NDTV Reports Q4 earning with 59% Revenue Growth Y-O-Y

*Digital traffic jumps 39%**

NDTV Marathi launches on May 1st, takes NDTV from 2 to a 6 channel Network

Financial year marked with substantial investments in new launches and building cutting edge infrastructure

Attrition down 58% from last fiscal

NDTV Group announces its financial performance for Q4, 2023-2024, marked by a 59% revenue growth compared to the same period last year.

NDTV Convergence, the Company's digital arm also witnessed a significant 39% increase in global digital traffic in March 2024 over April 2023 on its platforms. The NDTV Group's ability to adapt to evolving consumer preferences and market dynamics has been instrumental in driving this impressive growth.

During the financial year, NDTV expanded its presence across consumer segments with launch of NDTV MP-CG, NDTV Rajasthan, and NDTV Profit. Additionally, NDTV Marathi is being launched on 1st May. This strategic expansion drive from a 2 Channel setup to a 6 Channel setup has meant substantial investments in next-generation infrastructure. A cutting-edge broadcast facility in BKC, Mumbai is up and running. Another state-of-art integrated facility will be operational in NCR, Delhi in the coming months. While these investments strengthen future growth objectives, they have had an impact on short-term financial performance. NDTV remains committed to creating long-term shareholder value by leveraging its premium brand value to launch new products, expand audience and drive efficiency by investments in technology.
