalone financial statements

for the year ended March 31, 2024

- (8) The assessment for AY 2008-09 under Section 143(3) of the Act was completed on August 03, 2012 and the Company appealed against it before CIT(A), which gave the Company partial relief vide order dated April 29, 2014. Both the Revenue Department and NDTV appealed against this order at Income Tax Appellate Tribunal(ITAT). On June 16, 2020, ITAT delivered its order and granted substantial relief/favourable on various issues to the Company. However, the issue of addition/adjustment on account of alleged corporate guarantee issued by the Company to enable its subsidiary, M/s NDTV Networks Plc, to raise funds was restored back to the file of the Assessing Officer ("AO") for making a reference to the Transfer Pricing Officer ("TPO") without even dealing with the principle contention of the Company that there is no international transaction, warranting any reference to the TPO. The Company has filed an appeal before Hon'ble Delhi High Court to stay the proceedings of remand including transfer pricing proceedings which is pending adjudication. In the meantime, the matter has been taken up by AO/TPO to re-adjudicate on such issue during the year. The Hon'ble High Court gives interim protection wherein it allowed the assessing officer to continue with the assessment proceedings but not to pass the final assessment order till further directions of the Hon'ble High Court. In January'23, TPO passed the order. In pursuance to TPO order, on March 29, 2023, the assessing officer passed the Draft Order under section 143(3)/144C/254 of the Income Tax Act. However, pursuant to the directions of the Hon'ble High Court, the Assessing officer will not pass the final assessment order. More likely than not it would be decided in favour of the Company. The next date of hearing has been fixed for May 01, 2024.

Further to be noted that earlier the Company was in receipt of an appeal effect order passed by the AO in pursuance to order dated September 14, 2015 passed by CIT(A) wherein the tax liability of ₹ 101.43 million was computed. The said tax liability was duly adjusted with the refund for the year and the refunds of other years due to the Company under protest.

(All amounts in ₹ millions, unless otherwise stated)

On account of the above said favourable order of ITAT, the aforesaid ₹ 101.43 million would reduce significantly and the Company will be entitled to get the refund along with interest as and when the effect order is passed by the AO. The Company has filed an application on June 21, 2020 to the AO to give appeal effect which is pending for disposal.

- (9) During the earlier years, the Directorate of Enforcement ("ED") issued a show cause notice ("SCN") to the Company alleging certain contraventions under the Foreign Exchange Management Act, 1999 ("FEMA"). These contraventions are procedural/technical and some are substantive in nature. The Company believes, based on advice of Company's legal counsel and various responses of the Company to the SCN that the said alleged substantive contraventions in the SCN are not legally tenable. Accordingly, the Company based on a legal opinion, has not made any provision against these alleged contraventions. However, based on the advice from Company's legal counsel, Company has provided an estimated amount of liability amounting to ₹ 40 million for alleged technical/procedural contraventions which has been disclosed as an exceptional item in the earlier year. The Company is in the process of filing a compounding application with the Reserve Bank of India (RBI) in respect of alleged technical/procedural contravention. In respect of the contraventions which are substantive in nature, it is unlikely that any penalty may be imposed on the Company.
 - (10) In November 2015, the Directorate of Enforcement ("ED") issued a show cause notice ("SCN") to the Company, its two executive Directors, then Executive Vice Chairperson (erstwhile executive Director, who passed away on November 20, 2017) and NDTV Studios Limited, (an erstwhile subsidiary of the Company since merged with the Company) alleging contraventions under the provisions of Foreign Exchange Management Act, 1999 ("FEMA").
- Although the Company believed that there were no contraventions under FEMA warranting any compounding, nevertheless, with a view to

for the year ended March 31, 2024

avert negative publicity and to ensure the best interests of its shareholders and stakeholders, the Company took a decision to seek compounding of the alleged contraventions from Reserve Bank of India ("RBI"). Based on advice of Company's advocates and various responses of the Company to the SCN, the Company with the approval of its Board of Directors had filed compounding application(s) with the RBI and has provided an estimated amount of liability amounting to ₹ 74 million which has been disclosed as an exceptional item in earlier years. The said compounding application(s) were, however, returned by the RBI with an advice to the Company to approach RBI's Overseas Investment Division and Foreign Investment Division for further guidance. The Company had sought clarity from RBI officials in this matter.

In the meanwhile, ED had issued a notice initiating the adjudication proceedings in the matter referred to in the SCN. The Company had thereafter filed a Writ petition before the Hon'ble Bombay High Court (the "Court") against RBI and ED challenging return of the said compounding application(s) by RBI.

On June 26, 2018, the Court directed RBI to render necessary guidance to the Company in the matter of compounding of the alleged contraventions under FEMA and consider the compounding application(s) filed by the Company, pursuant to which the Company filed three compounding application(s) with RBI on August 06, 2018, September 26, 2018 and October 04, 2018, for compounding of the contraventions alleged in the SCN which are currently pending for adjudication. Against the Judgment dated June 26, 2018, Enforcement Directorate filed a Special Leave Petition (SLP) before the Supreme Court. The SLP was last listed on December 18, 2020 before the Supreme Court, wherein, the matter was adjourned at the request of ED. The matter is likely to be listed on May 06, 2024. The Company has been advised that there is no merit in the case/demand

- (11) In June 2019, the Company received an order under Section 271AA of the Income Tax Act for A.Y.2015-16, wherein the Income

(All amounts in ₹ millions, unless otherwise stated)

Tax department has imposed a penalty of ₹ 6.32 million for failure to keep and maintain information and documents in respect of certain specified domestic transactions as required by sub-section (1) or subsection (2) of Section 92D. The Company has filed an appeal in July 2019 before CIT(A) against the said order which is pending for disposal. The demand raised has been adjusted with the refunds due to the Company. More likely it will be decided in favour of the Company.

- (12) The Company has received a Notice of Demand ("Notice") dated November 22, 2019, issued by SEBI whereby, the Company has been directed to pay a sum of ₹ 30.7 million along with further interest, all costs, charges and expenses, within 15 (fifteen) days of the receipt of the notice, failing which the recovery shall be made in accordance with the provisions of applicable laws. The said notice of demand has been issued by SEBI for recovery of penalty of ₹ 20 million for alleged non disclosure of ₹ 4,500 million of tax demand raised by Income Tax Department on February 21, 2014. The Company has been advised that in view of the Judgment dated September 04, 2019 passed by the Bombay High Court, the adjudication in respect of said penalty of ₹ 20 million has been invalidated and consequently the said Notice is untenable in law. SEBI has filed a Special Leave Petition before the Supreme Court challenging the Judgment dated September 04, 2019 passed by the Bombay High Court. The matter is likely to be listed in May 07, 2024. The Company has been advised that there is no merit in the case/demand.
- (13) In September 2018, the Company received a demand amounting to ₹ 0.39 million being penalty imposed by the Income Tax department under section 27(1)(c) of the Income Tax Act for A.Y.2007-08. Against the said order, in October 2018, the Company filed an appeal before CIT(A) which is pending for disposal. The demand raised has been adjusted with the refunds due to the Company. More likely it will be decided in favour of the Company.
- (14) In May 2012, NDTV Studios Limited (merged with NDTV w e f December 17, 2010) had received a demand for income tax, amounting to ₹ 2.18 million for assessment year 2009-10.

Notes to the standalone financial statements

for the year ended March 31, 2024

In August 2022, the Company received an order from ITAT wherein ITAT dismissed the appeal of the Company. The Company has already deposited an amount of ₹ 1 million under protest. The Company is in the process of paying the remaining amount. Provision for demand has been made in the books of accounts. In respect of the contraventions which are substantive in nature, it is unlikely that any penalty may be imposed on the Company.

- (15) In March 2016, the Company received a demand amounting to ₹ 2.90 million for AY 2012-13. In April 2016, the Company filed an appeal before CIT(A) against the said order which is pending for disposal. The demand including interest amounting to ₹ 3.10 million has been adjusted with the refunds due to the Company. More likely it will be decided in favour of the Company.
- (16) On July 03, 2018, the Company received an order under Section 271G of the Income Tax Act dated June 25, 2018 for A.Y.2014-15, wherein the Income Tax department has imposed a penalty of ₹ 6.99 million by alleging that the Company failed to furnish information/document as required by sub section 3 of Section 92D, in respect of Specified Domestic Transactions entered by the Company. Against the said order, in July 2018, the Company filed an appeal before CIT(A) which is pending for disposal. More likely it will be decided in favour of the Company.
- (17) On July 03, 2018, the Company received an order under Section 271BA of the Income Tax Act dated June 25, 2018 for A.Y.2014-15, wherein the Income Tax department has imposed a penalty of ₹ 0.10 million by alleging that the Company failed to furnish a report from an accountant as required by Section 92E in respect of the specified domestic transactions entered by the Company. Against the said order, in July 2018, the Company filed an appeal before CIT(A) which is pending for disposal. More likely it will be decided in favour of the Company.
- (18) The Income Tax Department initiated reassessment proceedings for AY 2008-09 under Section 147/148 of the Income Tax Act, 1961 ("the Act") vide notice dated March 31, 2015. The Company challenged the proceedings as

(All amounts in ₹ millions, unless otherwise stated)

illegal and void-ab-initio through a Writ Petition in the Delhi High Court, which was dismissed on August 10, 2017. The Company then filed a Special Leave Petition in the Supreme Court, which, on April 03, 2020, ruled in favour of the Company. The Hon'ble Supreme Court in its order quashed the notice dated March 31, 2015 issued under section 148 seeking to re-assess the income for AY 2008-09 and set aside the order of the Delhi High Court which had dismissed the petition of the Company against the re-assessment notice under section 148 of the Act. The Tax Department, in order to circumvent the orders of the Supreme Court, has again initiated reassessment proceedings for the same year. Accordingly, the notice dated May 01, 2020 was issued under section 148. In pursuance of the same, the assessment was carried by the tax department. The Company being aggrieved filed a writ petition before Hon'ble High Court seeking quashing of such notice being without jurisdiction/ challenging the reassessment proceedings. On March 14, 2022, the Hon'ble Delhi High Court granted interim relief to the Company and held that while the Assessing Officer can continue with the process of passing the Assessment Order, however, no effect will be given to any such order till the next date of hearing i.e. April 24, 2024. Accordingly, an assessment order dated March 31, 2022 has been passed by the Assessing Officer, thereby making an addition of ₹ 4050.9 million and raising consequent demand of ₹ 3533.6 million. However, pursuant to the directions of the Hon'ble High Court, no effect could be given by the Assessing officer in respect of such assessment order including no coercive action can be taken for recovery of the demand. More likely than not it would be decided in favour of the Company. The next date of hearing has been fixed for July 16, 2024.

- (19) The Company had received a notice dated August 20, 2018 from SEBI in regard to alleged violation of Clause 36 of erstwhile Listing Agreement for non-disclosure of loan agreements entered into by Dr. Prannoy Roy, Mrs. Radhika Roy ("Promoters") and RPRR Holding Private Limited (Promoter Group

Company) with Vishvapradhan Commercial Private Limited (VCPL) in 2009 - 10. SEBI vide its order dated December 29, 2020 imposed a penalty of ₹ 50 million on the Company for the alleged violation. The Company was not a party to the said loan arrangements and had made disclosures in 2015 in regard to the said loan agreements in response to media reports that speculated change in control. The Company filed an appeal before the Securities Appellate Tribunal ("SAT") challenging the order dated December 29, 2020 passed by SEBI. SAT vide its order dated February 15, 2021 granted partial interim relief to the Company and held that if the Company deposits 50% of the penalty amount (excluding interest), within a period of 4 weeks, then the balance amount shall

not be recovered during the pendency of appeal. The Company filed an appeal before the Hon'ble Supreme Court challenging the interim order dated February 15, 2021 passed by SAT. The Hon'ble Supreme Court vide its order dated March 26, 2021 directed that the order passed by SAT on February 15, 2021 requiring a deposit of 50 percent of the penalty shall stand substituted by a direction that pending the hearing and final disposal of the appeals before SAT, there shall be a stay on the recovery of the penalties. SEBI has filed an appeal before the Supreme Court challenging the SAT Order in the hearing held on May 01, 2023, the court stayed the recovery of demand. The matter is likely to be listed on May 07, 2024. The Company has strong case on merit.

Note 37: Leases

The Company's lease asset classes primarily consist of leases for office premises.

At the date of commencement of the lease, the Company recognizes a right-of-use asset ("ROU") and a corresponding lease liability for all lease arrangements in which it is a lessee, except for leases with a term of twelve months or less (short-term leases) and low value leases. For these short-term and low value leases, the Company recognizes the lease payments as an operating expense on a straight-line basis over the term of the lease.

The cost of the right-of-use asset measured at inception comprises of the amount of initial measurement of the lease liability adjusted for any lease payments made at or before the commencement date. They are subsequently measured at cost less accumulated depreciation and impairment losses. Right-of-use assets are depreciated from the commencement date on a straight-line basis over the shorter of the lease term and useful life of the underlying asset. Right of use assets are evaluated for recoverability whenever events or changes in circumstances indicate that their carrying amounts may not be recoverable.

The lease liability is initially measured at amortized cost at the present value of the future lease payments. The lease payments are discounted using the interest rate implicit in the lease or, if not readily determinable, using the prevailing borrowing rates. Lease liabilities are remeasured with a corresponding adjustment to the related right of use asset if the Company changes its assessment if whether it will exercise an extension or a termination option.

Lease liability and ROU asset have been separately presented in the Balance Sheet and lease payments have been classified as financing cash flows.

On application of Ind AS 116, the nature of expenses has changed from lease rent in previous periods to depreciation cost for the right-to-use asset, and finance cost for interest accrued on lease liability.

Lease arrangements entered by the Company majorly pertains for buildings taken on lease to conduct its business in the ordinary course. The Company does not have any lease restrictions and commitment towards variable rent as per the contract.

Independent Auditor's Report

To the Members of New Delhi Television Limited

Report on the Audit of the Consolidated Financial Statements

Opinion

We have audited the accompanying consolidated financial statements of **New Delhi Television Limited** ("the Holding Company") and its subsidiaries (Holding Company and its subsidiaries together referred to as "the Group"), its associates and joint ventures, which comprise the Consolidated Balance Sheet as at March 31, 2024, and the Consolidated Statement of Profit and Loss (including Other Comprehensive Income), the Consolidated Statement of Changes in Equity and the Consolidated Statement of Cash Flows for the year then ended, and notes to the consolidated financial statements, including a summary of material accounting policies ("the consolidated financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid consolidated financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under Section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended and other accounting principles generally accepted in India, of their consolidated state of affairs of the Group, its associates and joint ventures as at March 31, 2024, of consolidated loss, consolidated total comprehensive loss, consolidated changes in equity and its consolidated cash flows for the year then ended.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under Section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Group in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("the ICAI") together with the ethical requirements that are relevant to our audit of the consolidated financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the consolidated financial statements of the current period. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

Sr. No.	Key audit matters	How our audit addressed the key audit matter
1.	<p>Litigation with Enforcement Directorate</p> <p>See note 36 to the consolidated financial statements.</p> <p>During the year ended March 31, 2016, the Holding Company and its certain executive directors had received a show cause notice from Directorate of Enforcement ('ED') on account of certain contraventions under the Foreign Exchange Management Act, 1999 ("FEMA") and regulations made thereunder in respect of investments in Indian subsidiaries made by overseas subsidiaries of the Holding Company. Based on the legal advice obtained from an external firm of lawyers, the Holding Company had filed a compounding application with the Reserve Bank of India ('RBI') in respect of alleged contraventions and further filed writ petition before the Bombay High Court since RBI refused to consider the Holding Company's compounding application. Provision for ₹ 74 million was recognised on account of compounding fee during the year ended March 31, 2017.</p>	<p>In view of the significance of the matter we applied the following audit procedures in this area, among others to obtain sufficient appropriate audit evidence:</p> <ul style="list-style-type: none"> Obtaining and inspecting the board minutes, correspondence with regulators and confirmations from the Company's legal counsel and enquiring with the Holding Company's legal team to understand the status and potential updates on these matters. Involving our specialists for assessing the possible outcome of the matters and challenging the assumptions used in estimation of the provision for compounding fee based on their knowledge and experience of the application of local legislation by the relevant authorities and courts.

During the year ended March 31, 2019, the Holding Company and its certain executive directors had received another show cause notice from Directorate of Enforcement ('ED') on additional matters in respect of the above investments in Indian subsidiaries made by overseas subsidiaries of the Holding Company. Based on the legal advice obtained from an external firm of lawyers, the Holding Company will be filing a compounding application with the RBI in respect of additional alleged contraventions based on the outcome of primary matter and a provision for ₹ 40 million was recognised on account of estimated compounding fee during the previous years.

We have identified the above as key audit matter because of the significance of the amounts, significant judgment and estimation involved in assessing the outcome of the matter and the related amount of outflow required for settlement as at March 31, 2024.

2. Assessment of the provision arising from ongoing tax litigations

See note 36 to the consolidated financial statements.

The Group is subject to a number of on-going litigations with direct tax authorities involving significant amounts. These direct tax litigations are at various stages, ranging from preliminary discussions with tax authorities through to tax tribunal or court proceedings and resolution of these matters can take extended time. There is inherent uncertainty and significant judgment involved in assessing the outcome and consequentially whether or not any provision and / or disclosures are required for these tax matters.

In view of the above we have identified ongoing tax litigations as a key audit matter.

- Assessing the adequacy of the provision recognised for these litigations.
- Assessing the adequacy of the disclosures for provision recognised and contingent liability in the consolidated financial statements as per the relevant accounting standards in particular the disclosure of the estimation of uncertainty.

In view of the significance of the matter we applied the following audit procedures in this area, among others to obtain sufficient appropriate audit evidence:

- Understanding judgments and estimates made by the Group with respect to direct tax litigation.
- Involving our tax specialists for evaluating the Group's assessment of the possible outcome of the matters and analysing and challenging the assumptions used in estimation of tax provisions based on their knowledge and experiences of the application of local legislation by the relevant authorities and courts.
- Assessing the adequacy of provision for ongoing direct tax litigations where required.
- Assessing the adequacy of the Group's disclosures in respect of ongoing direct tax litigations as per the relevant accounting standards.

Information Other than the Consolidated Financial Statements and Auditor's Report Thereon

The Holding Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Business Responsibility and Sustainability Report, Corporate Governance and Shareholder's Information, but does not include the consolidated financial statements, Standalone Financial Statements and our auditor's report thereon.

Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon. In connection with our audit of the consolidated

financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Consolidated Financial Statements

The Holding Company's Board of Directors is responsible for the preparation and presentation of

these consolidated financial statements in term of the requirements of the Act, that give a true and fair view of the consolidated financial position, consolidated financial performance (including other comprehensive income), consolidated statement of changes in equity and consolidated cash flows of the Group including its associates and joint venture in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards specified under Section 133 of the Act. The respective Board of Directors of the companies included in the Group and of its associate and joint venture are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Group and its associates and joint venture and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Holding Company, as aforesaid.

In preparing the consolidated financial statements, the respective Board of Directors of the companies included in the Group and of its associates and joint venture are responsible for assessing the ability of the Group and of its associates and joint venture to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless Management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the companies included in the Group and of its associates and joint venture are responsible for overseeing the financial reporting process of the Group and of its associates and joint venture.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions

of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Holding Company has adequate internal financial controls system with reference to consolidated financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by Management.
- Conclude on the appropriateness of Management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group and its associates and joint venture to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group and its associates and joint venture to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities within the Group and its associates and joint

venture to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the audit of financial statements information of such entities included in the consolidated financial statements of which we are the independent auditors. We remain solely responsible for our audit opinion.

We communicate with those charged with governance of the Holding Company and such other entities included in the consolidated financial statements of which we are the independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other Matters

- a) The consolidated financial statements also include the Group's share of net loss of ₹ 2.45 million for the year ended March 31, 2024, as considered in the consolidated financial statements, in respect of one associate and one joint venture, whose financial statements/financial information have not been audited by us. These financial statements/financial information are unaudited and have been furnished to us by the management and our opinion on the consolidated financial statements, in so far as it relates to the amounts and disclosures included in respect of these entities is based solely on such unaudited financial statements/ financial

information. In our opinion and according to the information and explanations given to us by the management, these financial statements/ financial information are not material to the Group.

Our opinion on the consolidated financial statements above, and our report on Other Legal and Regulatory Requirements below, is not modified in respect of the above matter with respect to our reliance on the financial statements/ financial information furnished by the management.

- b) In respect of four joint ventures of the Holding Company as stated in Note 2(v) of the consolidated financial statements, we have not received financial statements/ financial information of these entities for the year ended March 31, 2024. Furthermore, since the investments made by NDTV group in these entities have been fully impaired in the earlier years on account of losses incurred by these entities, hence, based on their past performance and on the currently available information and explanations, there is no foreseeable financial impact to the consolidated financial results of the Group. According to the information and explanations given to us by the management, these financial information are not material to the Group.

Our opinion on the consolidated financial statements above, and our report on Other Legal and Regulatory Requirements below, is not modified in respect of the above matter.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of Section 143 of the Act, based on the comments in the auditors' reports of the Holding Company, subsidiaries and associates incorporated in India, we report hereunder the matter specified in paragraphs 3 and 4 of the Order, to the extent applicable, that:

(xxi) There are qualifications or adverse remarks by the respective auditors in the Companies (Auditor's Report) Order (CARO) reports of the companies included in the consolidated financial statements, the details of which are given below

2. As required by Section 143(3) of the Act, based on our audit, we report, to the extent applicable, other than those referred to in paragraph (b) of "Other Matters" above:

- (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid consolidated financial statements.
- (b) In our opinion, proper books of account as required by law relating to preparation of the aforesaid consolidated financial statements have been kept so far as it appears from our examination of those books.
- (c) The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss (including Other Comprehensive Income), the Consolidated Statement of Changes in Equity and the Consolidated Statement of Cash Flows dealt with by this Report are in agreement with the relevant books of account maintained for the purpose of preparation of the consolidated financial statements.
- (d) In our opinion, the aforesaid consolidated financial statements comply with the Indian Accounting Standards specified under Section 133 of the Act.
- (e) On the basis of the written representations received from the directors of the Holding Company as on March 31, 2024 taken on record by the Board of Directors of the Holding Company, and the written representations received from the directors of subsidiaries, associate and joint venture incorporated in India, none of the directors of the Group companies, its associate and joint venture incorporated in India is disqualified as on March 31, 2024 from being appointed as a director in terms of Section 164 (2) of the Act.
- (f) With respect to the adequacy of internal financial controls with reference to financial statements of the Holding Company, its subsidiary companies and associate, incorporated in India and the operating effectiveness of such controls, refer to our separate report in Annexure A.
- (g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of Section 197(16) of the Act, as amended, in our opinion and to the

best of our information and according to the explanations given to us, the remuneration paid by the Holding Company to its directors during the year is in accordance with the provisions of Section 197 of the Act.

- (h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us:
 - i. The consolidated financial statements disclose the impact of pending litigations on the consolidated financial position of the Group, its associate and joint venture - Refer Note 36 to the consolidated financial statements.
 - ii. The Group, its associate and joint venture did not have any material foreseeable losses on long-term contracts including derivative contracts.
 - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Holding Company, and its subsidiaries, associate and joint venture incorporated in India.
 - iv. (a) The respective managements of the Holding Company and its subsidiaries, associate and joint venture which are companies incorporated in India, whose financial statements have been audited under the Act, have represented to us that, to the best of their knowledge and belief, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Holding Company or any such subsidiaries, associate and joint venture to or in any other persons or entities, including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Holding Company or any of such subsidiaries, associates and joint ventures ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.

- (b) The respective managements of the Holding Company and its subsidiaries, associate and joint venture which are companies incorporated in India, whose financial statements have been audited under the Act, have represented to us that, to the best of their knowledge and belief, no funds (which are material either individually or in the aggregate) have been received by the Holding Company or any of such subsidiaries, associates and joint ventures from any persons or entities, including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Holding Company or any of such subsidiaries, associate and joint venture shall, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.

- (c) Based on the audit procedures that have been considered reasonable and appropriate in the circumstances performed by us which are companies incorporated in India whose financial statements have been audited under the Act, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e) contain any material misstatement.

- v. The Holding Company or neither any of its subsidiaries, associates and joint venture has not declared or paid any dividend during the year and has not proposed final dividend for the year.
- vi. Based on our examination which included test checks, the Holding Company, subsidiaries and its associates have used accounting softwares

for maintaining its books of account for the financial year ended March 31, 2024, which has a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the softwares. Further, during the course of our audit we did not come across any instance of audit trail feature being tampered with.

The financial statements of joint venture that are not material to the consolidated financial statements of the Group, have not been audited under the provisions of the Act as of the date of this report. Therefore, we are unable to comment on the reporting requirement under Rule 11 (g) of the Companies (Audit and Auditors) Rules, 2014 in respect of this joint venture.

As proviso to Rule 3(1) of the Companies (Accounts) Rules, 2014, as amended is applicable for the Holding Company and its subsidiaries, associates and joint venture which are companies incorporated in India, only with effect from 01 April, 2023, therefore, reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014, as amended, on preservation of audit trail as per the statutory requirements for record retention is not applicable for financial year ended March 31, 2024.

Annexure A

to the Independent Auditor's Report

(Referred to in paragraph 1(f) under 'Report on Other Legal and Regulatory Requirements' section of the Independent Auditor's Report of even date to the members of **New Delhi Television Limited** on the consolidated financial statements as of and for the year ended March 31, 2024)

Independent Auditor's report on the Internal Financial Controls under Clause (i) of sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

In conjunction with our audit of the consolidated financial statements of the Company as of and for the year ended March 31, 2024, we have audited the internal financial controls with reference to consolidated financial statements of New Delhi Television Limited (hereinafter referred to as "Holding Company"), its five subsidiaries and one associate, which are companies incorporated in India, as of that date.

Management's Responsibility for Internal Financial Controls

The respective Board of Directors of the Holding Company, its subsidiaries and its associate, which are companies incorporated in India, are responsible for establishing and maintaining internal financial controls based on the internal financial control with reference to financial statements criteria established by the entity considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the 'Guidance Note') issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of the Company's business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors' Responsibility

Our responsibility is to express an opinion on the internal financial controls with reference to financial statements of the Holding Company, its subsidiaries and its associate as aforesaid, based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting

(the "Guidance Note") and the Standards on Auditing, issued by the Institute of Chartered Accountants of India ("the ICAI") and deemed to be prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to consolidated financial statements were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system with reference to consolidated financial statements and their operating effectiveness. Our audit of internal financial controls with reference to consolidated financial statements included obtaining an understanding of internal financial controls with reference to consolidated financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls of the Holding Company and its five subsidiaries and one associate as aforesaid.

Meaning of Internal Financial Controls with reference to Consolidated Financial Statements

A Company's internal financial controls with reference to consolidated financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial controls with reference to consolidated financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets

of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorisations of management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls with reference to Consolidated Financial Statements

Because of the inherent limitations of internal financial controls with reference to consolidated financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to consolidated financial statements to future periods are subject to the risk that the internal financial controls with reference to consolidated financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Holding Company, its subsidiary companies and associate Company, which are companies incorporated in India, have, in all material respects, adequate internal financial controls system with reference to consolidated financial statements and such internal financial controls with reference to consolidated financial statements were operating effectively as at March 31, 2024, based on the internal financial control with reference to consolidated financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note issued by the ICAI.

Notes to the consolidated financial statements

for the year ended March 31, 2024

Reporting entity

New Delhi Television Limited (the Company/Holding Company) is a public limited Company incorporated in India under the provisions of the Companies Act, 1956 having its registered office at W-17, 2nd Floor, Greater Kailash – I, New Delhi-110048, Delhi, India. Its shares are listed on the National Stock Exchange of India Limited (NSE) and Bombay Stock Exchange Limited (BSE) in India.

The Group is in the business of television media and currently operates five channels (NDTV 24x7, NDTV India, NDTV Profit, NDTV MPCG and NDTV Rajasthan). The subsidiaries of the Company include NDTV Convergence Limited (to exploit the synergies between television, internet and mobile and owns the website ndtv.com) and NDTV Worldwide Limited, which offers high end consultancy for setting up channels in emerging markets across the world, channel management services. The Group also has associates and joint venture engaged into different e-commerce businesses on various platforms such as www.Gadgets360.com and www.mojarto.com.

These consolidated financial statements comprise the Company and its subsidiaries (referred to collectively as the 'Group') and the Group's interest in associates and joint ventures.

Note 1 Basis of preparation

a. Statement of compliance

These consolidated financial statements have been prepared in accordance with Indian Accounting Standards (IndAS) as notified by Ministry of Corporate Affairs Pursuant to section 133 of the Companies Act, 2013 ("Act") read with of the Companies (Indian Accounting Standards) Rules, 2015 as amended and other relevant provisions of the Act.

The consolidated financial statements were authorised for issue by the Company's Board of Directors on April 26, 2024.

b. Functional and presentation currency

The financial statements are presented in Indian Rupee (₹), which is the functional and presentation currency of the parent Company. All amount have been rounded of to nearest million, unless otherwise stated.

(All amounts in ₹ millions, unless otherwise stated)

c. Basis of measurement

The consolidated financial statements have been prepared on the historical cost basis except for the following items:

Items	Measurement basis
Certain financial assets	Fair value
Net defined benefit (asset)/ liability	Fair value of plan assets less present value of defined benefit obligations

d. Use of estimates and judgements

In preparing these consolidated financial statements, management has made judgements, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, income and expenses. Actual results may differ from these estimates.

Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised prospectively.

i. Judgements

The preparation of financial statements requires the use of accounting estimates which, by definition, will seldom equal the actual results. Management exercises judgement in applying the group's accounting policies.

This note provides an overview of the areas that involved a higher degree of judgement or complexity, and of items which are more likely to be materially adjusted due to estimates and assumptions turning out to be different than those originally assessed. Detailed information about each of these estimates and judgements is included in relevant notes together with information about the basis of calculation for each affected line item in the consolidated financial statements.

ii. Assumptions and estimation uncertainties

The areas involving critical estimates are:

- Recognition and measurement of provisions and contingencies;
- Estimation of defined benefit obligation;
- Estimated useful life of tangible and intangible asset;

Notes to the consolidated financial statements

for the year ended March 31, 2024

- Fair value of barter transaction;
- Impairment test of non-financial assets; and
- Impairment of trade receivables and other financial assets.

Estimates and judgements are continually evaluated. They are based on historical experience and other factors, including expectations of future events that may have a financial impact on the group and that are believed to be reasonable under the circumstances.

e. Current versus non-current classifications

The Group presents assets and liabilities in the Balance Sheet based on the current/non current classification.

All assets and liabilities have been classified as current and non-current as per the Group normal operating cycle. Based on the nature of services rendered to customers and time elapsed between deployment of resources and the realisation in cash and cash equivalents of the consideration for such services rendered, the Group has considered an operating cycle of 12 months. The statement of cash flows has been prepared under indirect method, whereby profit or loss is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and items of income or expense associated with investing or financing cash flows. The cash flows from operating, investing and financing activities of the Group are segregated. The Group considers all highly liquid investments that are readily convertible to known amounts of cash and are subject to an insignificant risk of changes in value to be cash equivalents.

f. Measurement of fair values

A number of the Group's accounting policies and disclosures require the measurement of fair values, for both financial and non-financial assets and liabilities.

The Group has an established control framework with respect to the measurement of fair values. This includes a finance team that has overall responsibility for overseeing all significant fair value measurements, including Level 3 fair values, and reports directly to the Chief Financial Officer, NDTV Group.

(All amounts in ₹ millions, unless otherwise stated)

When measuring the fair value of an asset or a liability, the Group uses observable market data as far as possible. If the inputs used to measure the fair value of an asset or a liability fall into different levels of the fair value hierarchy, then the fair value measurement is categorised in its entirety in the same level of the fair value hierarchy as the lowest level input that is significant to the entire measurement.

The Group recognise transfers between levels of the fair value hierarchy at the end of the reporting period during which the change has occurred.

Further the information about the assumptions made in measuring fair values is included in the respective notes:

- share-based payment arrangements;
- investment property; and
- financial instruments.

Note 2 Material accounting policies

This note provides a list of the material accounting policies adopted in the preparation of financial statements. The accounting policies adopted are consistent with those of the previous financial year, except if mentioned otherwise.

a. Basis of consolidation

i. Subsidiaries

Subsidiaries are entities controlled by the Group. The Group controls an entity when it is exposed to, or has rights to, variable returns from its involvement with the entity and has the ability to affect those returns through its power over the entity. The financial statements of subsidiaries are included on a line-by-line basis by adding together the book values of the like items of assets, liabilities, equity, income and expenses in the consolidated financial statements from the date on which control commences until the date on which control ceases.

ii. Non-controlling interests (NCI)

NCI are measured at their proportionate share of the acquirer's net identifiable assets at the date of acquisition

Changes in the Group's equity interest in a subsidiary that do not result in a loss of control are accounted for as equity transactions.

Notes to the consolidated financial statements

for the year ended March 31, 2024

iii. Loss of control

When the Group loses control over a subsidiary, it derecognises the assets and liabilities of the subsidiary, and any related NCI. Any interest retained in the former subsidiary is measured at fair value at the date the control is lost. Any resulting gain or loss is recognised in profit or loss.

iv. Equity accounted investees

The Group's interests in equity accounted investees comprise interests in associate and joint ventures.

An associate is an entity in which the Group has significant influence, but not control or joint control, over the financial and operating policies. A joint venture is an arrangement in which the Group has joint control and has rights to the net assets of the arrangement.

Interests in associate and joint ventures are accounted for using the equity method. They are initially recognised at cost which includes

(All amounts in ₹ millions, unless otherwise stated)

transaction costs. Subsequent to initial recognition, the consolidated financial statements include the Group's share of profit or loss and OCI of equity-accounted investees until the date on which significant influence or joint control ceases.

When the group's share of losses in an equity-accounted investment equals or exceeds its interest in the entity, including any other unsecured long-term receivables, the group does not recognise further losses, unless it has incurred obligations or made payments on behalf of the other entity.

v. Transactions eliminated on consolidation

Intra-group balances and transactions, and any unrealised income arising from intra-group transactions, are eliminated.

The list of Companies / Firms included in consolidation, relationship with the Company and shareholding therein is as under. The reporting date for all the entities is March 31, 2024 except otherwise specified.

*During the previous year BrickBuyBrick Projects Limited and Smartcooky Internet Limited liquidated under Section 59 (7) of Insolvency and Bankruptcy Code, 2016 (Voluntary Liquidation Process), Regulation 2017.

**During the previous year On Demand Transportation Technologies Limited went for liquidation under Section 59 (7) of Insolvency and Bankruptcy Code, 2016 (Voluntary Liquidation Process), Regulation 2017, since the Group did not have any control on the subsidiary, hence deconsolidated during the previous year.

This Company liquidated during the year and there is no impact in current year financial statement.

***On May 25, 2023, Astro Awani Network Sdn. Bhd. (Awani) informed the Company about the revised shareholding pattern of Awani, wherein, the equity shareholding capital of the Company and NDTV Networks Limited (a subsidiary of the Company) in Awani has been diluted by 2.31% each, via issuance of shares to Astro Entertainment Sdn. Bhd. for partial redemption of preference shares. The

Notes to the consolidated financial statements

for the year ended March 31, 2024

total equity share capital of the Company and NDTV Networks Limited in Awani is reduced to 15.38% after dilution. The Company has disputed this transaction in the communication sent to Awani and accordingly, Awani has been considered as an associate Company till the finality of the rights of the Company as a shareholder.

****On April 19, 2022, the Board of Directors of the Company has approved the execution of Share Purchase Agreement between the Company and Bathla Teletech Private Limited and its affiliates ("the Purchasers") for sale of 100% shares held in Delta SoftPro Private Limited (a subsidiary of the Company) for a consideration of ₹ 280 million. The transaction had been completed on March 28, 2023. Delta Softpro Private Limited had ceased to be the wholly owned subsidiary of the Company w.e.f March 28, 2023.

In respect of four joint ventures of the Company namely Indianroots Retail Private Limited, Indianroots Shopping Limited, Lifestyle & Media Broadcasting Limited, Lifestyle & Media Holdings Limited, we have not received financial statements of these entities for the quarter and year ended March 31, 2024 As investments made by NDTV group in these entities have been written off in the earlier years on account of losses incurred by these entities, hence, based on their past performance, there is no adjustment required to the consolidated financial statements of the Company.

b. Financial instruments

Financial instrument is any contract that gives rise to a financial asset of the entity and a financial liability or equity instrument of another entity.

i. Recognition and initial measurement

Trade receivables and debt securities issued are initially recognised when they are originated. All other financial assets and financial liabilities are initially recognised when the Group becomes a party to the contractual provisions of the instrument.

A financial asset or financial liability is initially measured at fair value plus, for an item not at fair value through profit and loss (FVTPL), transaction costs that are directly attributable to its acquisition or issue.

ii. Classification and subsequent measurement

Financial assets

On initial recognition, a financial asset is classified as measured at:

- amortised cost;
- FVTPL"

(All amounts in ₹ millions, unless otherwise stated)

Financial assets are not reclassified subsequent to their initial recognition, except if and in the period the Group changes its business model for managing financial assets.

A financial asset is measured at amortised cost if it meets both of the following conditions and is not designated as at FVTPL:

- the asset is held within a business model whose objective is to hold assets to collect contractual cash flows; and
- the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Financial assets: Subsequent measurement and gains and losses

Financial assets at FVTPL	These assets are subsequently measured at fair value. Net gains and losses, including any interest or dividend income, are recognised in profit or loss.
Financial assets at amortised cost	These assets are subsequently measured at amortised cost using the effective interest method. The amortised cost is reduced by impairment losses, if any. Interest income, foreign exchange gains and losses and impairment are recognised in profit or loss. Any gain or loss on derecognition is recognised in profit or loss.

Financial liabilities: Classification, subsequent measurement and gains and losses

Financial liabilities are classified as measured at amortised cost or FVTPL. A financial liability is classified as at FVTPL if it is classified as held-for-trading, or it is a derivative or it is designated as such on initial recognition. Financial liabilities at FVTPL are measured at fair value and net gains and losses, including any interest expense, are recognised in profit or loss. Other financial liabilities are subsequently measured at amortised cost using the effective interest method. Interest expense and foreign exchange gains and losses are recognised in profit or loss. Any gain or loss on derecognition is also recognised in profit or loss.

Notes to the consolidated financial statements

for the year ended March 31, 2024

iii. Derecognition:

Financial assets

The Group derecognises a financial asset when the contractual rights to the cash flows from the financial asset expire, or it transfers the rights to receive the contractual cash flows in a transaction in which substantially all of the risks and rewards of ownership of the financial asset are transferred or in which the Group neither transfers nor retains substantially all of the risks and rewards of ownership and does not retain control of the financial asset.

If the Group enters into transactions whereby it transfers assets recognised on its Balance Sheet, but retains either all or substantially all of the risks and rewards of the transferred assets, the transferred assets are not derecognised.

Financial liabilities

The Group derecognises a financial liability when its contractual obligations are discharged or cancelled, or expire.

The Group also derecognises a financial liability when its terms are modified and the cash flows under the modified terms are substantially different. In this case, a new financial liability based on the modified terms is recognised at fair value. The difference between the carrying amount of the financial liability extinguished and the new financial liability with modified terms is recognised in profit or loss.

c. Property, plant and equipment

i. Recognition and measurement:

Items of property, plant and equipment are measured at cost, which includes capitalised borrowing costs, less accumulated depreciation and accumulated impairment losses, if any.

Cost of an item of property, plant and equipment comprises its purchase price, including import duties and non-refundable purchase taxes, after deducting trade discounts and rebates, any directly attributable cost of bringing the item to its working condition for its intended use and estimated costs of dismantling and removing the item and restoring the site on which it is located.

The cost of a self-constructed item of property, plant and equipment comprises the cost of materials and direct labour, any other costs directly attributable

(All amounts in ₹ millions, unless otherwise stated) to bringing the item to working condition for its intended use, and estimated costs of dismantling and removing the item and restoring the site on which it is located.

If significant parts of an item of property, plant and equipment have different useful lives, then they are accounted for as separate items (major components) of property, plant and equipment.

Any gain or loss on disposal of an item of property, plant and equipment is recognised in profit or loss.

ii. Subsequent expenditure:

Subsequent expenditure is capitalised only if it is probable that the future economic benefits associated with the expenditure will flow to the Group.

iii. Capital Work in Progress

Expenditure related to and incurred during implementation of capital projects to get the assets ready for intended use is included under "Capital Work in Progress". The same is allocated to the respective items of property plant and equipment on completion of construction/ property plant and equipment. The cost of asset not ready for its intended use before the year end & capital inventory are disclosed under capital work in progress.

iv. Depreciation:

Depreciation is calculated on cost of items of property, plant and equipment less their estimated residual values over their estimated useful lives using the straight-line method, and is generally recognised in the statement of profit and loss. Freehold land is not depreciated.

The useful lives as estimated for tangible assets are in accordance with the useful lives as indicated in Schedule II of the Companies Act, 2013 except for the following classes of assets where difference useful lives have been used:

Asset Class	Useful life (in years)
Buildings	40-60
Vehicles	5-8
Computers	3-6

Depreciation method, useful lives and residual values are reviewed at each financial year-end and adjusted if appropriate. Based on technical evaluation and

Notes to the consolidated financial statements

for the year ended March 31, 2024

consequent advice, the management believes that its estimates of useful lives as given above best represent the period over which management expects to use these assets.

Depreciation on additions (disposals) is provided on a pro-rata basis i.e. from (up to) the date on which asset is ready for use (disposed of).

e. Other intangible assets

Intangible assets including those acquired by the Group in a business combination are initially measured at cost. Such intangible assets are subsequently measured at cost less accumulated amortisation and any accumulated impairment losses.

i. Subsequent expenditure:

Subsequent expenditure is capitalised only when it increases the future economic benefits embodied in the specific asset to which it relates. All other expenditure, including expenditure on is recognised in profit or loss as incurred.

ii. Amortisation:

Amortisation is calculated to write off the cost of intangible assets less their estimated residual values over their estimated useful lives using the straight-line method, and is included in depreciation and amortisation in Statement of Profit and Loss.

The estimated useful lives are as follows:

Asset Class	Useful life (In years)
Computer Software	6
Website	6

Amortisation method, useful lives and residual values are reviewed at the end of each financial year and adjusted if appropriate.

f. Investment property

Investment property is property held either to earn rental income or for capital appreciation or for both, but not for sale in the ordinary course of business, use in the production or supply of goods or services or for administrative purposes. Upon initial recognition, an investment property is measured at cost. Subsequent to initial recognition, investment property is measured at cost less accumulated depreciation and accumulated impairment losses, if any.

(All amounts in ₹ millions, unless otherwise stated)

Based on technical evaluation and consequent advice, the management believes a period of 40 to 60 years as representing the best estimate of the period over which investment properties (which are quite similar) are expected to be used. Accordingly, the Company depreciates investment properties over a period of 40-60 years on a straight-line basis.

Any gain or loss on disposal of an investment property is recognised in profit or loss.

g. Impairment

i. Impairment of financial instruments

The Group recognises loss allowances for expected credit losses on:

financial assets measured at amortised cost

At each reporting date, the Group assesses whether financial assets carried at amortised cost are credit-impaired. A financial asset is 'credit-impaired' when one or more events that have a detrimental impact on the estimated future cash flows of the financial asset have occurred.

The Group measures loss allowances at an amount equal to lifetime expected credit losses, except for the following, which are measured as 12 month expected credit losses:

- debt securities that are determined to have low credit risk at the reporting date; and
- other debt securities and bank balances for which credit risk (i.e. the risk of default occurring over the expected life of the financial instrument) has not increased significantly since initial recognition."

Lifetime expected credit losses are the expected credit losses that result from all possible default events over the expected life of a financial instrument.

12-month expected credit losses are the portion of expected credit losses that result from default events that are possible within 12 months after the reporting date (or a shorter period if the expected life of the instrument is less than 12 months).

In all cases, the maximum period considered when estimating expected credit losses is the maximum contractual period over which the Group is exposed to credit risk.

Presentation of allowance for expected credit losses in the Balance Sheet

Notes to the consolidated financial statements

for the year ended March 31, 2024

Loss allowances for financial assets measured at amortised cost are deducted from the gross carrying amount of the assets.

Write-off

The gross carrying amount of a financial asset is written off (either partially or in full) to the extent that there is no realistic prospect of recovery. This is generally the case when the Group determines that the debtor does not have assets or sources of income that could generate sufficient cash flows to repay the amounts subject to the write-off. However, financial assets that are written off could still be subject to enforcement activities in order to comply with the Group's procedures for recovery of amounts due.

h. Employee benefits

i. Short-term employee benefits:

Short-term employee benefit obligations are measured on an undiscounted basis and are expensed as the related service is provided. A liability is recognised for the amount expected to be paid e.g., under short-term cash bonus, if the Group has a present legal or constructive obligation to pay this amount as a result of past service provided by the employee, and the amount of obligation can be estimated reliably.

ii. Defined contribution plan

A defined contribution plan is a post-employment benefit plan under which an entity pays fixed contributions into a separate entity and will have no legal or constructive obligation to pay further amounts. The Group makes specified monthly contributions towards Government administered provident fund scheme. Obligations for contributions to defined contribution plans are recognised as an employee benefit expense in profit or loss in the periods during which the related services are rendered by employees.

iii. Defined benefit plan

A defined benefit plan is a post-employment benefit plan other than a defined contribution plan. The Group's net obligation in respect of defined benefit plans is calculated separately for each plan by estimating the amount of future benefit that employees have earned in the current and prior

(All amounts in ₹ millions, unless otherwise stated) periods, discounting that amount and deducting the fair value of any plan assets. In respect of gratuity, the Group funds the benefits through annual contributions to the Life Insurance Corporation of India (LIC). Under this scheme, LIC assumes the obligation to settle the gratuity payment to the employees to the extent of the funding including accumulated interest.

The calculation of defined benefit obligation is performed annually by a qualified actuary using the projected unit credit method taking into consideration the various determination of the discount rate, future salary increases and mortality rate. When the calculation results in a potential asset for the Group, the recognised asset is limited to the present value of economic benefits available in the form of any future refunds from the plan or reductions in future contributions to the plan ('the asset ceiling').

Remeasurements of the net defined benefit liability, which comprise actuarial gains and losses, the return on plan assets (excluding interest) and the effect of the asset ceiling (if any, excluding interest), are recognised in OCI. The Group determines the net interest expense (income) on the net defined benefit liability (asset) for the period by applying the discount rate used to measure the defined benefit obligation at the beginning of the annual period to the then-net defined benefit liability (asset), taking into account any changes in the net defined benefit liability (asset) during the period as a result of contributions and benefit payments. Net interest expense and other expenses related to defined benefit plans are recognised in profit or loss.

When the benefits of a plan are changed or when a plan is curtailed, the resulting change in benefit that relates to past service ('past service cost' or 'past service gain') or the gain or loss on curtailment is recognised immediately in profit or loss. The Group recognises gains and losses on the settlement of a defined benefit plan when the settlement occurs.

iv. Termination benefits

Termination benefits are expensed at the earlier of when the Group can no longer withdraw the offer of those benefits and when the Group recognises costs for a restructuring. If benefits are not expected to be settled wholly within 12 months of the reporting date, then they are discounted.

Notes to the consolidated financial statements

for the year ended March 31, 2024

vi. Other Employee Benefits

Other employee benefits comprise of compensated absences/leaves. The actuarial valuation is done as per projected unit credit method. Remeasurements as a result of experience adjustments and changes in actuarial assumptions are recognised in the Statement of Profit and Loss effective from April 01, 2023.

i. Provisions

A provision is recognised if, as a result of a past event, the Group has a present legal or constructive obligation that can be estimated reliably, and it is probable that an outflow of economic benefits will be required to settle the obligation. In case the time value of money exist in a contract, provisions if required are determined by discounting the expected future cash flows (representing the best estimate of the expenditure required to settle the present obligation at the Balance Sheet date) at a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability only if it is material. The unwinding of the discount is recognised as finance cost. Expected future operating losses are not provided for.

j. Revenue from contracts with customers

The Group earns revenue primarily from advertisement, events, subscription, programme production, sale of content and commission income from online booking of gadgets and its accessories under market place model.

The Group assesses the services promised in a contract and identifies distinct performance obligations in the contract. The Company also enters into certain multiple element revenue arrangements for performance of multiple services including free/bonus spots along with paid spots. In all cases, the total transaction price for a contract is allocated amongst the various performance obligations based on their relative stand-alone selling prices.

In case the performance obligation in a contract is performed over a period, then revenue is recognized ""over the period of contract"". In case the performance obligation in the contract has been performed at a time, revenue is recognized at a "point in time".

(All amounts in ₹ millions, unless otherwise stated) Revenue is recognised upon transfer of control of promised services to customers in an amount that reflects the consideration which the Group expects to receive in exchange for those services.

- Advertisement revenue from broadcasting is recognised at a point of time when advertisements are displayed. The revenue with regards to the contracts where drop slots/bonus slots offered to its customers is deferred.
- Revenue from events are recognised as the services are provided over a period of time.
- Subscription revenue from direct-to-home satellite operators and other distributors for the right to distribute the channels is recognised when the service has been provided as per the terms of the contract.
- Revenues from production arrangements are recognised when the contract period begins and the programming is available for telecast pursuant to the terms of the agreement. Typically the milestone is reached when the finished product has been delivered or made available to and accepted by the customer.
- Revenues from content - Revenue from content provided to Mobile VAS operators is recognized when services are rendered.
- Consultancy services - Revenue from consultancy services are recognised as the services are rendered over a period of time.
- Advertisement revenue through website- the Group recognises revenue when the advertising spots delivered on digital platforms as impressions. An "impression" is delivered when an advertisement appears in pages viewed by users. The Group recognizes revenue from the display of text based links to the websites of its advertisers ("search advertising") which are placed on the website. Search advertising revenue is recognized as "click through" occur. A "click-through" occurs when a user clicks on an advertiser's listing.
- Revenue from shared services are recognised in accordance with the terms of the contract as the services are rendered to the customers

Revenue is measured based on the transaction price, which is the consideration, adjusted for volume discounts and incentives, if any, as specified in the

Notes to the consolidated financial statements

for the year ended March 31, 2024

(All amounts in ₹ millions, unless otherwise stated)

contract with the customer. Revenue also excludes taxes collected from customers.

Contract assets are recognised when there is excess of revenue earned over billings on contracts. Contract assets are classified as unbilled receivables (only act of invoicing is pending) when there is unconditional right to receive cash, and only passage of time is required, as per contractual terms.

Contract liabilities primarily relate to the consideration received from customers in advance for the Group's performance obligations which is classified as advance from customers and deferred revenue which is recognised when there is billings in excess of revenues.

Significant judgements

- The Group's contracts with customers could include promises to transfer multiple services to a customer. The Group assesses the services promised in a contract and identifies distinct performance obligations in the contract. Identification of distinct performance obligation involves judgement to determine the deliverables and the ability of the customer to benefit independently from such deliverables.
- The Group uses judgement to determine an appropriate consolidated selling price for a performance obligation. The Group allocates the transaction price to each performance obligation on the basis of the relative consolidated selling price of each distinct service promised in the contract. Where consolidated selling price is not observable, the Group uses the expected cost plus margin approach or the residual approach to allocate the transaction price to each distinct performance obligation.
- The Group exercises judgement in determining whether the performance obligation is satisfied at a point in time or over a period of time. The Group considers indicators such as how customer consumes benefits as services are rendered or who controls the asset as it is being created or existence of enforceable right to payment for performance to date and alternate use of such service, transfer of significant risks and rewards to the customer, acceptance of delivery by the customer, etc.

k. Barter transactions

The Group enter in arrangements for sale of advertisement space on various platforms in exchange of non cash consideration. Revenue from such services is recognised at a point in time on actual performance of the contract to the extent of performance completed by the Group against its part of contract and is measured at consolidated selling price of the services of the Group or if the same cannot be measured reliably, then the fair value of the services rendered, as estimated by management. The total transaction price for a contract is allocated amongst the various performance obligations based on their relative stand-alone selling prices and are being recorded at transaction price/fair value.

l. Leases

The Company assesses whether a contract contains a lease, at the inception of the contract. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration.

The Company recognises a right-of-use asset and a lease liability at the lease commencement date. The right-of-use asset is initially measured at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or before the commencement date, plus any initial direct costs incurred and an estimate of costs to dismantle and remove the underlying asset or to restore the site on which it is located, less any lease incentives received.

Certain lease arrangements include the option to extend or terminate the lease before the end of the lease term. The right-of-use assets and lease liabilities include these options when it is reasonably certain that the option will be exercised.

The right-of-use asset is subsequently depreciated using the straight-line method from the commencement date to the earlier of the end of the useful life of the right-of-use asset or the end of the lease term. In addition, the right-of-use asset is periodically reduced by impairment losses, if any, and adjusted for certain re-measurements of the lease liability.

The lease liability is initially measured at the present value of the lease payments that are not paid at the commencement date, discounted using the interest rate implicit in the lease or, if that rate cannot be

Notes to the consolidated financial statements

for the year ended March 31, 2024

(All amounts in ₹ millions, unless otherwise stated)

readily determined, the Company's incremental borrowing rate. Generally, the Company uses its incremental borrowing rate as the discount rate.

The lease liability is subsequently measured at amortised cost using the effective interest method. It is remeasured when there is a change in future lease payments arising from a change in an index or rate, if there is a change in the Company's estimate of the amount expected to be payable under a residual value guarantee, or if there is a change in the lease payments or a change in the assessment of an option to purchase the underlying asset.

Lease payments have been classified as financing activities in Statement of Cash Flow.

The Company has elected not to recognise right-of-use assets and lease liabilities for short term leases that have a lease term of less than or equal to 12 months with no purchase option and assets with low value leases. The Company recognises the lease payments associated with these leases as an expense in statement of profit and loss over the lease term. The related cash flows are classified as operating activities.

m. Recognition of interest income or expense

Interest income or expense is recognised using the effective interest method.

The 'effective interest rate' is the rate that exactly discounts estimated future cash payments or receipts through the expected life of the financial instrument to:

- the gross carrying amount of the financial asset; or
- the amortised cost of the financial liability."

In calculating interest income and expense, the effective interest rate is applied to the gross carrying amount of the asset (when the asset is not credit-impaired) or to the amortised cost of the liability. However, for financial assets that have become credit-impaired subsequent to initial recognition, interest income is calculated by applying the effective interest rate to the amortised cost of the financial asset.

If the asset is no longer credit-impaired, then the calculation of interest income reverts to the gross basis.

n. Income tax

Income tax comprises current and deferred tax. It is recognised in profit or loss except to the extent that it relates to a business combination or to an item recognised directly in equity or in other comprehensive income.

Current tax

Current tax comprises the expected tax payable or receivable on the taxable income or loss for the year and any adjustment to the tax payable or receivable in respect of previous years. The amount of current tax reflects the best estimate of the tax amount expected to be paid or received after considering the uncertainty, if any, related to income taxes. It is measured using tax rates (and tax laws) enacted or substantively enacted by the reporting date.

Current tax assets and current tax liabilities are offset only if there is a legally enforceable right to set off the recognised amounts, and it is intended to realise the asset and settle the liability on a net basis or simultaneously.

o. Borrowing costs

Borrowing costs are interest and other costs incurred in connection with the borrowing of funds. Borrowing costs directly attributable to acquisition or construction of an asset which necessarily take a substantial period of time to get ready for their intended use are capitalised as part of the cost of that asset. Other borrowing costs are recognised as an expense in the period in which they are incurred.

p. Cash and cash equivalents

Cash and cash equivalents includes cash on hand, deposits held at call with financial institutions, other short-term, highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value, and bank overdrafts. Bank overdrafts are shown within borrowings in current liabilities in the Balance Sheet.

q. Earnings per share

i. Basic earnings per share

Basic earnings per /(loss) share is calculated by dividing:

Notes to the consolidated financial statements

for the year ended March 31, 2024

- the profit attributable to owners of the Group
- by the weighted average number of equity shares outstanding during the financial year, adjusted for bonus elements in equity shares issued during the year.

r. Contingent liabilities

Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non occurrence of one or more uncertain future events not wholly within the control of the Group or a present obligation that arises from

(All amounts in ₹ millions, unless otherwise stated)

past events where it is either not probable that an outflow of resources will be required to settle or a reliable estimate of the amount cannot be made.

s. Recent accounting pronouncements

Ministry of Corporate Affairs ("MCA") notifies new standards or amendments to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time. For the year ended March 31, 2024, MCA has not notified any new standards or amendments to the existing standards applicable to the Company.

B. Measurement of fair values

The fair value of investment property has been determined is based on the valuation by a registered valuer as defined under rule 2 of Companies (Registered Valuers and Valuation) Rules, 2017, by external, independent property valuers, having appropriate recognised professional qualifications and recent experience in the location and category of the property being valued.

The methodology adopted for valuation is Composite Rate Method under Market Approach, and the fair value is arrived at is based on similar comparable transactions or asking rates by the sellers of similar properties in the market. The rates are then adjusted for the various attributes affecting the valuation like floor, size, view etc. The methodology falls in the Level 2 input hierarchy as specified in Ind AS 113, where the comparables were adjusted for various attributes.

The Group holds certain investment properties in its name and has recorded the same at cost in its financial statements in accordance with the transitional provision of IND AS 101. These investment properties are in the nature of residential flats taken on lease or freehold and commercial shops. The Company has carried out fair valuation of Investment properties through an external valuer.

*On April 19, 2022, the Board of Directors of the Company has approved the execution of Share Purchase Agreement between the Company and Bathla Teletech Private Limited and its affiliates ("the Purchasers") for sale of 100% shares held in Delta SoftPro Private Limited (a subsidiary of the Company) for a consideration of ₹ 280 million. The transaction has been completed on March 28, 2023. Delta Softpro Private Limited had ceased to be the wholly owned subsidiary of the Company w.e.f March 28, 2023, resulting into net gain of ₹ 150.09 million (Refer note 30)

The Group recognizes "Goodwill" on business acquisition as per the criteria laid down in Ind-AS 103, and is the excess of purchase consideration paid over net asset value of acquired subsidiary on the date of such acquisition. The impairment analysis of goodwill is carried annually or more frequently, if there are indicators if any.

Goodwill on consolidation as at March 31, 2024 stood at ₹ 0.26 million (Previous year March 31, 2023 : ₹ 0.26 million). The Group acquired 92.00% equity share stake in NDTV Worldwide Limited through investment in FY 2009-2010 and excess purchase consideration paid over the net assets taken over to the extent of ₹ 0.26 million was recognised as goodwill. The management does not foresee any risk of impairment on the carrying value of goodwill as at March 31, 2024, as the subsidiary is a profitable "Cash Generating Unit".

For the purpose of impairment testing, goodwill acquired in a business combination is allocated to the cash generating units (CGU) within Media and Entertainment operating segment, which benefit from the synergies of the acquisition. The Chief Financial Officer reviews the goodwill for any impairment at each reporting date.

*On April 19, 2022, the Board of Directors of the Company had approved the execution of Share Purchase Agreement between the Company and Bathla Teletech Private Limited and its affiliates ("the Purchasers") for sale of 100% shares held in Delta SoftPro Private Limited (a subsidiary of the Company) for a consideration of ₹ 280 million. The transaction was completed on March 28, 2023. Delta Softpro Private Limited had ceased to be the wholly owned subsidiary of the Company w.e.f March 28, 2023, resulting into net gain of ₹ 150.09 million (Refer note 30). Accordingly, Goodwill on acquisition of Delta SoftPro Private Limited had been fully amortised on deconsolidation of Delta SoftPro Private Limited

B. Rights, preferences and restrictions attached to equity shares

The Company has a single class of equity shares. Accordingly, all equity shares rank equally with regard to dividends and share in the Company's residual assets. The equity shares are entitled to receive dividend as declared from time to time. The voting rights of an equity shareholder on a poll (not on show of hands) are in proportion to its share of the paid-up equity capital of the Company. Voting rights cannot be exercised in respect of shares on which any call or other sums presently payable have not been paid. Failure to pay any amount called up on shares may lead to forfeiture of the shares. On winding up of the Company, the holders of equity shares will be entitled to receive the residual assets of the Company in proportion of the number of equity shares held.

Information about major customers:

One customer represents 10% or more of the group's total revenue during the year ended March 31, 2024 and during previous year ended March 31, 2023.

While disclosing the aggregate amount of transaction price yet to be recognised as revenue towards unsatisfied (or partially) satisfied performance obligations, along with the broad time band for the expected time to recognize those revenues, the group has applied the practical expedient in Ind AS 115. Accordingly, the group has not disclosed the aggregate transaction price allocated to unsatisfied (or partially satisfied) performance obligations which pertain to contracts where revenue recognised corresponds to the value transferred to customer typically involving time and material, outcome based and event based contracts.

Unsatisfied (or partially satisfied) performance obligations are subject to variability due to several factors such as terminations, changes in scope of contracts, periodic revalidations of the estimates, economic factors. The aggregate value of transaction price allocated to unsatisfied (or partially satisfied) performance obligations is ₹ 447.21 million (March 31, 2023 ₹ 453.73 million) out of which 100% is expected to be recognised as revenue in the next year.

Note 31: Capital management

The Group manages its capital so as to safeguard its ability to continue as a going concern and to optimise returns to its shareholders. The capital structure of the Group is based on management's judgement of its strategic and day-to-day needs with a focus on total equity so as to maintain investor, creditors and market confidence.

The Group monitors capital using a ratio of "Net Debt" to "Total Equity". For this purpose, Net Debt is defined as total borrowings less cash and cash equivalents and bank deposit. Total equity comprises of equity share capital, other equity and non-controlling interests. During the financial year ended March 31, 2024, no significant changes were made in the objectives, policies or processes relating to the management of the Group's capital structure.

The Group's Net Debt to Total Equity ratio is as follows:

The financial assets carried at fair value by the Group are mainly investment in publicly traded equity shares. Accordingly, any material volatility is not expected. The fair value of these assets is marked to an active market.

Financial assets carried at amortised cost is in the form of cash and cash equivalents, bank deposits and earmarked balances with banks. The cash and cash equivalents are held with bank and financial institution counterparties, which are rated AA- to AAA, based on renowned rating agencies.

Fair values are categorised into different levels in a fair value hierarchy based on the inputs used in the valuation techniques as follows.

Level 1: quoted prices (unadjusted) in active markets for identical assets or liabilities.

Level 2: inputs other than quoted prices included in Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices).

Notes to the consolidated financial statements

for the year ended March 31, 2024

(All amounts in ₹ millions, unless otherwise stated)

Level 3: inputs for the asset or liability that are not based on observable market data (unobservable inputs).

There has been no transfers between Level 1, Level 2 and Level 3 for the years ended March 31, 2024 and March 31, 2023.

Valuation technique used to determine fair value

Specific valuation techniques used to value financial instruments include:

the fair value of investment in quoted investment in equity shares is based on the current bid price of respective investment as at the Balance Sheet date.

B. Financial risk management

The Group has exposure to the following risks arising from financial instruments:

- Credit risk
- Liquidity risk ;
- Market Risk - Foreign currency
- Market Risk - Interest rate

(i) Risk management framework

The Group's key management has overall responsibility for the establishment and oversight of the Group's risk management framework. The Group's risk management policies are established to identify and analyse the risks faced by the Group to set appropriate risks limits and controls and to monitor risks and adherence to limits. Risk management policies are reviewed regularly to reflect changes in market conditions and the Group's activities. The Group through its training and management standards and procedures, aims to maintain a disciplined and constructive control environment in which all employees understand their roles and obligations.

(ii) Credit risk

The maximum exposure to credit risks is represented by the total carrying amount of these financial assets in the Balance Sheet

Particulars	As at March 31, 2024	As at March 31, 2023
Investments	41.19	14.94
Trade receivables	1,294.19	737.27
Cash and cash equivalents	143.52	107.33
Bank balances other than cash and cash equivalents mentioned above	133.11	856.25
Security deposits	78.52	30.42
Loans	-	50.00
Margin money deposits	46.83	73.78
Other financial assets	236.30	106.12
	1,973.66	1,976.11

Credit risk is the risk of financial loss to the Group if a customer or counter-party fails to meet its contractual obligations. Credit risk encompasses both, the direct risk of default and the risk of deterioration of credit worthiness as well as concentration of risks.

Credit risk on cash and cash equivalents and bank deposits is limited as the Group generally deals with banks with high credit ratings assigned by domestic credit rating agencies. Investments primarily include investment in quoted equity share which are recorded at fair value. The loans primarily represents interest free security deposits refundable on the completion of the term as per the contract and loan given to a joint venture and holding Company. The credit risk associated with such deposits is relatively low.

The Group based upon past trends determine an impairment allowance for loss on receivables.

Notes to the consolidated financial statements

for the year ended March 31, 2024

(All amounts in ₹ millions, unless otherwise stated)

The movement in the allowance for impairment in respect of trade receivables (including barter receivables) is as follows:

Particulars	As at March 31, 2024	As at March 31, 2023
Balance as at beginning of the year	282.08	244.17
Loss allowance created	2.84	53.84
Less :adjusted against provision	(0.42)	(15.93)
Amounts written back during the year	(83.51)	-
Balance as at the end of the year	200.99	282.08

The impairment provisions for financial assets disclosed above are based on assumptions about risk of default and expected loss rates. The Group uses judgement in making these assumptions and selecting the inputs to the impairment calculation, based on the Group's past history, existing market conditions as well as forward looking estimates at the end of each reporting period.

(iii) Liquidity risk

Liquidity risk is the risk that the Group will encounter difficulty in meeting the obligations associated with its financial liabilities that are settled by delivering cash or another financial asset. The Group's approach to manage liquidity is to ensure, as far as possible, that it will have sufficient liquidity to meet its liabilities when they are due, under both normal and stressed conditions, without incurring unacceptable losses or risking damage to the Group's reputation.

The Group aims to maintain the level of its cash and cash equivalents and other highly marketable equity investments at an amount in excess of expected cash outflows on financial liabilities (other than trade payables) over the next six months. The Group also monitors the level of expected cash inflows on trade receivables and loans together with expected cash outflows on trade payables and other financial liabilities.

(iv) Market risk

Market risk is the risk that the future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises two types of risk namely: currency risk and interest rate risk. The objective of market risk management is to manage and control market risk exposures within acceptable parameters, while optimising the return.

(a) Interest rate risk

Interest rate risk is the risk that the future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Group's exposure to the risk of changes in market interest rates relates primarily to the Group's borrowings with floating interest rates.

Exposure to interest rate risk

The Group's interest rate risk arises majorly from borrowings carrying floating rate of interest. These borrowings exposes the Group to cash flow interest rate risk. The exposure of the Group's borrowing to interest rate changes as reported to the management at the end of the reporting period are as follows:

Variable rate instruments	As at March 31, 2024	As at March 31, 2023
Loan from banks, financial institution and related parties	306.05	30.40
Working capital loan from bank	-	-
Total	306.05	30.40

Interest rate sensitivity analysis

A reasonably possible change of 0.50 % in interest rates at the reporting date would have affected the profit or loss by the amounts shown below:

Variable rate instruments	Statement of Profit and Loss	
	Increase by 0.50%	Decrease by 0.50%
Increase/ (decrease) in interest on borrowings		
For the year ended March 31, 2024	(1.53)	1.53
For the year ended March 31, 2023	(0.15)	0.15

The analysis is prepared assuming the amount of the borrowings outstanding at the end of the year was outstanding for the whole year.

(b) Currency risk

Currency risk is the risk that the future cash flows of a financial instrument will fluctuate because of changes in foreign exchange rates. The Group is exposed to the effects of fluctuation in the prevailing foreign currency exchange rates on its financial position and cash flows. Exposure arises primarily due to exchange rate fluctuations between the functional currency (₹) and other currencies (GBP and USD) from the Group's operating, investing and financing activities.

GBP	0.16	105.20	17.09	0.09	101.47	9.14
USD	0.09	83.35	7.10	0.01	82.15	0.65

The Group's exposure in respect of foreign currency denominated financial assets not hedged as at March 31, 2024 by derivative instruments or others as follows-

Currency	As at March 31, 2024			As at March 31, 2023		
	Amount in foreign currency	Exchange rate	Amount in ₹	Amount in foreign currency	Exchange rate	Amount in ₹
GBP	0.23	105.20	24.38	0.11	101.47	11.58
USD	0.52	83.35	43.12	0.96	82.15	79.02

Sensitivity analysis

A reasonably possible strengthening (weakening) of the Indian Rupee against below currencies at March 31, 2024 and March 31, 2023 would have affected the measurement of financial instruments denominated in foreign currency and affected Statement of Profit and Loss by the amounts shown below. This analysis is performed on foreign currency denominated monetary financial assets and financial liabilities outstanding as at the year end. This analysis assumes that all other variables, in particular interest rates, remain constant.

*During the previous year BrickBuyBrick Projects Limited and Smartcooky Internet Limited liquidated under Section 59 (7) of Insolvency and Bankruptcy Code , 2016 (Voluntary Liquidation Process), Regulation 2017.

**During the previous year, Resolution Professional has been appointed for Indianroots Shopping Limited ("ISL") pursuant to the order passed by Hon'ble National Company Law Tribunal (NCLT).

***On May 25, 2023, Astro Awani Network Sdn. Bhd. (Awani) informed the Company about the revised shareholding pattern of Awani, wherein, the equity shareholding capital of the Company and NDTV Networks Limited (a subsidiary of the Company) in Awani has been diluted by 2.31% each, via issuance of shares to Astro Entertainment Sdn. Bhd. for partial redemption of preference shares. The total equity share capital of the Company and NDTV Networks Limited in Awani is reduced to 15.38% after dilution. The Company has disputed this transaction in the communication sent to Awani and accordingly, Awani has been considered as an associate Company till the finality of the rights of the Company as a shareholder.

****On April 19, 2022, the Board of Directors of the Company has approved the execution of Share Purchase Agreement between the Company and Bathla Teletech Private Limited and its affiliates ("the Purchasers") for sale of 100% shares held in Delta SoftPro Private Limited (a subsidiary of the Company) for a consideration of ₹ 280 million. The transaction had been completed on March 28, 2023 . Delta Softpro Private Limited had ceased to be the wholly owned subsidiary of the Company w.e.f March 28, 2023.

*****During the previous year On Demand Transportation Technologies Limited went for liquidation under Section 59 (7) of Insolvency and Bankruptcy Code, 2016 (Voluntary Liquidation Process), Regulation 2017, since the Group didn't have any control on the subsidiary , hence deconsolidated during the previous year.

This Company liquidated during the year and there is no impact in current year financial statement.

#In respect of four joint ventures of the Company namely Indianroots Retail Private Limited, Indianroots Shopping Limited, Lifestyle & Media Broadcasting Limited, Lifestyle & Media Holdings Limited, we have not received financial statements of these entities for the quarter and year ended March 31, 2024. As investments made by NDTV group in these entities have been written off in the earlier years on account of losses incurred by these entities, hence, based on their past performance, there is no adjustment required to the consolidated financial statements of the Company.

Notes to the consolidated financial statements

for the year ended March 31, 2024

(All amounts in ₹ millions, unless otherwise stated)

The net liability disclosed above relates to unfunded plans are as follows:

Particulars	As at March 31, 2024	As at March 31, 2023
Present value of funded obligations	117.25	104.77
Fair value of plan assets	1.37	0.83
Deficit of funded plan	115.88	103.94
Unfunded plans	40.50	35.20
Deficit of gratuity plan	156.38	139.14

The Group has a defined benefit gratuity plan in India, governed by the Payment of Gratuity Act, 1972. Plan entitles an employee, who has rendered at least five years of continuous service, to gratuity at the rate of fifteen days wages for every completed year of service or part thereof in excess of six months, based on the rate of wages last drawn by the employee concerned.

(b) Assumptions:

1. Economic assumptions

Particulars	As at March 31, 2024	As at March 31, 2023
Discount rate	7.15%	7.40%
Salary growth rate	5% to 20%	5% to 20%

The discount rate is based on the prevailing market yields of government bonds as at the balance sheet date for the estimated term of the obligations.

The salary escalation rate is based on estimates of salary increases, which takes into account inflation, promotion and other relevant factors.

2. Demographic assumptions:

Particulars	As at March 31, 2024	As at March 31, 2023
Withdrawal rate, based on age		
Upto 30 years	0% to 7.5%	0% to 7.5%
31- 44 years	2% to 5%	2% to 5%
Above 44 years	1% to 2.5%	1% to 2.5%
Mortality rate (% of IALM 12-14)	100.00%	100.00%
Retirement age (years)	58	58

(c) Plan assets comprise the following:

Particulars	As at March 31, 2024	As at March 31, 2023
Funds managed by the insurer	100%	100%

(d) Sensitivity analysis

Reasonably possible changes at the reporting date to one of the relevant actuarial assumptions, holding other assumptions constant, would have affected the defined benefit obligation by the amounts shown below.

Particulars	Change in assumption		Increase in assumption		Decrease in assumption	
	As at March 31, 2024	As at March 31, 2023	As at March 31, 2024	As at March 31, 2023	As at March 31, 2024	As at March 31, 2023
Discount rate	1.00%	1.00%	(11.69)	(10.64)	13.19	12.01
Salary growth rate	1.00%	1.00%	9.83	9.11	(9.51)	(8.81)
Attrition rate	50.00%	50.00%	2.47	2.94	(2.80)	(3.36)
Mortality rate	10.00%	10.00%	0.10	0.10	(0.10)	(0.10)

Although the analysis does not take account of the full distribution of cash flows expected under the plan, it does provide an approximation of the sensitivity of the assumptions shown.

(e) The actuarial liability for compensated absences as at the year ended March 31, 2024 is ₹ 11.85 million (March 31, 2023: ₹ nil).

(f) Expected Contribution during the next annual reporting period

Particulars	As at March 31, 2024	As at March 31, 2023
The Company's best estimate of Contribution during the next year	124.28	109.82

(g) Maturity Profile of Obligations

The weighted average duration of the defined benefit plan obligation at the end of the reporting period is 8 years (March 31, 2023: 8 years). The expected maturity analysis of gratuity benefits is as follows:

Particulars	As at March 31, 2024	As at March 31, 2023
1 year	8.69	8.90
2 to 5 years	59.15	46.09
6 to 10 years	94.47	90.68
More than 10 years	142.46	136.93

Note 36: Contingent liabilities and commitments

1. Contingent liabilities

(1) The Company had filed a suit for recovery of ₹ 66.86 million being the principal debt together with interest thereon against Doordarshan (DD) in the High Court of Delhi in February 1998 for various programmes produced and aired between 1994 and 1996. In its rejoinder, DD has admitted debts of ₹ 35.61 million only but has disputed the balance claim of ₹ 31.2 million and interest claimed. On the contrary, DD has claimed ₹ 82.56 million - ₹ 55.49 million towards telecast fee etc. against various programmes and ₹ 27.07 million as interest thereon, which has not been accepted by the Company.

The amount represents the best possible estimate arrived at on the basis of available information. The uncertainties and possible reimbursements are dependent on the outcome of the legal process and therefore cannot be predicted accurately. The Company has engaged reputed professional advisors to protect its interest and has been advised that it has strong legal positions against such disputes.

(2) Bank guarantees issued for ₹ 100.10 million (March 31, 2023: ₹ 20.20 million). These have been issued in the ordinary course of business and no liabilities are expected.

(3) The Company has received legal notices of claims / lawsuits filed against it relating to infringement of copyrights, trademarks and defamation suits in relation to the programmes produced by it. In the opinion of the management supported by legal advice, no material liability is likely to arise on account of such claims/lawsuits. The Company has been advised that there is no merit in the case/demand.

(4) In February 2014, the Company had received a demand for income tax, amounting to ₹ 4,500 million based on an assessment order for assessment year 2009-10 issued by the income tax department. Following a writ petition filed by the Company in the Delhi High Court, the demand has been kept in abeyance. The demand had earlier been stayed by the Income Tax Appellate Tribunal on deposit of ₹ 50

million which has been shown as recoverable. More likely than not it would be decided in favour of the Company.

In July 2017, the Company had received an order from Income Tax appellant Tribunal (ITAT) for Assessment Year 2009-10, wherein ITAT dismissed the appeal of the Company. The ITAT, vide Impugned Order, after admitting the additional evidence filed by the Revenue, upheld the addition made by the AO under Section 69A of the Act amounting to ₹ 6,425.42 million, albeit on different grounds. The ITAT set aside various issues back to the file of the AO/TPO for fresh adjudication. Pursuant to the above said order, the Assessing Officer passed a partial appeal effect order and raised a demand of ₹ 4,289.33 million. The Company has filed Writ Petition in Delhi High Court against the partial appeal effect order. The Hon'ble High Court stayed the demand till the disposal of writ petition. The matter had been posted in regular list, which will come for hearing in due course. Further, the Company had also filed two appeals in Delhi High Court against the order passed by the ITAT, which are also posted in regular list. The Company has been advised by expert counsel that there is no merit in the case/demand.

In December 2019, the Company received Draft appeal effect order for AY 2009-10 passed under section 254/144C of Income Tax Act 1961 in pursuance to ITAT order passed in July 2017, wherein Assessing officer recomputed taxable income at ₹ 5788.36 million. Being draft order, there was no fresh tax demand raised against the Company. The Company filed objection against the said draft appeal effect order before Dispute Resolution Panel (DRP) in January 2020.

On January 29, 2021, the Company received the directions passed by the Dispute Resolution Panel (DRP), under Section 144C(5) of the Income-tax Act, 1961. The Company had filed a writ petition before the Hon'ble Delhi High Court assailing the order of DRP. Hon'ble Delhi High Court granted interim relief to the Company and held that while the Assessing Officer can continue with the process of passing the Assessment Order pursuant to the Impugned

Order, no effect will be given to any such order till the next date of hearing. The matter heard and order reserved.

On March 31, 2021, the Company received the final assessment order dated March 30, 2021 passed by the Assessing Officer under Section 144C read with Section 254 of the Income Tax Act, 1961 in pursuance to DRP order, whereby the income of the Company has been assessed at ₹ 5788.36 million against the returned loss of ₹ 648.39 million for Assessment Year 2009-10, and raised the demand to ₹ 4,953.65 million (net of amount adjusted for ₹ 432.76 million). The Company has been advised that there is no merit in the case/demand

- (5) In January 2018, the Company has received a demand amounting to ₹ 4,368.00 million being penalty on income tax demand imposed at the rate of 200% by the income tax department on the addition confirmed by the ITAT under Section 69A of the Income tax Act, 1961. The Company has filed an appeal against the said order before CIT (A) and also filed a stay application before the assessing officer. CIT in its order directed the Company to pay a sum of ₹ 1,080.40 million in three instalments. The Company has filed a writ petition in Delhi High Court against the said order. The matter had posted in regular list, which will come for hearing in due course. Also the Hon'ble High Court stayed the demand till the disposal of writ petition. More likely than not it would be decided in favour of the Company.
- (6) In March 2016, the Company received a demand for income tax of ₹ 472.67 million, based on a reassessment order for the assessment year 2007-08, which was further enhanced in September 2016 by ₹ 127.15 million on account of a mistake in the computation of tax on total income. The Company has filed an appeal against the order before CIT (Appeals). Further the demand to the extent of ₹ 374.59 million has been adjusted against the refunds due to the Company and the remaining demand has been stayed by assessing officer till 30/06/24 or passing of order by CIT(A), whichever is earlier. More likely than not it would be decided in favour of the Company.

- (7) In March 2016, the Company received a demand of ₹ 93.74 million on account of penalty on income tax imposed by the Income Tax department for the assessment year 2008-09. The Company has filed an appeal against the order with CIT(Appeals). Further the demand has been adjusted from the refunds due to the Company. In view of the favourable order of Hon'ble ITAT dated June 16, 2020, the amounts on which penalty was levied stands deleted or set aside to AO/TPO, consequently the demand liable to be substantially reduced.
- (8) The assessment for AY 2008-09 under Section 143(3) of the Act was completed on August 03, 2012 and the Company appealed against it before CIT(A), which gave the Company partial relief vide order dated April 29, 2014. Both the Revenue Department and NDTV appealed against this order at Income Tax Appellate Tribunal(ITAT). On June 16, 2020, ITAT delivered its order and granted substantial relief/favourable on various issues to the Company. However, the issue of addition/adjustment on account of alleged corporate guarantee issued by the Company to enable its subsidiary, M/s NDTV Networks Plc, to raise funds was restored back to the file of the Assessing Officer ("AO") for making a reference to the Transfer Pricing Officer ("TPO") without even dealing with the principle contention of the Company that there is no international transaction, warranting any reference to the TPO. The Company has filed an appeal before Hon'ble Delhi High Court to stay the proceedings of remand including transfer pricing proceedings which is pending adjudication. In the meantime, the matter has been taken up by AO/TPO to re-adjudicate on such issue during the year. The Hon'ble High Court gives interim protection wherein it allowed the assessing officer to continue with the assessment proceedings but not to pass the final assessment order till further directions of the Hon'ble High Court. In January'23, TPO passed the order. In pursuance to TPO order, on March 29, 2023, the assessing officer passed the Draft Order under section 143(3)/144C/254 of the Income Tax Act. However, pursuant to the directions of the Hon'ble High Court,

Notes to the consolidated financial statements

(All amounts in ₹ millions, unless otherwise stated)

the Assessing officer will not pass the final assessment order. More likely than not it would be decided in favour of the Company. The next date of hearing has been fixed for May 01, 2024 Further to be noted that earlier the Company was in receipt of an appeal effect order passed by the AO in pursuance to order dated September 14, 2015 passed by CIT(A) wherein the tax liability of ₹ 101.43 million was computed. The said tax liability was duly adjusted with the refund for the year and the refunds of other years due to the Company under protest. On account of the abovesaid favourable order of ITAT, the aforesaid ₹ 101.43 million would reduce significantly and the Company will be entitled to get the refund along with interest as and when the effect order is passed by the AO. The Company has filed an application on June 21, 2020 to the AO to give appeal effect which is pending for disposal.

- (9) During the earlier years, the Directorate of Enforcement ("ED") issued a show cause notice ("SCN") to the Company alleging certain contraventions under the Foreign Exchange Management Act, 1999 ("FEMA"). These contraventions are procedural/technical and some are substantive in nature. The Company believes, based on advice of Company's legal counsel and various responses of the Company to the SCN that the said alleged substantive contraventions in the SCN are not legally tenable. Accordingly, the Company based on a legal opinion, has not made any provision against these alleged contraventions. However, based on the advice from Company's legal counsel, Company has provided an estimated amount of liability amounting to ₹ 40 million for alleged technical/procedural contraventions which has been disclosed as an exceptional item in the earlier year. The Company is in the process of filing a compounding application with the Reserve Bank of India (RBI) in respect of alleged technical/procedural contravention. In respect of the contraventions which are substantive in nature, it is unlikely that any penalty may be imposed on the Company.
- (10) In November 2015, the Directorate of Enforcement ("ED") issued a show cause notice

("SCN") to the Company, its two executive Directors, then Executive Vice Chairperson (erstwhile executive Director, who passed away on November 20, 2017) and NDTV Studios Limited, (an erstwhile subsidiary of the Company since merged with the Company) alleging contraventions under the provisions of Foreign Exchange Management Act, 1999 ("FEMA").

Although the Company believed that there were no contraventions under FEMA warranting any compounding, nevertheless, with a view to avert negative publicity and to ensure the best interests of its shareholders and stakeholders, the Company took a decision to seek compounding of the alleged contraventions from Reserve Bank of India ("RBI"). Based on advice of Company's advocates and various responses of the Company to the SCN, the Company with the approval of its Board of Directors had filed compounding application(s) with the RBI and has provided an estimated amount of liability amounting to ₹ 74 million which has been disclosed as an exceptional item in earlier years. The said compounding application(s) were, however, returned by the RBI with an advice to the Company to approach RBI's Overseas Investment Division and Foreign Investment Division for further guidance. The Company had sought clarity from RBI officials in this matter.

In the meanwhile, ED had issued a notice initiating the adjudication proceedings in the matter referred to in the SCN. The Company had thereafter filed a Writ petition before the Hon'ble Bombay High Court (the "Court") against RBI and ED challenging return of the said compounding application(s) by RBI.

On June 26, 2018, the Court directed RBI to render necessary guidance to the Company in the matter of compounding of the alleged contraventions under FEMA and consider the compounding application(s) filed by the Company, pursuant to which the Company filed three compounding application(s) with RBI on August 06, 2018, September 26, 2018 and October 04, 2018, for compounding of the contraventions alleged in the SCN which are currently pending for adjudication. Against the Judgment dated June 26, 2018, Enforcement

Directorate filed a Special Leave Petition (SLP) before the Supreme Court. The SLP was last listed on December 18, 2020 before the Supreme Court, wherein, the matter was adjourned at the request of ED. The matter is likely to be listed on May 06, 2024. The Company has been advised that there is no merit in the case/demand.

- (11) In June 2019, the Company received an order under Section 271AA of the Income Tax Act for A.Y.2015-16, wherein the Income Tax department has imposed a penalty of ₹ 6.32 million for failure to keep and maintain information and documents in respect of certain specified domestic transactions as required by sub-section (1) or subsection (2) of Section 92D. The Company has filed an appeal in July 2019 before CIT(A) against the said order which is pending for disposal. The demand raised has been adjusted with the refunds due to the Company. More likely it will be decided in favour of the Company.
- (12) The Company has received a Notice of Demand ("Notice") dated November 22, 2019, issued by SEBI whereby, the Company has been directed to pay a sum of ₹ 30.7 million along with further interest, all costs, charges and expenses, within 15 (fifteen) days of the receipt of the notice, failing which the recovery shall be made in accordance with the provisions of applicable laws. The said notice of demand has been issued by SEBI for recovery of penalty of ₹ 20 million for alleged non disclosure of ₹ 4,500 million of tax demand raised by Income Tax Department on February 21, 2014. The Company has been advised that in view of the Judgment dated September 04, 2019 passed by the Bombay High Court, the adjudication in respect of said penalty of ₹ 20 million has been invalidated and consequently the said Notice is untenable in law. SEBI has filed a Special Leave Petition before the Supreme Court challenging the Judgment dated September 04, 2019 passed by the Bombay High Court. The matter is likely to be listed in May 07, 2024. The Company has been advised that there is no merit in the case/demand.
- (13) In September 2018, the Company received a demand amounting to ₹ 0.39 million being
- (All amounts in ₹ millions, unless otherwise stated)
- penalty imposed by the Income Tax department under section 27(1)(c) of the Income Tax Act for A.Y.2007-08. Against the said order, in October 2018, the Company filed an appeal before CIT(A) which is pending for disposal. The demand raised has been adjusted with the refunds due to the Company. More likely it will be decided in favour of the Company.
- (14) In May 2012, NDTV Studios Limited (merged with NDTV w e f December 17, 2010) had received a demand for income tax, amounting to ₹ 2.18 million for assessment year 2009-10. In August 2022, the Company received an order from ITAT wherein ITAT dismissed the appeal of the Company. The Company has already deposited an amount of ₹ 1 million under protest. The Company is in the process of paying the remaining amount. Provision for demand has been made in the books of accounts. In respect of the contraventions which are substantive in nature, it is unlikely that any penalty may be imposed on the Company.
- (15) In March 2016, the Company received a demand amounting to ₹ 2.90 million for AY 2012-13. In April 2016, the Company filed an appeal before CIT(A) against the said order which is pending for disposal. The demand including interest amounting to ₹ 3.10 million has been adjusted with the refunds due to the Company. More likely it will be decided in favour of the Company
- (16) On July 03, 2018, the Company received an order under Section 271G of the Income Tax Act dated June 25, 2018 for A.Y.2014-15, wherein the Income Tax department has imposed a penalty of ₹ 6.99 million by alleging that the Company failed to furnish information/document as required by sub section 3 of Section 92D, in respect of Specified Domestic Transactions entered by the Company. imposed a penalty of ₹ 0.10 million by alleging that the Company failed to furnish a report from an accountant as required by Section 92E in respect of the specified domestic transactions entered by the Company. Against the said order, in July 2018, the Company filed an appeal before CIT(A) which is pending for disposal. More likely it will be decided in favour of the Company.

- (18) The Income Tax Department initiated reassessment proceedings for AY 2008-09 under Section 147/148 of the Income Tax Act, 1961 ('the Act') vide notice dated March 31, 2015. The Company challenged the proceedings as illegal and void-ab-initio through a Writ Petition in the Delhi High Court, which was dismissed on August 10, 2017. The Company then filed a Special Leave Petition in the Supreme Court, which, on April 03, 2020, ruled in favour of the Company. The Hon'ble Supreme Court in its order quashed the notice dated March 31, 2015 issued under section 148 seeking to re-assess the income for AY 2008-09 and set aside the order of the Delhi High Court which had dismissed the petition of the Company against the re-assessment notice under section 148 of the Act. The Tax Department, in order to circumvent the orders of the Supreme Court, has again initiated reassessment proceedings for the same year. Accordingly, the notice dated May 01, 2020 was issued under section 148. In pursuance of the same, the assessment was carried by the tax department. The Company being aggrieved filed a writ petition before Hon'ble High Court seeking quashing of such notice being without jurisdiction/ challenging the reassessment proceedings. On March 14, 2022, the Hon'ble Delhi High Court granted interim relief to the Company and held that while the Assessing Officer can continue with the process of passing the Assessment Order, however, no effect will be given to any such order till the next date of hearing i.e. April 24, 2024. Accordingly, an assessment order dated March 31, 2022 has been passed by the Assessing Officer, thereby making an addition of ₹ 4050.9 million and raising consequent demand of ₹ 3533.6 million. However, pursuant to the directions of the Hon'ble High Court,

(All amounts in ₹ millions, unless otherwise stated)

no effect could be given by the Assessing officer in respect of such assessment order including no coercive action can be taken for recovery of the demand. More likely than not it would be decided in favour of the Company. The next date of hearing has been fixed for July 16, 2024.

- (19) The Company had received a notice dated August 20, 2018 from SEBI in regard to alleged violation of Clause 36 of erstwhile Listing Agreement for non-disclosure of loan agreements entered into by Dr. Prannoy Roy, Mrs. Radhika Roy ("Promoters") and RPRR Holding Private Limited (Promoter Group Company) with Vishvapradhan Commercial Private Limited (VCPL) in 2009 - 10. SEBI vide its order dated December 29, 2020 imposed a penalty of ₹ 50 million on the Company for the alleged violation. The Company was not a party to the said loan arrangements and had made disclosures in 2015 in regard to the said loan agreements in response to media reports that speculated change in control. The Company filed an appeal before the Securities Appellate Tribunal ("SAT") challenging the order dated December 29, 2020 passed by SEBI. SAT vide its order dated February 15, 2021 granted partial interim relief to the Company and held that if the Company deposits 50% of the penalty amount (excluding interest), within a period of 4 weeks, then the balance amount shall not be recovered during the pendency of appeal. The Company filed an appeal before the Hon'ble Supreme Court challenging the interim order dated February 15, 2021 passed by SAT. The Hon'ble Supreme Court vide its order dated March 26, 2021 directed that the order passed by SAT on February 15, 2021 requiring a deposit of 50 percent of the penalty shall stand substituted by a direction that pending the hearing and final disposal of the appeals before SAT, there shall be a stay on the recovery of the penalties. SEBI has filed an appeal before the Supreme Court challenging the SAT Order. In the hearing held on May 01, 2023, the court stayed the recovery of demand. The matter is likely to be listed on May 07, 2024. The Company has strong case on merit.

Note 37: Leases

The Group lease asset classes primarily consist of leases for office premises.

At the date of commencement of the lease, the Company recognizes a right-of-use asset ("ROU") and a corresponding lease liability for all lease arrangements in which it is a lessee, except for leases with a term of twelve months or less (short-term leases) and low value leases. For these short-term and low value leases, the Company recognizes the lease payments as an operating expense on a straight-line basis over the term of the lease.

The cost of the right-of-use asset measured at inception comprises of the amount of initial measurement of the lease liability adjusted for any lease payments made at or before the commencement date. They are subsequently measured at cost less accumulated depreciation and impairment losses. Right-of-use assets are depreciated from the commencement date on a straight-line basis over the shorter of the lease term and useful life of the underlying asset. Right of use assets are evaluated for recoverability whenever events or changes in circumstances indicate that their carrying amounts may not be recoverable.

The lease liability is initially measured at amortized cost at the present value of the future lease payments. The lease payments are discounted using the interest rate implicit in the lease or, if not readily determinable, using the prevailing borrowing rates. Lease liabilities are remeasured with a corresponding adjustment to the related right of use asset if the Company changes its assessment if whether it will exercise an extension or a termination option.

Lease liability and ROU asset have been separately presented in the Balance Sheet and lease payments have been classified as financing cash flows.

On application of Ind AS 116, the nature of expenses has changed from lease rent in previous periods to depreciation cost for the right-to-use asset, and finance cost for interest accrued on lease liability.

Lease arrangements entered by the Group majorly pertains for buildings taken on lease to conduct its business in the ordinary course. The Company does not have any lease restrictions and commitment towards variable rent as per the contract.

The details of the right-of-use asset held by the Company is as follows:

- ii. If you are using NSDL e-voting system for the first time, you will need to retrieve the 'initial password' which was communicated to you. Once you retrieve your 'initial password', you need to enter the 'initial password' and the system will force you to change your password.
- iii. How to retrieve your 'initial password'?
 - a. If your email ID is registered in your demat account or with the Company, your 'initial password' is communicated to you on your email ID. Trace the email sent to you from NSDL from your mailbox. Open the email and open the attachment i.e., a .pdf file. Open the .pdf file. The password to open the .pdf file is your 8 digit client ID for NSDL account, last 8 digits of client ID for CDSL account or folio number for shares held in physical form. The .pdf file contains your 'User ID' and your 'initial password'.
 - b. If your email ID is not registered, please follow steps mentioned below in process for those shareholders whose email ids are not registered.
6. If you are unable to retrieve or have not received the "Initial password" or have forgotten your password:
 - i. Click on "Forgot User Details/Password?"(If you are holding shares in your demat account with NSDL or CDSL) option available on www.evoting.nsdl.com.
 - ii. Physical User Reset Password?" (If you are holding shares in physical mode) option available on www.evoting.nsdl.com.
 - iii. If you are still unable to get the password by aforesaid two options, you can send a request at evoting@nsdl.com mentioning your demat account number/folio number, your PAN, your name, and your registered address etc.
 - iv. Members can also use the OTP (One Time Password) based login for casting the votes on the e-Voting system of NSDL.

7. After entering your password, tick on Agree to 'Terms and Conditions' by selecting on the check box.
8. Now, you will have to click on 'Login' button.
9. After you click on the 'Login' button, home page of e-voting will open.

Step 2: Cast your vote electronically and join Annual General Meeting on NSDL e-voting system:

1. After successful login at Step 1, you will be able to see all the companies 'EVEN' in which you are holding shares and whose voting cycle and General Meeting is in active status.
2. Select 'EVEN' of the Company for which you wish to cast your vote during the remote e-voting period and casting your vote during the General Meeting. For joining virtual meeting, you need to click on 'VC/OAVM' link placed under 'Join General Meeting'.
3. Now you are ready for e-Voting as the voting page opens.
4. Cast your vote by selecting appropriate options i.e., assent or dissent, verify/modify the number of shares for which you wish to cast your vote and click on 'Submit' and also 'Confirm' when prompted.
5. Upon confirmation, the message 'Vote cast successfully' will be displayed.
6. You can also take the printout of the votes cast by you by clicking on the print option on the confirmation page.
7. Once you confirm your vote on the resolution, you will not be allowed to modify your vote.

13. General Guidelines for Shareholders

1. Institutional shareholders (i.e., other than individuals, HUF, NRI etc.) are required to send scanned copy (PDF/JPG Format) of the relevant Board Resolution/ Authority letter etc. with attested specimen signature of the duly authorized signatory(ies) who are authorized to vote, to the Scrutinizer by e-mail to vishhal@legumamicuss.com with a copy marked to evoting@nsdl.com. Institutional shareholders (i.e., other than individuals, HUF, NRI etc.) can also upload their Board Resolution / Power of Attorney / Authority Letter etc. by clicking on "Upload Board Resolution / Authority Letter" displayed under "e-Voting" tab in their login.
2. It is strongly recommended not to share your password with any other person and take utmost care to keep your password confidential.

Login to the e-voting website will be disabled upon five unsuccessful attempts to key in the correct password. In such an event, you will need to go through the "Forgot User Details/Password?" or "Physical User Reset Password?" option available on www.evoting.nsdl.com to reset the password.

3. In case of any queries, you may refer the Frequently Asked Questions (FAQs) for Shareholders and e-voting user manual for Shareholders available at the download section of www.evoting.nsdl.com or call on.: 022 - 4886 7000 and 022 - 4886 7000 or send a request to Ms. Pallavi Mhatre, Senior Manager, NSDL at evoting@nsdl.com
14. Process for those shareholders whose email ids are not registered with the depositories for procuring user id and password and registration of email ids for e-voting for the resolutions set out in this notice:

If you are an Individual Shareholder holding securities in demat mode, you are requested to refer to the login method explained at step 1 (A) i.e., Login method for e-Voting and joining virtual meeting for Individual shareholders holding securities in demat mode.
 3. Alternatively, shareholder/members may send a request to evoting@nsdl.com for procuring user id and password for e-voting by providing above mentioned documents.
 4. In terms of SEBI circular dated December 9, 2020, on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. Shareholders are required to update their mobile number and email ID correctly in their demat account in order to access e-Voting facility.

15. The instructions for members for e-voting on the day of the AGM are as under:
- The procedure for e-voting on the day of the AGM is same as the instructions mentioned above for remote e-voting.
 - Only those Members, who will be present in the AGM through VC/OAVM facility and have not casted their vote on the Resolutions through remote e-voting and are otherwise not barred from doing so, shall be eligible to vote through e-voting system in the AGM.
 - Members who have voted through remote e-voting will be eligible to attend the AGM. However, they will not be eligible to vote at the AGM.
 - In case of any queries, you may refer the Frequently Asked Questions (FAQs) for Shareholders and e-voting user manual for Shareholders available at the download section of www.evoting.nsdl.com or call on toll free no.: 022 - 4886 7000 and 022 - 2499 7000 or send a request to Ms. Pallavi Mhatre, Senior Manager, NSDL at evoting@nsdl.com.
16. Instructions for joining the AGM through VC / OAVM:
- Members will be provided with a facility to attend the AGM through VC/OAVM through the NSDL e-voting system. Members may access by following the steps mentioned above for access to NSDL e-voting system. After successful login, Members may click on VC/OAVM link available under the 'Join General Meeting' menu. The link for VC/OAVM will be available in Shareholder/ Member login where the EVEN of Company will be displayed. Please note that the Members who do not have the User ID and Password for e-voting or have forgotten the User ID and Password may retrieve the same by following the remote e-voting instructions mentioned in the Notice.
 - Members are encouraged to join the Meeting through laptops for better experience.
 - Members joining the AGM from their mobile devices or tablets or through laptops connecting via mobile hotspot may experience audio/video loss due to fluctuation in their respective network. It is therefore recommended to use stable Wi-Fi or LAN connection to mitigate any kind of aforesaid glitches.
4. The details of the person who may be contacted for any grievance connected with the facility for e-voting on the day of the AGM shall be the same person mentioned for remote e-voting.
17. Guidelines to raise questions / seek clarification with respect to Annual Report:
- To ensure smooth transmission and co-ordination during the Q&A Session, the Company is providing the facility of Speaker Registration. Members who would like to express their views/ask questions during the AGM, may send their queries/views/questions by mentioning their name, demat account number/folio number, email ID, mobile number to the Company Secretary at secretarial@ndtv.com. Please note that Member's questions will be answered only if the shareholder continues to hold the shares as of the Cut-off date.
 - The Members can send their queries/views/questions related to the business to be transacted at the e-AGM by Friday, June 14, 2024 till 5:00 P.M. (IST).
 - The Company reserves the right to restrict the number of questions and number of speakers, depending upon the availability of time, for smooth conduct of the AGM.
18. General Information:
- The Scrutinizer shall, after the conclusion of voting at the AGM, first count the votes cast at the meeting and thereafter unblock the votes cast through remote e-voting in the presence of at least two witnesses not in the employment of the Company and will make, not later than 48 hours of the conclusion of AGM, a consolidated Scrutinizer's Report of the total votes cast in favour or against, if any, and submit it to the Chairperson of the Company or, in his absence to his duly authorised Director / officer, who shall countersign the Scrutinizer's Report and declare the result. The Chairperson shall declare the results within forty-eight hours of the conclusion of the meeting.
 - The results of the e-voting along with the Scrutinizer's report shall be placed on the website of the Company at www.ndtv.com immediately after the result is declared and shall simultaneously be forwarded to the Stock Exchanges.

- Resolutions will be deemed to be passed on the e-AGM date, subject to receipt of the requisite number of votes in favour of the resolutions.
- During the AGM, the Register of Directors and Key Managerial Personnel and their Shareholding maintained under Section 170 of the Companies Act, 2013, the Register of Contracts or arrangements in which Directors are interested under Section 189 of the Companies Act, 2013, shall be available for inspection upon login at NSDL e-voting system at <https://www.evoting.nsdl.com>.
